Section 1. Bargaining Unit.

30

The Employer recognizes the Union as the exclusive representative and sole bargaining agent for all employees in the Technical Bargaining Unit ("Bargaining Unit") with respect to wages, hours, and other terms and conditions of employment, in accordance with the provisions of the Rules and the Regulations of the Michigan Civil Service Commission.

Agreement

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

This Agreement covers all employees in the Bargaining Unit as established under Civil Service Commission Rules and Regulations, consisting currently of the classifications listed in Appendix A to this Agreement, and such other classifications which are assigned to the Bargaining Unit under the Civil Service Commission Rules and Regulations.

Section 2. New or Abolished Classifications.

The parties recognize the plenary authority of the Civil Service Commission in classifying positions. The parties will review all abolishments of existing Unit classifications as well as all new classifications consisting of a significant part of the duties of existing Unit classifications. Representation Unit positions shall not be reclassified, reallocated, or retitled at the request of the Employer without prior written notice to the Union. This provision shall not be construed to prohibit the Employer from reallocating positions which have been downgraded for training. Classified employees in classes and positions assigned to this Unit in accordance with this Section shall be subject to the provisions of this Agreement unless excluded by the Civil Service Commission as managerial, confidential or supervisory in accordance with the provisions of the Civil Service Commission Rules or Regulations.

Nothing herein shall prohibit either of the parties from exercising its unit clarification rights under the provisions of the Civil Service Commission Rules and Regulations. The classes/titles referenced in this Section or in Appendix A are for descriptive purposes only. Their use is neither an indication nor a guarantee that these titles will continue to be used by the Employer.

The Employer agrees to provide concurrent written notice to the Union of any requests which it makes to the Civil Service Commission for selective certifications on any Bargaining Unit positions.

ARTICLE 3

Integrity of the Bargaining Unit

Section 1. Bargaining Unit Work Performed by Non-Bargaining Unit Employees.

- A. The Employer recognizes that the integrity of the Bargaining Unit is of significant concern to the Union. In accordance with Article 13 (Layoff) the Employer shall inform the Union of the economic or programmatic reasons for changes in work routines or systems that result in layoff of employees, abolishment or attrition of positions.
- B. As provided in this Agreement, Bargaining Unit work will normally be performed by classified employees in the Bargaining Unit. The Employer will not assign work to non-Bargaining Unit employees except as provided for in this article of the Collective Bargaining Agreement.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

- 1 C. Non-Bargaining Unit employees will not be assigned to perform Bargaining
2 Unit work except to the extent that they have previously performed such work
3 as a matter of customary practice, or to the extent that such work is part of
4 their duties as provided in Civil Service Class Specifications, in the case of
5 temporary work relief or an emergency.
- 6 In addition to the prohibitions listed above, Bargaining Unit work will not be
7 assigned to non-Bargaining Unit employees if such assignment would result
8 in the reduction of hours, layoff or abolishment of positions of Bargaining Unit
9 employees.
- 10 D. The Employer may continue to use such programs as the type listed below,
11 provided that the primary purpose of such programs is to supplement ongoing
12 activities or to provide training opportunities.
- 13 • Student Work Experience
- 14 • Seasonal Recreation Programs
- 15 • Volunteer Programs
- 16 To the extent that it is available, the Employer will provide the Union with
17 information which permits the Union to monitor the implementation of such
18 programs, if not already provided. These programs are not intended to be
19 used as a substitute for Bargaining Unit employees. A Union allegation that
20 such a program is being used by the Employer as a substitute, rather than a
21 supplement, for on going State employee activities, or causes layoffs or
22 reduction of hours for Bargaining Unit employees, shall be grievable under
23 this Agreement.

24 **Section 2. Bargaining Unit Work Performed by Supervision.**

25 Supervisory employees shall only be permitted to perform Bargaining Unit work
26 under the following circumstances: To the extent that such work is a part of their
27 job duties as provided in Civil Service class specifications or to the extent that
28 they have commonly performed such work as a matter of practice; in case of
29 emergency; when necessary to provide temporary relief; to instruct or train
30 employees; to demonstrate the proper method of accomplishing the tasks
31 assigned; to avoid the necessity of overtime; when a Bargaining Unit employee
32 capable of doing the work is not available; or to allow the release of employees
33 for Union activities recognized and authorized under this Agreement.

34 No employee in the Bargaining Unit shall be considered a supervisor for
35 purposes of this Agreement.

36 **Section 3. Contracting and Subcontracting.**

37 The Employer recognizes its obligation to utilize Bargaining Unit members in
38 accordance with the merit principles of the Civil Service Commission. The

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 Employer reserves the right to use contractual services in accordance with Civil
2 Service Rules and Regulations.

3 The Employer agrees to make reasonable efforts (not involving a delay in
4 implementation) to avoid or minimize the impact of such sub-contracting upon
5 Bargaining Unit employees. Whenever the Employer intends to contract out or
6 sub-contract services, the Employer shall, as early as possible but at least fifteen
7 (15) calendar days prior to implementation and no later than at the time of
8 submission to Civil Service, give written notice of its intent to contract or
9 sub-contract to the Union. Such notice shall consist of a copy of the material sent
10 to Civil Service which shall include such matters as:

- 11 1. The nature of the work to be performed or the service to be provided.
- 12 2. The proposed duration and cost of such sub-contracting.
- 13 3. The rationale for such sub-contracting.

14 The Employer shall, upon written request, meet and confer with the Union over
15 the impact of the decision upon the Bargaining Unit. Such discussions shall not
16 serve to delay implementation of the Employer's decision.

17 Nothing provided in this section shall prohibit the Union from challenging the
18 planned contracting or sub-contracting before the Civil Service Commission, nor
19 from appealing a Departmental action which it alleges violates applicable Civil
20 Service Rules and Regulations.

ARTICLE 4

Union Dues Deduction and Remittance

23 To the extent permitted by the Michigan Civil Service Commission Rules and
24 Regulations, it is agreed that:

Section 1. Dues Deduction.

26 Upon receipt of a completed and signed individual authorization form from any of
27 the employees covered by this Agreement, the Employer will deduct from the pay
28 due such employee those dues and/or initiation fees required to maintain the
29 employee's membership in the Union in good standing.

30 The Employer agrees to deduct from the wages of any Bargaining Unit employee
31 the biweekly Union membership dues, as from time to time established, if the
32 employee has authorized the Employer to do so by executing a written
33 authorization in accordance with the specifications used by the Employer.

34 The Union dues deduction authorization shall remain in full force and effect until
35 revoked or terminated on written notice to the Employer and the Union at any
36 time.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

Dues will be authorized, revised and certified to the Office of the State Employer by the Union. Each Union member and the Union authorize the Employer to rely upon and to honor certifications by the Union regarding the amounts to be deducted and the legality of the adopting action specifying such amounts of the Union dues.

Section 2. Representation Fees.

The Employer agrees to deduct from the wages of any Bargaining Unit employee who voluntarily chooses to pay to the Union a Representation Service Fee, if the employee has authorized the Employer to do so by executing a written authorization in accordance with the specifications used by the Employer.

The written Voluntary Representation Fee Deduction authorization shall remain in full force and effect until revoked or terminated on written notice to the Employer and the Union at any time.

Section 3. Remittance and Accounting.

The Employer shall remit monies withheld from payroll dues and voluntary representation fee deduction no later than ten (10) calendar days after the close of the pay period of deduction, together with an alphabetical list of the names, by Department and Agency, of all active employees from whom deductions have been made, enrollments, cancellations, deduction changes, additional deductions, name changes.

Upon forwarding such payment by mail to the Union's last designated address, the Employer, its officers and employees shall be released from any liability to the employee and the Union under such assignments.

Dues or voluntary representation fees deduction authorization may be revoked at any time by the employee. The employee will furnish written notice of such revocation to the Employer and the Union.

Section 4. Bargaining Unit Information Provided to the Union.

The Employer agrees to furnish a biweekly transaction report to the Union in electronic form, listing employees in this unit who are hired, rehired, reinstated, transferred into or out of the bargaining unit, transferred between agencies and/or departments, promoted, reclassified, downgraded, placed on leaves of absence of any type including disability, placed on layoff, recalled from layoff, separated (including retirement), added to or deleted from the bargaining unit, or who have made any changes in union deductions. This report shall include the employee's name, identification number, employee status code (appointment type), job code description (class/level), personnel action and reason, effective start and end dates, and process level (department/agency).

The Employer will provide a biweekly demographic report to the union in electronic form, containing the following information for each employee in the

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

bargaining unit: the employee's name, identification number, street address, city, state, zip code, job code, sex, race, birth date, hire date, process level (department/agency), TKU, union deduction code, deduction amount, employee status code (appointment type), position code (position type), leave of absence/layoff effective date, continuous service hours, county code, worksite code, unit code and hourly rate.

The parties agree that this provision is subject to any prohibition imposed upon the employer by courts of competent jurisdiction.

Section 5. Deductions Not Taken.

Deductions shall be made only when the employee has sufficient earnings to cover same after deductions for social security (FICA); individually authorized deferred compensation; federal, state and local income taxes; other legally required deductions; individually authorized participation in State programs; enrolled employee's share, if any, of insurance premiums.

Section 6. Forms.

It shall be the sole responsibility of the Union to print and furnish membership dues and voluntary representation fee deduction authorization forms approved by the State. The Union may supply such approved forms to the respective Departmental Employers where Bargaining Unit employees may obtain them upon request.

ARTICLE 5

Union Rights

Section 1. Bulletin Boards.

The Employer agrees to furnish adequate bulletin board space in reasonable repair in convenient places in work areas of buildings where Technical Unit employees work or to which they are assigned. In construction project offices where bulletin boards presently exist, the Employer will designate a portion of the board, normally 12 square feet, for the exclusive use of the Union.

The bulletin board shall be for the exclusive use of the Union to enable employees of the Bargaining Unit to read materials posted by the Union in order to inform Unit employees about matters pertaining to the Union or the Technical Unit.

Where the board is found to be in need of repair, the Union, through its Chapter President, may request the installation of a new board. The location of such board will normally be at or near an area where Technical Unit Employees have reasonable access.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

Any needed repairs to State owned boards resulting from normal wear and tear will be undertaken by the Employer with no cost to the Union.

In the event the Union desires a new board, the Union shall pay 100% of the cost of the materials for such boards or furnish its own bulletin boards compatible with Employer locations.

The Union shall designate to the OSE, within thirty (30) calendar days after the effective date of this Agreement, at each work site at which a bulletin board is located, an individual who shall be responsible for posting and removal of material on behalf of the Union. In the event such designation is changed at any work site, the Union, within thirty (30) days after the effective date of such change, shall notify the OSE of such change. All posted material shall be signed and dated by such individual.

The Union agrees to limit its posting at State work sites to authorized bulletin board space.

Section 2. Mail Services.

The Union shall be permitted to use the inter/intra agency mail distribution service for Unit representation activities, except as prohibited by law. Such mailings shall be of a reasonable size, volume and frequency, and shall be prepared in accordance with departmental specifications. The Employer, its officers and employees shall have no liability to the Union or an employee for the delivery or security of such mailings, including any mailings directed to an employee from outside the Agency.

Section 3. Union Information Packet.

The Employer agrees to furnish to new employees of the Unit represented by the Union a packet of informational materials supplied to the Employer by the Union.

Such information shall consist of material informing the new employee of his/her rights and obligations under this Agreement, and the benefits afforded Union members.

Section 4. Maintenance of Materials.

Designated Union officials shall have the right to maintain Union related materials in their work areas. The Union shall provide to the Office of the State Employer the names of these designated officials within thirty (30) calendar days after the effective date of this Agreement.

In the event any such designated Union officials are changed during the term of this Agreement, the Union shall notify the OSE of such changes within thirty (30) calendar days of the effective date of such change.

Section 5. Union Meetings on State Premises.

The Employer agrees to permit the use of State conference and meeting rooms for Union meetings upon prior request of the Union, subject to its availability and approval by the appropriate local Employer representative. Such approval shall not be arbitrarily withheld, and such facilities shall be furnished without charge to the Union unless such charge is required by law or the Employer is charged for such use and uniformly requires payment of such charges by all users. Union usage of State premises shall be governed by operational and/or security considerations of the local authority.

Section 6. Telephone Directory.

The Employer agrees to publish the telephone number and business address of the Union in the State of Michigan telephone directory published.

Section 7. Access to Premises by Union Staff.

The Employer agrees that officers and representatives of the Union shall be permitted necessary access to the premises of the Employer during normal working hours with advance or concurrent notice to the appropriate Employer representative. Such access shall only be for the purpose of the administration of this Agreement. Meetings related to the administration of this Agreement will normally be held in non-security, non-work areas.

The Union agrees that such access shall be subject to operational or security measures established by the Employer and shall not interfere with the normal work duties of the employees.

The Employer reserves the right to designate a meeting place and to provide a representative to accompany the Union officer or representative where operational or security considerations do not permit unaccompanied Union access. However, this provision shall not be construed to prevent Union access to lobby areas or to areas open to the general public. Access authorized by this Section shall be expedited wherever possible.

Section 8. Access to Documents, Records or Policies.

Upon written request, the Union shall receive specific existing documents, records or policies which, on their face, affect the wages, hours, terms and conditions of employment for employees of this Unit and which are not exempt from disclosure by statute. Discretion permitted under F.O.I.A. shall not be impaired by this Section. The Employer is not obligated to compile reports for the purpose of complying with this Section. The Union shall pay all costs of reproducing such information.

Section 9. Prohibited Materials.

It is expressly understood and agreed that profane, political, libelous, and defamatory materials are not authorized for posting, circulation in the Employer's

mail system, or for distribution on State premises, and the Employer reserves the right to remove any and all such material, and shall provide prompt notice of such action to the designated Union representative at that work site. The Union shall provide the names of such representatives in writing to the Office of the State Employer within thirty (30) calendar days after the effective date of this Agreement. In the event any such designated Union representatives are changed during the term of this Agreement, the Union shall notify the OSE of such changes within thirty (30) calendar days of the effective date of such change.

Management Rights

Section 1. Rights of Employer.

It is understood and agreed by the parties that the Employer possesses the sole power, duty and right to operate and manage its Departments, Agencies and programs and carry out constitutional, statutory, and administrative policy mandates and goals. The powers, authority and discretion necessary for the Employer to exercise its rights and carry out its responsibilities shall be limited only by the express terms of this Agreement. Any term or condition of employment other than the wages, benefits and other terms and conditions of employment specifically established or modified by this Agreement shall remain solely within the discretion of the Employer to determine, modify, establish or eliminate.

To the extent they are not superseded by other provisions of this agreement, management rights include, but are not limited to, the right, without engaging in negotiations, to:

A. Determine matters of managerial policy; mission of the Agency (i.e., the services to be provided, their level, and by what means); budget; the method, means and personnel by which the Employer's operations are to be conducted; organization structure; standards of service and maintenance of efficiency; the right to select, promote, assign or transfer employees; discipline employees for just cause; and in cases of emergency, to take whatever action is necessary to carry out the Agency's mission. However, if such determinations alter conditions of employment to produce substantial adverse impact upon employees, the modification and remedy of such resulting impact from changes in conditions of employment shall be subject to negotiation requirements. Any claim by the Union of failure on the part of the Employer to bargain in good faith shall be appealable through the procedures contained in the Civil Service Commission Rules and Regulations.

B. Utilize personnel, methods and means in the most appropriate and efficient manner as determined by the Employer. Such rights shall be exercised consistent with the other provisions of this Agreement.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

C. Determine the size and composition of the work force, direct the work of the employees, determine the amount and type of work needed and, in accordance with such determination, relieve employees from duty because of lack of funds or lack of work. Such rights shall be exercised consistent with the other provisions of this agreement.

D. Make work rules which regulate performance, conduct, and safety and health of employees, provided that changes in such work rules shall be reduced to writing and furnished to the Union for its information as soon as possible, and provided that such rules do not violate any provisions of this Agreement. Rules under this section will be reviewed prior to implementation by the Office of the State Employer.

Section 2. Non-Negotiability of Management Rights.

A. It is agreed by the parties that none of the management rights noted above or any other management rights shall be subjects of negotiation during the term of this Agreement; provided, however, that such rights must be exercised consistently with the other provisions of this Agreement.

B. None of the enumerated rights contained in this Article are intended to supersede any written provisions of this Agreement.

Section 3. Zipper Clause.

This Agreement, including its supplements and exhibits attached hereto, concludes all negotiations between the parties during the term hereof, and satisfies the obligation of the Employer to bargain during the term of this Agreement, except as specifically provided elsewhere by the terms of this Agreement or the provisions of the Civil Service Commission Rules and Regulations. The parties acknowledge and agree that the bargaining process, under which this Agreement has been negotiated, is the exclusive process for affecting terms and conditions of employment.

The parties acknowledge that, during the negotiations over the terms of this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any negotiable subject or matter, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

This Agreement, including its supplements and exhibits attached hereto, concludes all collective bargaining between the parties during the term hereof, and constitutes the sole, entire and existing Agreement between the parties hereto, and supersedes all prior agreements, and practices, oral and written, expressed or implied, except as provided in Article 22, Maintenance of Benefits, and expresses all obligations and restrictions imposed upon each of the respective parties during its term.

ARTICLE 7

Union Business and Activities

Section 1. Union Activities During Working Hours.

Employees shall be released and allowed time off with or without pay, and with or without loss of benefits, as provided for in this Agreement.

Section 2. Time Off for Union Business.

A. To the extent that the release for Union business does not substantially interfere with the Employer's operations, properly designated Union representatives, regardless of shift, shall be released and allowed time off without pay for legitimate Union business. Such time off shall not be detrimental in any way to the employee's record. Nothing herein requires the Employer to release an employee from work if such release would substantially interfere with the work, order or discipline in the work place, or if such release would directly or indirectly pose a risk to the health or safety of State employees, officers, or the public, or would require the Employer, by the terms of this Agreement to pay overtime at premium rates because of such release.

B. An employee shall furnish notice of the employee's request to be released from work pursuant to Subsection A. above to his/her immediate supervisor, as soon as possible, but prior to the scheduled activity.

In addition to the above employee notice, the Union President or Executive Director or his/her designee shall provide written notice of the employee's request to be released from work to the employee's Appointing Authority prior to the scheduled activity, if possible, or verbal notice in those circumstances where it is impossible to provide prior written notice. In any case, written notice will be provided either prior to or following the activity.

No employee shall be entitled to be released pursuant to these provisions unless the request of the employee and the Union is provided as required herein, except in circumstances where it is impossible to do so or upon mutual agreement.

Section 3. Union Officers.

The Union agrees to furnish to the Office of the State Employer in writing the names, Departments (and Agencies) of all employees holding an elective or appointive office within the Union. The purpose of such listing shall be only to identify those persons whom the Employer may reasonably expect to be requesting paid or unpaid leave to participate in legitimate Union business. Such notice shall be provided within thirty (30) calendar days following the effective date of this Agreement. Similar written notice shall be provided within seven (7) calendar days following changes in such designations.

Section 4. Annual Leave Buy Back.

Employees designated by the Union may utilize accumulated leave time (holiday, compensatory, Plan B, or annual leave) in lieu of taking such time off without pay, to engage in Union activities authorized by this Agreement.

When an employee designated in accordance with Section 3 of this Article utilizes unpaid leave time and elects to utilize annual leave credits, the employee may "buy back" such credits with the following restrictions:

A. The employee and the Union must notify the appointing authority in writing of the intent to "buy back" such credits.

B. The employee shall be permitted annual leave absence from work for such business up to a maximum of accrued credits.

C. The employee may reinstate such expended credits used in the previous twelve (12) months by cash payment to the Department personal services account at the employee's current hourly rate. The employee shall furnish to the Department the total cost to the State of such credits. This provision shall be administered in compliance with applicable tax statute.

D. The employee shall be allowed to exercise the option of reinstating such credits for him/herself no more than four (4) times each fiscal year, except that no such "buy back" may occur later than August 1.

E. The Appointing Authority will, except in circumstances when it is impossible to do so, credit the employee making request for "buy back" in accordance with the provisions of this article, with such "buy back" credits within forty five (45) days of the receipt of the employee's payment for such credits by the appointing authority.

Section 5. Administrative Leave Bank.

Subject to the operational needs of the Employer, and the provisions of this article, the Employer shall make every reasonable effort to allow employees in this Unit, designated in accordance with the provisions below, time off without loss of pay, benefits or service credits during scheduled working hours to engage in union authorized functions or steward training subject to the following conditions:

A. An administrative leave bank shall be calculated on the basis of two hours per employee of the bargaining unit on the payroll during the first full pay period of July of each year.

B. Such time shall be credited at the beginning of the first pay period which starts after the effective date of this Agreement, and during the pay period in which October 1 falls thereafter.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

C. Such time which is not used in the fiscal year in which it was granted may be carried forward from one year to the next.

D. If a representative utilizing leave under this bank is expected by the Union to spend more than 500 hours in a contract year in such activities, they shall be so designated by the Union. Only representatives so designated shall be allowed to use more than 500 hours from this bank in a contract year.

In the event that a named representative's absence from the work place would create serious operational problems for the Employer, the parties shall meet in an attempt to resolve the problems. Such resolution may include the designation of an alternative representative by the Union. Such employees are to be considered as employees of the union during the periods of absence covered by administrative leave from the bank. Should an administrative board or court rule otherwise, the union shall indemnify and hold the Employer harmless from any workers compensation claims by the employee arising during or as a result of the employee's absence covered by administrative leave from the bank. For purpose of seniority accrual, time spent by such employees shall be considered as time worked unless prohibited by applicable legislation. The Union shall reimburse the Employer for the Employer's share of all applicable insurance premiums during the periods of absence covered by administrative leave from the bank.

E. Such time shall be granted in increments of no less than one (1) hour. No employee shall be entitled to charge an absence to such administrative leave bank unless the Union has provided a written request for release of the employee as soon as possible but at least seven (7) calendar days in advance of the event. When the Union is unable to provide at least seven (7) calendar days notice because the Union does not have such notice of the event, a reasonable effort will be made to release the employee. The Union will send the request to the department and the Office of the State Employer. The request will include the employee's name, dates and times for release, number of bank hours to be used, and general nature of the union authorized function. In addition, the employee must notify his/her supervisor of the request at least seven (7) calendar days in advance of the event. The department may deny the request if operational needs preclude release. The Office of the State Employer may deny the request if it does not comply with the provisions of this section.

ARTICLE 8

Union Representation

Section 1. Bargaining Committee.

Employees in the Bargaining Unit shall be represented by the Union in primary and secondary negotiations in accordance with this Section. Bargaining

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

Committee representatives authorized by this Section shall be compensated in accordance with this Section.

A. Primary Negotiations: The Primary Bargaining Committee, including alternates, shall be designated in writing by the Union. No more than seven (7) employees shall be released with administrative leave to attend such sessions. Designations shall be provided to the State Employer not later than the Monday immediately preceding the pay period containing the date of the first negotiation session. Each properly designated committee member shall be granted administrative leave for all approved time related to primary negotiations.

B. Secondary Negotiations: Any Secondary Bargaining Committee shall be designated by the Union and shall consist of not more than six (6) persons in the Department of Transportation and three (3) persons in the other Departments per session, all of whom shall be employed in the Department in which secondary negotiations are conducted, excluding non-state employees.

Written notice of the names of unit employees designated by the Union shall be supplied to the relevant departmental employer not later than the Monday immediately preceding the pay period containing the date of the first negotiating session. Each secondary committee member shall be granted administrative leave for the first forty (40) hours of secondary negotiations, or such lesser amount as the negotiations require. If such negotiations extend beyond forty (40) hours, committee members shall be placed upon leave without pay, but without loss of benefits or service credits. Such forty (40) hours maximum may be increased by an amount mutually agreed upon by the parties.

Section 2. Union Representatives and Jurisdictions.

Employees covered by this Agreement are entitled to be represented in investigative interviews/meetings, disciplinary conferences, and the grievance procedure by a Steward or Chief Steward or, at the discretion of the Union, a Union Staff Representative. Employees may, alternatively, be represented by an attorney of their choice in the grievance procedure, at their own expense, on terms acceptable to the Union and the Employer.

The Union may designate one (1) Steward for each fifteen employees at a work site, up to a maximum of five (5) Stewards at any work site, to represent Unit employees of A Department in grievance conferences, investigative interviews/meetings, or disciplinary conferences at such work site. Each assigned Steward may have an assigned Alternate. A Steward/Alternate shall lose no normal pay or leave credits while representing Unit employees at their own work site, or for any other purpose for which leave is granted under this Article. In the event a Steward or alternate is not available at the work site of an employee entitled to representation under this section, a Steward or alternate from an adjacent work site may represent the employee.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 For purposes of this Article, work site is defined as a building occupied in part or
2 entirely by a Department or a group of buildings which constitute a facility or a
3 field office in the Department of Transportation. At a work site with multiple
4 working shifts, the Union may designate a Steward for each shift.

5 A Chief Steward shall lose no normal pay or leave credits while representing unit
6 employees of a department within their designated jurisdictional area or for any
7 other purpose for which leave is granted under this Article. Chief Stewards will
8 not be selected from work sites of less than seven (7) employees. In the event
9 the preceding restriction causes the Union difficulty in selecting Chief Stewards,
10 the parties agree to meet in an attempt to resolve the problem. The total number
11 of Chief Stewards shall not exceed one (1) per Union Chapter.

12 Upon notice to the Union of the number of hours added to the Article 7, Section 5
13 Administrative Leave Bank during the pay period in which October 1 falls each
14 year, the Union may request to designate up to 10% of such hours as the chief
15 steward representation leave bank to be used by chief stewards for
16 representation activities within their designated jurisdictional area but outside of
17 their department. Within 30 days of the effective date of this Agreement, the
18 Union will provide to the Office of the State Employer and the affected
19 departments a list of the chief stewards and their designated jurisdictional areas.
20 Subject to operational needs, and with as much advance notice as possible to
21 their immediate supervisor, the chief stewards on this list shall be permitted to
22 utilize hours from the chief steward representation leave bank to provide
23 representation during grievance, investigative and disciplinary proceedings for
24 bargaining unit employees from outside of the chief steward's department. Use of
25 any chief steward representation leave bank hours must be promptly recorded
26 with the department, the Office of the State Employer and the Union. In the event
27 that the Employer or the Union raises concerns regarding the use of the chief
28 steward representation leave bank, the parties agree to meet to resolve the
29 concerns.

30 Nothing herein requires the Employer to release an employee from work if such
31 release would substantially interfere with the work, order or discipline of the work
32 place, or would directly or indirectly pose a risk to the health or safety of State
33 employees, officers, or the public, or would require the Employer, by the terms of
34 this Agreement, to pay overtime at premium rates because of such release.

35 **Section 3. Release of Union Representatives.**

36 No Union Representative shall leave his/her work to engage in employee
37 representation activities without first notifying and receiving approval from his/her
38 supervisor or designee. Such approval shall normally be granted and under no
39 circumstances shall unreasonably be denied.

40 In the event that approval is not granted for the time requested by such
41 representative the Union, at its discretion, may either request an alternate

representative or have the activity postponed and rescheduled. In making such request, the Union will provide timely representation to avoid delay.

The Employer shall make every reasonable effort to minimize the adverse impact on shift employees in scheduling meetings.

If an employee scheduled for a grievance, investigative interview/meeting, or disciplinary conference is employed at a work site where a Steward or alternate is designated and available, the Employer shall be obligated to release only such Steward or alternate at the employee's work site.

Section 4. Access to Union Representatives.

Employees shall have reasonable access to an Union Representative during working hours to consult about the rights and obligations provided for in this Agreement, but such access shall, except as provided below, be confined to the non-work time (rest and meal periods) of the employee and the representative.

Such discussions shall not be held in such a place or manner as to disrupt the operations of the Employer. In circumstances involving a grievance meeting with management, disciplinary conference or an investigatory interview in which by the terms of this Agreement, the employee is entitled to request Union representation, the employee shall have access to a representative during work time for up to one-half hour immediately preceding the meeting with management if non-work time is not available for the employee to meet with the representative as long as it will not cause the Employer any overtime liability or substantially interfere with work operations.

When an employee desires access to a Union Representative during work time, the employee shall notify his/her supervisor of the contractual reason and such access shall be allowed within a reasonable length of time such that it does not substantially interfere with work operations.

Designated Union officials will have reasonable access to receiving and making telephone calls related to Union business provided that such telephone use takes place on non-work time with the exception of telephone calls to the Employer, does not unreasonably interfere with the normal work activities, and does not result in any long distance telephone charges incurred by the Employer.

Section 5. Union Leave.

A. No later than thirty (30) calendar days following the effective date of this Agreement, the Union shall provide written notice to the State Employer of the name and Department/Agency of the President who will be exercising any of the representational or union functions contained or recognized in any Article of this Agreement. This shall include but is not limited to grievance handling, disciplinary conferences, arbitration, labor management meetings, and all other activities in which Union Representatives are entitled by the terms of this Agreement to participate on administrative leave. Similar written notice

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 shall be provided within seven (7) calendar days following change in such
2 designation.

- 3 B. If the President is expected by the Union to spend more than 500 hours in a
4 contract year in such activities, the Employer shall be notified. Such
5 employees shall be placed on "Union Leave" and shall be relieved of all work
6 duties during the course of such leave; and the Union shall reimburse the
7 State for the gross total cost of such employee's state wages, benefits,
8 insurance, retirement and other costs. The employee's status for pay and
9 benefits shall be the same as if administrative leave had been granted.
- 10 C. If, during the course of any contract year, the amount of administrative leave
11 used by the employee referenced in Subsection A above exceeds 500 hours
12 during the contract year, such employee may immediately be placed on
13 "Union leave" by the Employer subject to the conditions of Subsection B
14 above.
- 15 D. An employee may not avoid the operation of this Article by substituting annual
16 leave or any other time, paid or unpaid, for administrative leave.
- 17 E. The "Union Leave" shall extend to the end of the contract year, at which time
18 it shall be renewed unless the Union notifies the Employer that it does not
19 expect the employee to spend 500 hours or more in activity cited in this
20 Section in the following contract year.

ARTICLE 9

Grievance Procedure

Section 1. General.

- 24 A. A grievance is defined as a written complaint alleging that there has been a
25 violation, misinterpretation or misapplication of any condition of employment
26 contained in this Agreement, or of any rule, policy or regulation of the
27 Employer, deemed to be a violation of this Agreement or a claim of discipline
28 without just cause. Nothing shall prohibit the grievant from contending that the
29 alleged violation arises out of an existing mutually accepted past practice.
30 The concept of past practice shall not apply to matters which are solely
31 operational in nature.
- 32 B. Employees shall have the right to present grievances in person or through a
33 designated Union Representative at the appropriate step of the grievance
34 procedure. No discussion shall occur on the grievance until the designated
35 Union Representative has been afforded a reasonable opportunity to be
36 present at any grievance meetings with the employee(s).
- 37 Upon request, a supervisor will assist a grievant in contacting the designated
38 Steward or Representative. Any settlement reached with a grievant without
39 the accompaniment of a Union Representative shall be communicated to the

Article 9

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 Union and shall only be implemented following the approval of the settlement
2 by the Union.

3 C. The Union shall determine the representative(s) at step one, or step two of
4 the grievance procedure not to exceed two representatives in attendance at
5 any grievance conference.

6 D. Only related subject matters shall be covered in any one grievance. A
7 grievance shall contain the clearest possible statement of the grievance by
8 indicating the issue involved, the relief sought, the date the incident or alleged
9 violation took place, and the specific section or sections of this Agreement
10 involved if any. The grievance shall be presented to the immediate supervisor
11 on a mutually agreed upon form, signed and dated by the grievant(s).

12 E. All grievances shall be presented promptly and no later than fifteen (15) week
13 days from the date the grievant knew or could reasonably have known of the
14 facts or the occurrence of the event giving rise to the alleged grievance. Week
15 days, for the purpose of the Article, are defined as Monday through Friday
16 inclusive, excluding holidays.

17 F. The Union, through an authorized Officer or Staff Representative, may grieve
18 an alleged violation concerning the application or interpretation of this
19 Agreement in the manner provided herein. Such grievance shall identify, to
20 the extent possible, employees affected. The Union may itself grieve alleged
21 violations of Articles conferring rights solely upon the Union.

22 G. Grievances which by nature cannot be settled at Step One of the grievance
23 procedure may, upon mutual agreement, be filed at Step Two.

24 H. Group grievances are defined as, and limited to, those grievances which
25 cover more than one employee and which pertain to like circumstances for
26 the grievants involved. Group grievances shall name all employees and/or
27 classifications and all work locations covered and may, at the option of the
28 Union, be submitted directly to Step Two. Group grievances shall be so
29 designated at Step One of the grievance procedure, although names may be
30 added or deleted prior to the conclusion of the Step Two hearing. The Union
31 shall, at the time of filing such a grievance, also provide a copy to the Office
32 of the State Employer.

33 I. It is expressly understood and agreed that the specific provisions of this
34 Agreement take precedence over policy, rules, regulations, conditions and
35 practices contrary thereto, except as otherwise provided in the Civil Service
36 Rules and Regulations.

37 J. There shall be no appeal beyond Step Two on initial probationary service
38 ratings or involuntary separation of initial probationary employees which occur
39 during or upon completion of the probationary period, except that grievances
40 alleging unlawful discrimination against a probationary employee may be
41 appealed by the Union to arbitration.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

- 1 K. Counseling memoranda, annual ratings, and reprimands are not appealable
2 beyond Step Two of the grievance procedure, but less than satisfactory
3 interim rating, follow up rating, or probationary rating grievances of employees
4 with civil service status, are appealable to arbitration.
- 5 L. The parties agree that as a principle of contract interpretation employees shall
6 give full performance of duty while a non-dismissal and non-suspension
7 grievance is being processed.
- 8 M. Grievances filed before the effective date of the Agreement shall be
9 concluded only under the provisions of the previous agreement as though that
10 agreement were still in effect.
- 11 N. All written grievance settlements that do not address an implementation date
12 shall be implemented as soon as administratively feasible.

13 **Section 2. Grievance Steps.**

- 14 A. Step One: Informal discussion of complaints between employees and/or
15 stewards and supervisors is encouraged prior to filing of grievances. Within
16 ten (10) week days of receipt of the written grievance from the employee(s) or
17 the designated Union Representative, the supervisor or designated
18 management official will, on his/her own initiative or in response to a request
19 from the Union or the employee, schedule a meeting with the employee(s)
20 and/or the designated the Union Representative to discuss the grievance.
21 Grievance meetings at Step One involving 2nd or 3rd shift employees shall be
22 held as conveniently as possible to the employee's shift and normally precede
23 or immediately follow the employee's shift.

24 The supervisor or designated management official will return a written
25 decision to the employee(s) and the Union Representative within ten (10)
26 weekdays after the Step One grievance meeting. If no Step One meeting is
27 held, the decision is due within ten (10) weekdays after receipt of the
28 grievance at Step One. The answer will be responsive to the grievance to the
29 extent possible and shall indicate the basis for the determination.

- 30 B. Step Two: If not satisfied with the Employer's answer in Step One, to be
31 considered further, the grievance shall be appealed to the departmental
32 Appointing Authority or his/her designee within ten (10) week days from
33 receipt of the answer in Step One. A Step Two conference shall be
34 mandatory, at the written request of either party, on any grievance subject to
35 arbitration under this Agreement. The Step Two conference shall be held
36 within ten (10) week days of the written request.

37 The Step Two grievance conference is for the purpose of discussing the
38 grievance, discovering the facts, and attempting to reach a mutually
39 acceptable resolution of the grievance. Such conference shall be conducted
40 as an informal discussion and not a formal hearing. The written decision of
41 the Employer will be placed on the grievance form by the departmental

Article 9

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

Appointing Authority or his/her designee and returned to the grievant(s) and the designated Union Representative within ten (10) week days from the date the Step Two conference is held. If a Step Two conference is not required, the Employer's written response must be given within ten (10) week days from the date of the receipt of the grievance at Step Two.

If the grievant or Union decides to modify or amend a grievance or raise new issues, such action must be taken by the conclusion of the Step Two conference. If the Union requests a Step Two conference in writing and such conference is not held, then the Union may modify or amend a grievance or raise new issues no later than the date of the written appeal to arbitration.

C. Arbitration: If not satisfied with the Employer answer in Step Two, only the Union may appeal the grievance to arbitration within twenty-five (25) week days from the date of the Department's answer in Step Two. If an unresolved grievance is not timely appealed to arbitration, it shall be considered terminated on the basis of the Employer's Step Two answer without prejudice or precedent in the resolution of future grievances. The parties may propose consolidation of grievances containing similar issues.

In the event the department does not provide the required Step Two answer to a grievance within the time limit above, the union may request the Office of the State Employer to schedule and hold a meeting, within ten (10) weekdays, where the department will provide an oral response to the grievance sufficient to enable the Union to make an informed decision regarding its merits.

At the request of the Union following a Step Two denial of a disciplinary grievance, a Staff Representative of the Union and the Department where the grievance originates discuss the matter. An effort shall be made in such discussions to arrive at fair and equitable grievance settlements to avoid the necessity of arbitration. Such settlements, if reached, shall be confirmed in writing when agreed to by the departmental Employer and the Union.

If not satisfied with the Employer answer in Step Two, the Union may appeal the grievance to arbitration by notifying the Office of the State Employer in writing prior to or concurrent with submission of the demand for arbitration according to the provisions of this section.

Before the arbitration hearing, representative(s) of the Union, the Office of the State Employer, and/or the departmental Employer may request a meeting to review the grievance. An effort shall be made in such discussions to arrive at a fair and equitable grievance settlement to avoid the necessity of arbitration. Such settlement shall be confirmed in writing when agreed to by the Union and the Office of the State Employer.

If the grievance is not resolved through such meeting, the Union may continue to arbitration. This process shall not impede or delay the grievance

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 arbitration process. All issues not previously raised, including threshold
2 issues, shall be raised by either party in writing within fifteen (15) week days
3 following the Employer's receipt of the demand for arbitration.

4 The Union and the Office of the State Employer will each nominate five (5)
5 arbitrators to serve on a panel to hear grievances appealed to arbitration. Any
6 arbitrator nominated by both parties shall serve on the panel. The Employer
7 and the Union may each strike up to three (3) names remaining on the other
8 party's list. All names not stricken shall serve on the panel.

9 The names of the arbitrators designated to serve on the panel and who agree
10 to serve shall be listed in alphabetical order and shall serve on a rotating
11 basis. Upon notice to the State Employer that a grievance is appealed to
12 arbitration subject to the approval of the Union's grievance committee, the
13 grievance will be assigned to the next arbitrator on the list. Upon notice to the
14 State Employer that the grievance has been approved for arbitration, the
15 Employer will send, within ten (10) weekdays, a request for arbitration to the
16 arbitrator so assigned and provide copies of the request to the affected
17 department and the Union.

18 Each request for arbitration shall require the arbitrator schedule and hold the
19 hearing within sixty (60) days of receiving the request for arbitration. The
20 parties are expected to set aside all normal business in order to schedule and
21 hold the hearing within sixty (60) days. By mutual written agreement, the
22 parties may waive the sixty (60) day requirement. Upon notice from the
23 arbitrator that the sixty (60) day time limit cannot be met, the State Employer
24 shall send a second request for arbitration to the next arbitrator on the list.

25 C 1 Arbitration:

26 a. An expedited arbitration system shall be used for all appeals to arbitration
27 that involve the involuntary separation of an employee from state
28 employment.

29 b. All provisions of section C, above shall apply to expedited arbitration
30 unless modified herein. The arbitrator selected shall be requested to hear
31 the case within 45 calendar days of being assigned to the case. By mutual
32 written agreement, the parties may waive the forty-five (45) day time limit.
33 Upon receipt of notice from the Arbitrator that the forty-five (45) day time
34 limit cannot be met, the Office of the state Employer shall send a second
35 request for arbitration to the next Arbitrator on the list.

36 c. Briefs, if any shall be filed simultaneously by the parties within 14 calendar
37 days of the last day of the arbitration hearing.

38 d. The decision of the Arbitrator shall be rendered within 14 calendar days of
39 the closing of the record. By mutual agreement, the Arbitrator may issue a
40 bench decision.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 During January of each year, the Union and the State Employer have the
2 right to remove one arbitrator each, from the panel. The Union and the
3 Office of the State Employer will mutually agree upon the replacement
4 arbitrator(s).

5 The Arbitrator will conduct the hearing in accordance with the rules of the
6 American Arbitration Association (AAA), except as otherwise provided for
7 in this agreement. The expenses and fees of the Arbitrator and the cost of
8 the hearing room, if any, shall be borne by the party losing the arbitration.
9 In the event the arbitrator rules that neither party totally prevails in the
10 arbitration, the expenses and fees of the arbitrator and the cost of the
11 hearing room, if any, shall be shared equally by the parties to the
12 arbitration. The expenses of a court reporter shall be borne by the party
13 requesting the reporter unless the parties agree to share such costs.

14 The Arbitrator shall only have the authority to adjust grievances in
15 accordance with this Agreement, as provided in the Civil Service Rules
16 and Regulations. The Arbitrator shall not have jurisdiction or authority to
17 add to, amend, modify, nullify, or ignore in any way the provisions of the
18 Civil Service Rules and Regulations or this Agreement and shall not make
19 any award which in effect would grant the Union or the Employer any
20 rights or privileges which were not obtained in the negotiation process.
21 The authority of the Arbitrator shall remain subject to and subordinate to
22 the limitations and restrictions on subject matter and personal jurisdiction
23 in the Civil Service Rules and Regulations.

24 The decision of the Arbitrator will be final and binding on all parties to this
25 Agreement, except as may be otherwise provided in the Civil Service
26 Rules and Regulations. Arbitration decisions shall not be appealed to the
27 Civil Service Commission, except any party may file with the State
28 Personnel Director a complaint that the Arbitrator's decision violates,
29 rescinds, limits, or modifies a Civil Service Rule or Regulation governing a
30 prohibited subject of bargaining. When the Arbitrator declares a bench
31 decision, such decision shall be rendered in writing within fifteen (15)
32 week days from the date of the arbitration hearing. The written decision of
33 the Arbitrator shall be rendered within twenty (20) week days from the
34 closing of the record of the hearing.

35 D. Hearing and Record: The arbitrator shall fix the time and place for each
36 hearing. Either party may be represented by representatives of their own
37 choice. A party wishing a stenographic record shall make arrangements
38 directly with a stenographer and shall notify the other party and the Arbitrator
39 of such arrangements in advance of the hearing. The requesting party shall
40 pay the cost of the record unless the parties agree to share such costs. If the
41 transcript is agreed by the parties to be, or in appropriate cases determined
42 by the Arbitrator to be, the official record of the proceeding, it must be made
43 available to the Arbitrator and to the other party.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

- 1 E. Attendance at Hearings: Persons having a direct interest in the arbitration are
2 entitled to attend hearings unless a party objects in which case the Arbitrator
3 shall decide on attendance. The Arbitrator shall have the power to sequester
4 any witness or witnesses during the testimony of other witnesses, except for
5 the grievant who shall be entitled to remain during the course of the hearing.
- 6 F. Adjournments: Adjournments may be granted by the Arbitrator upon the
7 request of a party for good cause shown or upon his or her own initiative and
8 shall adjourn if mutually agreed by the Union and the Employer. Cancellation
9 fees, if any, shall be paid by the requesting party unless the adjournment is by
10 mutual request.
- 11 G. Oaths: The Arbitrator may require witnesses to testify under oath
12 administered by the Arbitrator or other qualified person and, if requested by a
13 party, shall do so.
- 14 H. Evidence: The Arbitrator shall be the sole judge of the admissibility of the
15 evidence offered. The legal rules of evidence shall not apply.

16 **Section 3. Time Limits.**

17 Grievances may be withdrawn once without prejudice at any step of the
18 grievance procedure. A grievance which has not been settled and has been
19 withdrawn may be reinstated based on new evidence, not previously available,
20 within thirty (30) week days from the date of withdrawal.

21 Grievances not appealed within the designated time limits in Steps Two of the
22 grievance procedure will automatically result in the grievance being considered
23 closed. Grievances not answered by the Employer within the designated time
24 limits in any step of the grievance procedure shall be considered automatically
25 appealable and processed to the next step.

26 Where the Employer does not provide the required answer to a grievance within
27 the time limit provided at Steps One or Two, the time limits for filing at the next
28 step shall be extended for ten (10) additional week days. The time limits at any
29 step or for any hearing may be extended by written mutual agreement of the
30 parties involved at the particular step.

31 If the Employer Representative with whom a grievance appeal must be filed is
32 located in a city other than that in which the grievance was processed in the
33 preceding step, the mailing of the grievance appeal form shall constitute a timely
34 appeal if it is postmarked within the appeal period. Similarly, when an Employer
35 answer must be forwarded to a city other than that in which the Employer
36 Representative works, the mailing of the answer shall constitute a timely
37 response if it is postmarked within the answer period.

Section 4. Retroactivity.

Settlement of grievances may or may not be retroactive as the equities of the particular case may demand as determined by the Arbitrator. In any case, where it is determined that the award should be applied retroactively, except for administrative errors relating to the payment of wages, the maximum period of retroactivity allowed shall be a date not earlier than one hundred and eighty (180) calendar days prior to the initiation of the written grievance in Step One.

Employees who voluntarily terminate their employment will have their grievances immediately withdrawn unless such grievance directly affects their status upon termination or a claim of vested money interest, in which cases the employee may benefit by any later settlement of a grievance in which they were involved.

It is the intent of this provision that employees be made whole in accordance with favorable arbitral findings on the merits of a particular dispute; however, all claims for back wages shall be limited to the amount of straight time wages that the employee would otherwise have earned less any unemployment compensation, workers compensation, long term disability compensation, social security, welfare or compensation from any employment or other source received during the period for which back pay is provided; however, earnings from approved supplemental employment shall not be so deducted.

Section 5. Exclusive Procedure.

Except as otherwise provided in the Civil Service Rules or Regulations, the grievance procedure set out above shall be exclusive and shall replace any other procedure for adjustment of grievances.

Section 6. Processing Grievances.

Whenever possible, the Grievant, or group grievance representative, and the designated Union Representative shall utilize non-work time to consult and prepare. When such preparation is not possible, the grievant or group grievance representative(s) and the designated representative will be permitted a reasonable amount of time, not to exceed one-half (½) hour without loss of pay, for consultation and preparation immediately prior to any scheduled grievance step meeting during their regularly scheduled hours of employment. Overtime is not authorized.

One (1) designated Steward or Chief Steward and the grievant will be permitted to process a grievance without loss of pay. In a group grievance a Steward or Chief Steward and/or Union Staff Representative, and up to two (2) grievants shall be entitled to appear without loss of pay to represent the group. The Steward or Chief Steward must have jurisdiction at one of the work sites represented in the grievance.

The Employer is not responsible for compensating any employees for time spent processing grievances outside their regularly scheduled hours of employment.

The Employer is not responsible for any travel or subsistence expenses incurred by grievants or Stewards in processing grievances.

Section 7. Documents and Witnesses.

Upon written request, the Union shall receive specific documents or records available from the Employer, in accordance with or not prohibited by law, and pertinent to the grievance under consideration. Discretion permitted under the Freedom of Information Act shall not be impaired by this Section.

Upon request, prior to Arbitration, all documents not previously provided or exchanged which either party intends to use as evidence will be forwarded to the other party. However, such response shall not limit either party in the presentation of necessary evidence, nor shall either party be limited from introducing any document or evidence it deems necessary to rebut the case of the other. Documents requested under this Section shall be provided in a timely manner.

At least ten (10) week days before a scheduled Arbitration Hearing, the Union and the Employer shall exchange a written list of the witnesses they plan to call including those witnesses the Union requests be relieved from duty. Nothing shall preclude the calling of previously unidentified witnesses.

Employees required to testify will be made available without loss of pay; however, whenever possible, they shall be placed on call to minimize time lost from work. Employees who have completed their testimony shall return promptly to work when their testimony is concluded unless they are required to assist the principal Union Representative(s) in the conduct of the case. The intent of the parties is to minimize time lost from work.

ARTICLE 10

Disciplinary Action

Section 1. General

The parties recognize the authority of the Employer to reprimand in writing, suspend, discharge or take other appropriate disciplinary or corrective action against an employee only for just cause. Discipline, when invoked, will normally be progressive in nature; however, the Employer shall have the right to invoke a penalty which is appropriate to the seriousness of an individual incident or situation.

Section 2. Investigation and Representation

Allegations or other assertions of failure of proper employee conduct or performance are not charges, but constitute a basis for appropriate investigation by the Employer. The parties agree that disciplinary action must be supported by timely and accurate investigation. The employee will cooperate in the

1 investigation, to the extent possible including responding to questions related to
2 the investigation. Such investigations must be initiated within fifteen (15)
3 weekdays from the date that the Employer knew or could reasonably have known
4 of the employee's improper conduct or performance. Failure of the Employer to
5 act within the above cited time limit shall bar the Employer from taking any action
6 against the Employee relative to the specific conduct in question. Except in
7 unusual circumstances, such investigation shall be completed within 15 week
8 days of the initiation of the investigation.

9 An employee shall be entitled to a Union representative, if requested, at any
10 meeting at which disciplinary action may or will take place, or at any investigatory
11 interview of the employee by the Employer related to one or more specific
12 charges of misconduct against the employee. The Employer must advise the
13 employee if he/she is entitled to representation under the provisions of this
14 section, and of the purpose of such meeting prior to the meeting. It shall not be
15 the policy of the Employer to take disciplinary action in the course of an
16 investigation unless an emergency suspension or removal from the premises as
17 provided in this Article is warranted.

18 If the Union Representative is to be an attorney certified by the Union, the
19 employee or Union shall give as much notice as possible to the Employer.

20 Investigatory conference proceedings may not be taped or electronically
21 recorded in any other manner unless mutually agreed to by the employer and the
22 Union representative at the conference, except in the Departments of State
23 Police and Corrections.

24 **Section 3. Disciplinary Action and Conference.**

25 Except as otherwise provided in sections 3B and 4 of this Article, a disciplinary
26 conference shall be held within thirty (30) calendar days of completion of the
27 investigation, and discipline, if any, shall be imposed within thirty (30) calendar
28 days of the disciplinary conference.

29 A. Whenever an employee is to be formally charged with a violation which may
30 lead to discipline, or charges are in the process of being prepared, a
31 Disciplinary Conference shall be scheduled and the employee shall be
32 notified in writing of the claimed violation and disciplinary penalty or possible
33 penalty therefore, and of his/her right to representation at such conference.
34 Nothing shall prevent the Employer from withholding a penalty determination
35 until after the Disciplinary Conference provided herein has been completed.

36 Whenever it is determined that disciplinary action is appropriate, a
37 Disciplinary Conference shall be held with the employee, at which the
38 employee shall be entitled to Union representation. The representative must
39 be notified and requested by the employee. However, the Employer must
40 notify the employee of his/her right to such representation. No Disciplinary

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 Conference shall proceed without the presence of a requested
2 Representative.

3 The Representative shall be a local Steward or a Union Staff Person so that
4 scheduling of the Disciplinary Conference shall not be delayed. The employee
5 shall be informed of the nature of the charges against him/her and the
6 reasons that disciplinary action is intended or contemplated. Except in
7 accordance with Sections 3B and 4 of this Article, an employee shall be
8 promptly scheduled for a Disciplinary Conference. Questions by the employee
9 or representative will be fully and accurately answered at such meeting to the
10 extent possible. Response of the employee, including his/her own explanation
11 of an incident if not previously obtained, or mitigating circumstances, shall be
12 received by the Employer. The employee shall have the right to make a
13 written response to the results of the Disciplinary Conference which shall
14 become a part of the employee's file.

15 Disciplinary conference proceedings may not be taped or electronically
16 recorded in any other manner unless mutually agreed to by the Employer and
17 the Union representative at the conference.

18 The employee shall be given and sign for a copy of the written notice of
19 charges and disciplinary action, if determined. Where final disciplinary action
20 has not been determined, the notice shall state that disciplinary action is
21 being contemplated. The employee's signature indicates only that the
22 employee has received a copy of the form and shall state that the employee
23 does not necessarily agree with the charges or the proposed disciplinary
24 action. If the employee refuses to sign, the supervisor will write, "Employee
25 refused to sign", and sign his/her own name with the date. A witness
26 signature should be obtained under this circumstance.

27 B. In the case of an employee dismissed for unauthorized absence for three (3)
28 consecutive days or more, or who is physically unavailable, a Disciplinary
29 Conference need not be held; however, notice of disciplinary action shall be
30 given.

31 C. Notice: Formal notification to the employee of disciplinary action shall be in
32 the form of a letter or form spelling out charges and advising the employee of
33 the right to appeal. The employee must sign for his/her copy of this letter, if
34 presented personally, or the letter shall be sent to the employee by certified
35 mail, return receipt requested. If the employee refuses to sign, the supervisor
36 will write, "Employee refused to sign", and sign his/her own name with the
37 date. A witness signature should be obtained under this circumstance.

38 Dismissal shall be effective on the date of notice. An employee whose
39 dismissal is upheld shall not accrue any further leave or benefits subsequent
40 to the date of notice. If the employee has received and signed for a written
41 letter of reprimand, no notice is required under this Article.

D. Any employee who alleges that disciplinary action is not based upon just cause may appeal such action in accordance with the Grievance Procedure.

E. Any performance evaluation, record of counseling, reprimand, or document to which an employee is entitled under this Agreement shall not be part of the employee's official record until the employee has been offered or given a copy.

Section 4. Emergency Disciplinary Action.

A. Removal from Premises or Temporary Suspension: Nothing in this Article shall prohibit the Employer from the imposition of an emergency disciplinary suspension and/or removal of an employee from the premises in cases where, in the judgment of the Employer, such action is warranted. As soon as practicable thereafter, investigation and the Disciplinary Conference procedures described herein shall be undertaken and completed.

B. Suspension for Criminal Charge: An employee arrested, indicted by a grand jury, or against whom a charge has been filed by a prosecuting official may be immediately suspended in accordance with Section C, below, except if charged with a felony, in which case, the provisions of this section regarding felony charges shall apply. Such suspension may, at the discretion of the Appointing Authority, remain in effect until the indictment or charge has been fully disposed of by trial, quashing or dismissal.

Nothing herein shall prevent an employee from grieving the reasonableness of a suspension under this subsection, where the employee contends that the charge does not arise out of the job, or is not related to the job, except that suspension for a felony charge shall not be appealable while such charge is pending. The grievance may be filed directly to Step Two (2) and shall be promptly arbitrated.

An employee who has been tried and convicted on the original or a reduced charge and whose conviction is not reversed, may be disciplined or dismissed from the classified service upon proper notice without the necessity of further charges being brought, and such disciplinary action shall be appealable through the grievance procedure. The record from any trial or hearing may be introduced by the Employer or the Union in such grievance hearing, including arbitration. Under this circumstance a disciplinary conference will be conducted only upon written request of the employee.

An employee whose indictment is quashed or dismissed, or who is acquitted following trial, shall be reinstated in good standing and made whole if previously suspended in connection therewith unless disciplinary charges, if not previously brought, are filed within three (3) weekdays after receipt of notice at the central personnel office of the results of the case, and appropriate action in accordance with this Article is taken against such employee.

1 Nothing provided herein shall prevent the Employer from disciplining an
2 employee for just cause at any time irrespective of criminal or civil actions
3 taken against an employee or irrespective of their outcome.

4 C. Suspension for Investigation: The employer may suspend an employee from
5 duty, with or without pay, for investigation. A suspension for investigation
6 without pay may only be assessed against an employee based upon a
7 reasonable belief that the employee has engaged in a criminal activity. A
8 suspension for investigation which does not involve criminal matters shall not
9 exceed seven (7) consecutive calendar days.

10 In the event no disciplinary action has been taken by the end of the seven (7)
11 calendar day period, the employer shall either return the employee to active
12 employment status or convert the suspension to paid time. An unpaid
13 suspension for investigation which is based upon a reasonable belief that
14 criminal activity is involved shall not exceed seven (7) calendar days, unless
15 the employee has been charged with a felony. The employee shall lose no
16 pay or benefits for the period of the temporary suspension which exceeds
17 seven (7) calendar days. If the employee is given a disciplinary suspension
18 without pay for fewer days than the suspension for investigation, the
19 employee shall be made whole for all days in excess of the disciplinary
20 suspension, including any overtime to which the employee would have been
21 entitled.

22 **Section 5. Resignation in Lieu of Disciplinary Action.**

23 Where a decision is made to permit an employee to resign in lieu of dismissal,
24 the employee must submit a resignation in writing. This resignation shall be held
25 for twenty-four (24) hours after which it shall become final and effective as of the
26 time when originally given unless retracted during the twenty-four (24) hour
27 period. This rule applies only when a resignation is accepted in lieu of dismissal
28 and the employee shall have been told in the presence of a Representative that
29 he/she will be terminated in the absence of the resignation. The offer of such
30 resignation in lieu of dismissal shall be at the sole discretion of the Employer and
31 the resignation and matters related thereto shall not be grievable.

32 **ARTICLE 11**

33 **Counseling and Performance Review**

34 The intent of performance review and counseling is to inform and instruct
35 employees as to requirements of performance and/or conduct.

36 **Section 1. Performance Discussion or Review.**

37 The parties recognize that supervisors are required to periodically discuss and
38 review work performance with employees. Such discussions are not
39 investigations, but are opportunities to evaluate and discuss employee

performance and, as such, are the prerogative and responsibility of the Employer. An employee shall not have the right to a Union Representative during such performance discussion or review. Any discussions or documentation related to performance review shall remain confidential within the department unless disclosed by the employee. Only authorized Employer representatives, the employee, and the Union representatives authorized by the employee in writing, shall possess or have access to such records. Authorized Employer representatives within the department shall be limited to the employee's supervisors and Office of Human Resources personnel who are assigned responsibility for the employee in question. This section shall not be construed to expand or diminish a right of access to records as provided by the Michigan Freedom of Information Act, being act 442 of Public Acts of 1976, as amended, or as provided by the Bullard Plawecki Employee Right to Know Act, being act 397 of Public Acts of 1978, as amended.

Section 2. Informal Counseling.

Informal counseling may be undertaken when, in the discretion of the Employer, it is deemed necessary to improve performance, instruct the employee and/or attempt to avoid the need for disciplinary measures. Informal counseling will not be written up or recorded, except for the personal use of the participants.

Section 3. Formal Counseling.

A. When, in the judgment of the Employer, formal counseling is necessary, it may be conducted by the appropriate supervisor. Formal counseling may include a review of applicable standards and policies, action which may be expected if performance or conduct does not improve, and a reasonable time period established for correction and review.

Formal counseling will be prepared on a record of counseling form, a copy of which will be given to and signed for by the employee and a copy kept in the employee's personnel file. The employee's signature indicates only that the employee has received a copy of the form and shall state that the employee does not necessarily agree. Formal counseling is grievable in accordance with Article 9 through Step Two (2).

B. An employee shall not have the right to a designated Union Representative during counseling.

C. Formal counseling may not be introduced in a disciplinary proceeding except to demonstrate, if necessary, that an employee knew or knows what is expected of him/her.

D. The distinction between informal and formal counseling shall be maintained and a counseling memo, if any, shall be considered formal.

Section 4. Removal of Counseling Records.

Neither performance review, informal nor formal counseling shall be considered as disciplinary action nor as prerequisites to disciplinary action. The record of counseling shall be removed from the employee's personnel file after twelve (12) months of satisfactory performance during which the employee has not received a less-than-satisfactory service rating, been the subject of disciplinary action which has not been reversed, or received further formal counseling for the same or similar reason(s). In the event the Employer fails to remove the above-cited material at the conclusion of 12 months of satisfactory service as defined above such removal shall take place immediately upon discovery of the error or following the request of the employee.

Upon removal, these records will be sealed and will only be opened in the event that such records are needed to provide a defense for the Employer's actions in Civil Rights litigation. These sealed records will not be used for the purpose of initiating discipline against an employee.

Section 5. Relationship to Disciplinary Action.

Nothing in this Article shall prohibit the Employer from taking disciplinary action without the necessity of prior informal or formal counseling against an employee who, in the judgment of the Employer, commits a sufficiently serious offense.

ARTICLE 12

Seniority

Section 1. Benefit Seniority.

A. Definition: For the purposes indicated below, benefit seniority shall consist of the total number of continuous service hours of an employee in the state classified service, including non-classified service currently creditable under Civil Service Rules. No hours paid in excess of eighty (80) in a biweekly pay period shall be credited. No hours shall be credited for service in non-career appointments, on lost time, suspension without pay, leave of absence without pay (except for military leave of absence for up to 10,400 hours), or layoff.

B. Application: Benefit Seniority as defined above shall only be used for:

(1) Annual Leave Accrual.

(2) Longevity pay.

(3) Retirement Credit. Unless in conflict with statutory requirements, in which case the statutory provisions shall apply.

C. Breaks in Benefit Seniority: Seniority and the employment relationship shall be terminated when an employee:

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

- (1) Quits or resigns; or
- (2) Is discharged; or
- (3) Is laid off and fails to report to work within ten (10) calendar days after having been recalled; or
- (4) Does not report for work within seventy-two (72) hours after the termination of an authorized leave of absence; or
- (5) Is laid off for a period in excess of three (3) years or the extension of the recall rights in accordance with Article 13; or
- (6) Retires or is retired.

D. Reinstatement (Bridge) of Benefit Seniority: If an employee's seniority is broken and the employee is subsequently appointed to a position in the Unit, previous seniority shall be credited for the purposes and in the manner provided below:

- (1) Annual Leave Accrual: After the employee completes a total of 10,400 hours of credited continuous state service following the most recent career appointment; and
- (2) Longevity Pay: After the employee completes a total of 10,400 hours of credited continuous state service following the most recent career appointment; and
- (3) Retirement Credit: Only as provided by statute. However, military service previously credited shall not be credited for purposes of benefit seniority, if the employee previously qualified for and received these benefits.

Section 2. Bargaining Unit Seniority.

A. Definition: For the purposes stated below, Bargaining Unit seniority shall be defined as provided in Section 1 of this Article, Benefit Seniority, except that Bargaining Unit seniority shall not include any of the following service, if such service has been credited to Continuous Service Hours:

- (1) Military service time earned prior to appointment to the state classified service;
- (2) Service in any excepted or exempted position in State Government which immediately preceded entry into the state classified service;
- (3) More than 1040 hours of service in a position defined as "excluded" under the Employee Relations Policy, if such service was earned after the effective date of this Agreement.

B. Application: Bargaining Unit Seniority as defined in Subsection A above shall be used for:

- 1 (1) Vacation Scheduling (Article 25); and
- 2 (2) Assignment and Transfer (Article 16); and
- 3 (3) Layoff, Reduction of Hours and Recall (Article 13); and
- 4 (4) Such other purposes expressly agreed to by the parties.

5 C. Assumptions: An employee granted service credit under Civil Service Rule 2-
6 16, Assumptions, shall not use such credit for purposes of reassignment,
7 transfer, layoff or recall.

8 **Section 3. Seniority Lists.**

9 A. Benefit Seniority Lists: Shall be prepared by the Employer structured by
10 Department, Agency, Mail Code or TKU, Class and Level, and continuous
11 service hours in descending order, of all Bargaining Unit employees on the
12 payroll on the preparation date. In April and October of each year, the
13 Employer shall provide to the designated Union representative this list
14 electronically, without cost to the Union.

15 Additional lists requested during the calendar year shall be provided at full
16 cost to the Union. Errors reported shall be investigated and, if verified,
17 corrected by the Appointing Authority.

18 B. Bargaining Unit Seniority Lists: Shall be prepared by the Employer, structured
19 by Department, Agency, TKU or Mail Code, Class and Level, and hours in
20 descending order of all Bargaining Unit employees on the payroll on the
21 preparation date. In April and October of each year, the Employer shall
22 provide to the designated Union representative this list electronically.

23 An employee or the Union shall notify the Departmental Employer of any error
24 in the current seniority list within thirty (30) calendar days following the date
25 such list was provided to the Union. Any error timely reported shall be
26 promptly corrected. If no error is reported within thirty (30) calendar days, the
27 list will stand correct as prepared and will thereupon become effective.

28 For the purpose of Article 13 only, Layoff, Reduction of Hours, and Recall,
29 when a layoff is being implemented, the Appointing Authority shall update
30 such seniority lists no more than six (6) weeks prior to the effective date of the
31 layoff. The updated list shall be used to determine the layoff and bumping
32 rights of unit employees scheduled for layoff.

33 **Section 4. Limitations.**

34 Initial probationary employees who are in satisfactory standing may use
35 Bargaining Unit Seniority as defined in Section 2.A of this Article for purposes of
36 layoff, reduction of hours and recall as provided in Section 2.B. Initial
37 probationary employees shall not be granted, and shall not exercise, any other
38 seniority rights as specified in this Agreement. Upon successful completion of the

1 initial probationary period, such employees shall receive seniority credit for the
2 hours accumulated during the probationary period and their name shall be
3 entered on the seniority lists.

4 Adjustments to economic benefits that may be required due to an error in the
5 seniority computation shall be made by the Employer as soon as practicable
6 following notice of the error pursuant to Section 3 above.

7 **Section 5. Construction/Coordination of New Seniority Lists.**

8 The Employer shall continue to use the seniority lists used prior to the effective
9 date of this Agreement until a new seniority list is established pursuant to this
10 Section.

11 Notwithstanding the provisions of Section 3 above, within 30 days after the
12 effective date of this Agreement the Employer shall provide to the Union new
13 seniority lists at no cost to the Union.

14 **ARTICLE 13**

15 **Layoff, Reduction of Hours, and Recall**

16 **Section 1. Layoff and Option of Reduction of Hours.**

17 A. UTEA recognizes the right of the Employer to layoff, including the right to
18 determine the extent, effective date and length of such layoffs, for lack of
19 funds, lack of work, or as mandated by law. The Employer shall have the right
20 to determine the positions to be abolished when a layoff or work force
21 reduction is deemed necessary.

22 (1) An Executive Order, if issued and approved, reducing departmental
23 spending and/or wage and salary appropriations, shall permit the
24 Employer to lay off unit employees as necessary to comply with such
25 order.

26 (2) Department and agency reductions in spending in preparation for lapses
27 in spending authorizations necessary to balance the state's budget, in
28 accordance with instructions to departments approved by the Governor,
29 shall permit the Employer to lay off unit employees.

30 (3) It is understood and agreed that Sections 5 and 6 of this Article contain
31 alternatives to indefinite layoff.

32 (4) No arbitrator may attach any conditions to the use of indefinite layoffs or
33 options provided below which are not expressly provided in the language
34 of this Article.

35 B. Application of Procedure:

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 (1) Layoff, bumping, recall, reduction of hours, and temporary layoffs of
2 Bargaining Unit employees shall be exclusively governed by and in
3 accordance with this contract and this Article.

4 (2) The expiration of a limited term appointmentA shall not be considered a
5 layoff for purposes of this Article, except as otherwise provided in this
6 Agreement. An employee with status acquired in a limited term
7 appointment, and separated because of the expiration of that
8 appointment, may be reinstated within three (3) years in any vacancy in
9 any department in the same class and level as that from which the
10 employee was separated. Such reinstatement may precede employment
11 of any person from a promotional list and any person with less seniority on
12 a layoff list. However, in the case of a Continuing State Classified
13 Employee who accepted an appointment to a limited term position, the
14 employee may exercise employment preference at the end of the limited-
15 term appointment. Employment preference begins at the last classification
16 level at which the employee achieved status in an indefinite appointment
17 before accepting the limited-term appointment. Employment preference
18 may be exercised only within the principal department or autonomous
19 agency that appointed the employee to the limited term appointment.

20 A person who is recalled on a limited term basis is not eligible to exercise
21 employment preference at the end of the limited-term appointment but
22 shall be returned to all recall lists for which the employee is eligible.

23 When the Employer determines that a limited term vacancy is to be filled,
24 the applicable recall list for that class/level shall be utilized prior to any
25 other method for filling such vacancy.

26 (3) Union Notice of Layoff, Bumps, Reduction of Hours or Temporary Layoffs:
27 When layoffs, bumps, reduction of hours or temporary layoffs are being
28 planned, the Employer will notify the Union, in writing, of the impending
29 action(s) prior to issuance of any notices to affected employees. Such
30 notice shall be provided no later than thirty (30) calendar days prior to the
31 action being planned. If the Union makes a written request within five (5)
32 calendar days of the notice provided herein, the Employer will meet and
33 discuss the reasons for the action, the details of how it is to be
34 implemented, possible alternatives to solve the problem, and the potential
35 impact upon unit employees caused by the action. Such meeting shall be
36 held within five (5) calendar days of the written request by the Union for
37 such meeting. No layoff, bump, reduction of hours or temporary layoff may
38 be implemented prior to the required notification to the Union or prior to
39 discussion between the Union and the Employer if requested by the Union
40 in accordance with the time frames above.

41 Concurrent with notices being sent to affected employees, the Employer
42 shall furnish the Union with the name, class title, current layoff unit, and
43 seniority of each employee holding a position scheduled for such action

Article 13

and scheduled initially to be laid off. It is recognized that employee choices and ultimate bumping rights preclude the Employer from providing information beyond that required herein. Whenever the Union has a good faith doubt as to the accuracy of any information provided, it may promptly request and receive a conference with the particular department/agency to receive additional information or to correct agreed-upon errors. As soon as feasible, or no later than twenty (20) calendar days upon request from the Union, after the completion of such actions, the Union shall be entitled to receive a list of such actions. Layoff from state employment shall be the term applied to an employee who is out of a job by virtue of being laid off or bumped and who has elected to be laid off, or has exhausted or has no bumping rights.

Section 2. Voluntary Layoffs.

The parties agree to support any necessary change in rule or law to make it possible for a more senior employee to voluntarily agree to accept layoff for a minimum period of three (3) months without loss of eligibility for unemployment compensation. The parties also agree that any additional agreement reached between them during the term of this contract regarding Employer and employee rights and responsibility in the event voluntary layoffs are used shall become incorporated as an appendix to this Agreement.

Before any layoff of a unit member is implemented, the Employer agrees to first seek volunteers for layoff from among employees in the classification and at the work location where the layoffs are planned to occur. The Employer further agrees that it shall consider such layoffs as normal (involuntary) layoffs for purposes of paying unemployment compensation benefits, and shall not contest such employees' right to collect unemployment benefits.

Section 3. Voluntary Reduction in Hours.

Nothing in this Article shall prohibit the Employer from granting an individual employee request to reduce his/her hours, consistent with operational needs.

Section 4. General Layoff Procedure.

A. Selection of Positions: When the Employer determines that a general (indefinite) layoff is to take place, the Employer shall determine the position(s) in which services are to be reduced and which are to be abolished. No obligation exists to select positions for elimination on the basis of the incumbents' seniority.

B. Individual Layoff Notice: An employee occupying a position identified in accordance with Subsection A above shall have the right to either accept layoff from state employment or, as permitted by his/her seniority, to bump to another position for which he/she is qualified in accordance with this Section. An employee occupying a position designated for layoff, and an employee who may or will be bumped from his/her position as a result of such layoff,

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 shall be entitled to receive fifteen (15) calendar days forenotice by first class
2 mail from the Employer of such fact.

3 C. Definition:

4 (1) Seniority: For purposes of layoff, bumping and recall in Bargaining Unit
5 positions, seniority shall be as defined in Article 12, Section 2, Bargaining
6 Unit Seniority.

7 a. Ties in Seniority: In the event two (2) or more employees are tied in
8 seniority, seniority for purposes of breaking the tie shall be determined
9 by length of continuous service at the current level and any higher
10 level(s) and then at successively lower levels of service. Ties in
11 seniority which cannot be resolved on the basis of seniority in
12 accordance with this Section shall be resolved by reference to the last
13 four digits of the employee's identification number with the highest
14 being deemed as the most senior.

15 b. Union Officials: For purposes of this Article, the following named Union
16 officials shall be considered more senior than any other employee in
17 his/her current class and level and layoff unit, but only during the
18 employee's term of office, and subject to the limitations stated below:

19 Union President;

20 Statewide Grievance Chairperson;

21 One Chief Steward in each of fourteen (14) designated areas.

22 Not more than one (1) employee in any layoff unit shall be accorded
23 such greater seniority status at any one time. No employee shall be
24 accorded such greater seniority status until thirty (30) calendar days
25 after written designation has been provided to the employee's
26 Appointing Authority by the Union President or Secretary. In no case
27 shall a new or changed designation be effective if it occurs after a
28 layoff notice has been issued and it would alter such layoff or the
29 bumping pattern.

30 c. Excluded Managerial, Supervisory, Confidential and Eligible Non-
31 Exclusively Represented Employees: An excluded supervisory,
32 managerial or confidential or an eligible non-exclusively represented
33 employee who formerly achieved status in or satisfactorily completed a
34 probationary period in a class and level currently assigned to the
35 Bargaining Unit, or in a class which was allocated through bench
36 marking to a class and a level in the Bargaining Unit, shall have
37 contractual seniority for purposes of layoff, bumping and recall in this
38 Bargaining Unit.

An excluded employee who moved to such excluded employment prior to January 13, 1983 shall retain all seniority earned up to January 13, 1983, and thereafter up to 1040 continuous service hours in such non-Unit employment. An excluded employee who moves to such excluded employment on or after January 13, 1983 shall retain all continuous service for purposes of seniority earned up to the effective date of such excluded employment, and thereafter up to 1040 continuous service hours in such excluded employment.

d. Non-Status Employees: An employee who has not achieved status in any class or level in the state classified service shall be considered less senior, regardless of continuous service hours, than any other employee in the non-statused employee's current class and level and layoff unit, if such other employee has achieved status in at least one classification in the state classified service.

e. Reinstated Employees: If a discharged employee is reinstated by an Arbitrator pursuant to this contract, and would have been laid off during the period of separation but for the discharge, the employee shall be credited with only the seniority he/she would have accrued, but for the discharge, up to the effective date of layoff, and the fifteen (15) day notification period shall be waived in such circumstances.

(2) Layoff Unit: A layoff unit shall be as provided in Appendix D of this Agreement, and includes all Bargaining Unit positions within a Department.

D. Bumping Procedure:

(1) Bumping Rights: An employee scheduled for layoff or due to be bumped by a more senior employee shall have the right to either accept layoff or to bump laterally into the least senior Bargaining Unit position, for which he is qualified, in the employee's current class and level in the layoff unit.

Except as provided in Appendix D of this Agreement, if the employee does not have sufficient seniority or lacks the qualifications to bump to the least senior position in the employee's current class and level in the layoff unit, the employee shall have the right to bump to the least senior position at the next and successively lower levels within his/her class series, provided the employee has greater seniority than the employee occupying such least senior position and that the employee seeking to bump possesses the necessary qualifications.

As an alternative to bumping to a lower level in his/her current class series, at the point where the employee could retain a higher base rate of pay an employee may bump into a position in the layoff unit in a former class series at or below any level at which the employee had achieved status or had satisfactorily completed a probationary period, provided the

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

position is in the Bargaining Unit, and the employee seeking to bump is more senior and is qualified to perform the duties. This alternative shall not be interpreted to permit bumping to a higher base pay rate.

For purposes of this Article, an employee scheduled for layoff may bump into a vacancy which the employer intends to fill or, in the absence of such a vacancy, bump into the position occupied by the least senior employee as defined by Subsection C(1) above. The term "qualified" means able to perform the duties of the position within fifteen (15) calendar days.

As a result of bumping downward an employee shall not earn more than the maximum base rate of the lower level class bumped into or more than the base rate previously earned in a higher level class from which the employee bumped. When an employee bumps downward, the employee shall be paid at that step in the lower pay range which credits the service in the higher level range(s) to the step at which the employee was paid when promoted from the lower level.

Within seven (7) calendar days of receipt of notification of layoff (or being bumped), the employee shall notify the appointing authority of his/her decision to either accept layoff or exercise the bumping option provided in this Article. Such notice shall be in writing.

(2) Exercise of Bumping Rights by Employment Type: It is understood that employees will exercise bumping rights only as indicated below:

a. Full-time employees first displace the least senior full-time employee; the least senior full-time employee is then given the option of displacing the least senior part-time employee or of accepting layoff; then of displacing the least senior permanent-intermittent employee or of accepting layoff.

b. Part-time employees first displace the least senior part-time employee; then the least senior part-time employee is given the option of displacing the least senior permanent-intermittent employee or of accepting layoff.

c. Permanent-intermittent (PI) employees first displace the least senior PI employee; the least senior PI is given the option of displacing the least senior part-time employee or of accepting layoff.

It is also understood that the attributes of full-time, part-time, or intermittent employment accrue to the position and not the employee. Therefore, by way of example, if an employee bumps from a full-time position to a part-time position, that employee will work part time.

(3) Except as provided in Section 4C (1)c of this Article for excluded employees, and non-exclusively represented employees, employees in this Bargaining Unit shall not be entitled to bump into a position outside of

Article 13

1 this Bargaining Unit, and employees outside of this Bargaining Unit shall
2 have no right to bump into a position in this Bargaining Unit, unless the
3 Union, the Employer, and the other bargaining agent for such positions
4 outside the Bargaining Unit, in their respective discretions, enter into an
5 agreement to permit such inter-Unit bumping, but then only in accordance
6 with the terms of such tri-lateral agreement. Nothing herein shall be
7 construed as an obligation for either the Employer or the Union to enter
8 into such agreement with any party who is not a party for this Agreement.
9 No employee covered by this Section shall be allowed to fill a vacancy in
10 the Bargaining Unit except in accordance with the provisions of this
11 Section or in accordance with Article 16, Assignment and Transfer, of this
12 Agreement.

13 **E. Seniority Exceptions in Layoffs:**

14 The Employer may lay off, bump, reassign and/or recall out-of-line seniority
15 because of:

16 (1) Selective Certification requirements approved by the Civil Service
17 Commission;

18 (2) Maintaining and administering an affirmative action program in
19 accordance with applicable law and when approved in advance by the
20 State Personnel Director.

21 The exceptions listed in (1) above shall only be made where there is a valid
22 occupational requirement and no alternative exists for preferring the less
23 senior employee.

24 The Appointing Authority shall give the Union concurrent written notice when
25 it requests approval from the Civil Service Commission for selective
26 certification.

27 The Employer shall give notice of such intent to the Union and, in accordance
28 with Civil Service Commission Rules and Regulations, shall negotiate with the
29 Union about the impact of such determination and/or discuss alternatives
30 thereto. No department shall implement Subsection (2) above without the
31 involvement and agreement of the State Employer.

32 **Section 5. Reduction of Hours.**

33 Nothing in this Agreement shall preclude the Employer from offering employees
34 the option of a voluntary reduction of hours, which may be accepted at the
35 discretion of the employee.

36 **Section 6. Temporary Layoffs - Employer Option.**

37 A. Application of Temporary Layoffs: Temporary layoffs may be used for
38 situations involving:

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

- 1 (1) Unanticipated losses of funding which the department or agency does not
2 expect to obtain or make up within the temporary layoff period. Issuance
3 of a Governor's Executive Order approved by the Legislature shall be
4 evidence of unanticipated loss of funding. Losses of or reductions in
5 federal funds, restricted state funds, bond sales or any other source of
6 state revenues shall also qualify as unanticipated losses of funding under
7 this section; or
- 8 (2) Temporary lack of work, equipment, or materials due to circumstances or
9 events beyond the Employer's control; or
- 10 (3) Natural disaster, lack of utilities or civil disruption that, in the judgment of
11 the Employer, makes premises at a work site inaccessible or unusable; or
- 12 (4) Other circumstances or events which the parties agree during the term of
13 this Agreement warrant a temporary layoff.
- 14 B. Implementation: Temporary layoff shall not exceed six (6) calendar days per
15 fiscal year. In such cases employees shall be laid off by inverse seniority
16 order within class and level and layoff unit or, in a circumstance where not all
17 work sites in a layoff unit are involved, by inverse seniority order within class
18 and level and work site. However, where the Employer determines to
19 temporarily lay off all Bargaining Unit employees in a class and level in a
20 layoff unit, it may do so in the following manner:
- 21 (1) The cumulative period per employee may not exceed six (6) calendar
22 days per fiscal year;
- 23 (2) All employees in a class and level shall be laid off in approximately equal
24 numbers for an equal number of days; and
- 25 (3) Such sequential layoff days shall be on successive work days.
- 26 (4) Employees shall continue to accrue benefits and seniority during such
27 temporary layoff.
- 28 C. Waiver: An employee who is temporarily laid off shall not be entitled to any
29 leave balance payoffs, to bump to any other position, nor to be placed on any
30 recall list or be recalled to any position other than the one from which the
31 employee was temporarily laid off.
- 32 In a circumstance where temporary layoff is being used for a reason other
33 than loss of funding, fifteen (15) calendar days fore notice to the employee
34 shall not be required, but the maximum fore notice possible under the
35 circumstances shall be required.

36 **Section 7. Recall Lists.**

- 37 A. Definitions: For purposes of this Article, the following definitions shall apply:

1 (1) The Primary Class is the class and level from which an employee is
2 initially laid off or bumped.

3 (2) The Secondary Class is a class and level, other than the primary class in
4 which the employee has achieved status or has satisfactorily completed a
5 probationary period, and any lower level class in that series.

6 (3) The Layoff Unit Recall List is a list, by class and level, of each employee
7 who has been laid off or bumped from a position in the layoff unit.

8 (4) The Departmental Recall List is a list, by class and level, of each
9 employee who has been laid off or bumped from a position in the
10 department.

11 (5) The Statewide Recall List is a list, by class and level, of each employee
12 who has been laid off or bumped from a position in the State Classified
13 Service.

14 B. Construction of Lists: Layoff Unit, Departmental and Statewide Recall lists
15 shall be maintained by the Employer by seniority for each class and level
16 within the Bargaining Unit. Each employee who is laid off from state
17 employment, or who bumps to a lower level within his/her current series, or to
18 the same or lower level in a formerly held class series, shall have his/her
19 name placed upon the Layoff Unit Recall List for the class and level from
20 which the employee has been laid off or bumped (Primary Class).

21 In addition, the laid off (or bumped) employee shall have his/her name placed
22 upon the Layoff Unit Recall List for a Secondary Class, in seniority order.

23 In addition, the laid off (or bumped) employee shall have his/her name placed
24 upon the Departmental Recall List, in order of seniority, for the Primary and
25 any Secondary Class for which he/she is eligible, for each layoff unit in the
26 department at which he/she will accept recall to employment.

27 In addition, the laid off (or bumped) employee shall have his/her name placed
28 upon the Statewide Recall list, in order of seniority, for the Primary Class and
29 any Secondary Class for which he/she is eligible, for each County to which
30 he/she will accept recall to employment.

31 The employee's name will be placed on applicable recall lists upon the return
32 of the required form(s) to the Appointing Authority.

33 An employee may delete his/her name from any Recall List upon which
34 he/she has requested to be placed, without penalty, at any time prior to being
35 recalled from such list, by giving written notice of such request to his/her
36 Appointing Authority. Similarly, without penalty, the employee may also delete
37 a layoff unit or county from the respective Departmental or Statewide Recall
38 List, to which he/she has requested his/her name be placed.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 C. Recall from Layoff: The provisions of this subsection shall be applied subject
2 to the exceptions in Section 4E of this Article, and subject to the employee
3 being qualified.

4 Notice of recall shall be sent to the employee at his/her last known address by
5 registered or certified mail.

6 When the Appointing Authority intends to recall employees, the Employer
7 shall recall the most senior, qualified employee who is on the Layoff Unit
8 Recall List for the class and level in which the vacancy exists, (regardless of
9 whether the class and level is the employee's Primary or Secondary Class). If
10 the most senior qualified employee does not accept the recall, the employer
11 shall then recall the next and successively less senior qualified employee on
12 the list.

13 If no qualified employee is on such Layoff Unit Recall List, the Employer shall
14 recall the most senior qualified employee from the Departmental Recall List,
15 for the class and level, who has designated the layoff unit in which the
16 vacancy exists as one to which he/she will accept recall.

17 If the most senior qualified employee does not accept the recall, the Employer
18 shall then recall the next and successively less senior qualified employee on
19 such list who has designated that layoff unit.

20 If no qualified employee is on such Departmental Recall List, the Employer
21 shall recall one of the three most senior qualified employees from the
22 Statewide Recall List, for the class and level, who have designated the
23 County in which the vacancy exists as one to which he/she would accept
24 recall.

25 Recall lists shall not be combined with referral lists, or with promotional or
26 open competitive registers.

27 The employee's right to recall shall exist for a period of up to six (6) years
28 from the date of layoff unless forfeited in accordance with Subsection D
29 below.

30 If there is an error in the administration of the Recall Lists which leads to
31 improper recall, such recall shall be corrected.

32 D. Removal of Names from Recall Lists: If an employee fails to respond within
33 seven (7) calendar days from the date of receipt of his/her recall notice, the
34 employee's name shall be removed from the Recall List used to make that
35 recall. In addition, the employee's name shall be removed from recall lists as
36 provided below:

37 (1) An employee who accepts or refuses recall to his/her Primary Class in the
38 layoff unit from which he/she was originally laid off shall be removed from
39 all recall lists.

(2) An employee who does not accept recall to his/ her Primary Class in a different layoff unit or different county shall be removed from that recall list.

(3) An employee who accepts recall to his/her Primary Class in a layoff unit different from the one from which he/she was laid off shall be removed from all recall lists except for the Primary Class for the layoff Unit from which he/she was laid off.

(4) An employee who refuses or accepts recall to a Secondary Class shall be removed from the Secondary Class recall list for the layoff unit in which the recall was offered.

(5) An employee who refuses or accepts recall to a Primary Class or Secondary Class from a Statewide Recall List shall be removed from such list.

Note: An employee's name shall not be removed from a Layoff Unit Recall List if the employee refuses recall because he/she is medically disabled or on active military duty, and produces satisfactory certification of such fact to the Employer.

E. The Employer also agrees to provide the Union, upon quarterly request, with copies of the layoff unit, departmental and statewide recall lists for Bargaining Unit classes.

Section 8. Temporary and Other Recall.

Employees laid off from State employment may designate agreement to be recalled on a temporary basis (not to exceed sixty (60) calendar days) to a Primary or Secondary Class in his/her layoff unit. Temporary recall shall be on the basis of the most senior qualified employees designating such agreement. Refusal of such recall shall cause the employee to be removed from the temporary recall list, but such removal shall not affect the employee's place on a permanent recall list.

It shall be the policy and practice of the Employer to recall full time employees laid off from State employment to less than full-time positions, if such employees are willing to accept less-than full-time work, before hiring any less-than full-time employees.

Section 9. Layoff and Recall Information to the Union.

The Employer agrees to provide the Union with copies of relevant portions of seniority list(s) which are used to determine which employees are to be laid off. Copies of all lists covered in this Section, as well as any additions, deletions, or alterations, will be forwarded to UTEA within seven (7) days following notice to employees of layoff or within seven (7) days following any additions, deletions or alterations.

Section 10. Coordination of Recall.

Recall shall be on the basis of the contractual definition of seniority. Employees laid off (or bumped) prior to the January 13, 1983 whose seniority recalculation would have the effect of making them more senior than an employee still working in the class and level shall not be entitled to displace the employee still working.

Nothing in this Section is intended to preclude normal recall of such employees.

Section 11. Annual Leave/Sick Leave Restoration.

An employee who has been laid off from state employment, and whose annual leave balance has been paid off, who is later recalled, may elect to "buy back" annual leave in accordance with the provisions of Article 25, Section 2H, Annual Leave Buy Back. Sick leave restoration shall be made in accordance with the provisions of Article 25, Section 1F, Return to Service.

ARTICLE 14

Health and Safety

Section 1. General.

The Employer shall make every reasonable effort to provide a safe and healthful place of employment free from recognizable hazards. All employees shall be required to comply with safety/health rules and regulations established by the Employer. If an employee has justifiable reason to believe that his/her safety and health are endangered due to an alleged unsafe working condition, or alleged unsafe equipment, the employee shall inform the supervisor.

Section 2. Physical Examinations.

Whenever the Employer requires an employee to submit to a medical examination, x-rays or inoculations, or test, the Employer shall pay the entire cost of such services not covered by health insurance programs. An employee required to take a medical examination and who objects to the exam by a State employed doctor may be examined by a doctor mutually approved. In the absence of mutual agreement, the parties will select a physician from recommendation by a county or local medical society, by alternate striking if necessary.

Section 3. Personal Injury.

When an employee, while on the job, has been assaulted, or injured and when such assault or injury requires the employee's absence from work as documented by a doctor's statement, the employee shall be placed on administrative leave from the time of assault or injury through the end of the shift on which the assault or injury occurred. If an employee subsequently receives worker's compensation payments covering the same period of time, the

1 employee shall turn over such worker's compensation payments to the
2 Appointing Authority.

3 The Employer shall pay all medical costs connected with such assault or injury to
4 the full extent required by worker's compensation statutes.

5 No employee who has been placed on workers' compensation may have his or
6 her employment with the state terminated, except in accordance with the
7 provisions of the collective bargaining agreement or the workers' compensation
8 statute, unless the employee has been classified as totally disabled.

9 **Section 4. Employee Services.**

10 The Union and the Employer recognize that less than satisfactory performance
11 can be a consequence of behavioral difficulties attendant to physical, emotional
12 or mental illness, substance abuse or family and personal conflicts. Without
13 diminishing the Employer's right to discipline employees for just cause, the
14 Employer shall maintain existing Employee Services Program and/or advise
15 employees relative to counseling and other reasonable or appropriate services
16 available to employees. Appropriate consideration, prior to disciplinary
17 determinations, shall be given to an employee's involvement in such programs.
18 The Union agrees to encourage employees afflicted with any such condition to
19 participate in these services.

20 **Section 5. First Aid.**

21 It is the expressed policy of the Employer and the Union to cooperate and to
22 promptly resolve health and/or safety problems in all work locations under the
23 Employer's control.

24 The Employer agrees to comply with all laws applicable to its operations
25 concerning training in the latest first aid techniques, including Cardio Pulmonary
26 Resuscitation (CPR) training given in a MIOSHA accepted program.

27 The Employer shall maintain first aid supplies and equipment in accordance with
28 American Red Cross standards, as required by applicable law.

29 The telephone numbers of the local fire department, police department,
30 emergency medical service (EMS) or municipal ambulance service, and other
31 appropriate services shall be prominently posted.

32 **Section 6. Inspections.**

33 Whenever an inspector or investigator from any federal governmental
34 organization if authorized, or the state, makes a safety or health inspection at a
35 work place, the Union shall be notified as much in advance as possible by the
36 Employer. A local Union representative, preauthorized by the Union if on duty at
37 such work place, shall be released from work without loss of pay or benefits to
38 accompany such inspector or investigator in his/her inspection. The Employer
39 shall not diminish such Union official's rights to ask questions and/or make

appropriate statements pertaining to the subject inspection. The Employer agrees to implement the results of any such investigation in accordance with the provisions of Article 14, Section 11.

Section 7. Health and Safety Committees.

Where a Department Health and Safety committee has been established the Union shall be permitted one (1) representative. Additional representatives may be added upon mutual agreement.

The Union representative shall receive administrative leave for attendance at meetings of the Committee. The Committee shall meet at least quarterly and more frequently upon mutual agreement.

The purpose of the Committee is to engage in Health and Safety related activities such as review accident reports or potentially hazardous situations; receive and investigate allegations of possible safety violations; review existing safety policies, procedures and/or equipment; review or develop alternate methods, procedures or equipment and make recommendations; address public awareness campaigns; develop training programs and/or policies and cooperatively support full compliance with established safety procedures and proper use of safety equipment.

Section 8. Employee Safety.

In a situation which the Employer determines presents immediate danger to an employee(s), the Employer shall immediately correct the dangerous situation to the extent possible, or such employee(s) shall be either:

A. Relocated to another work site, or

B. Put on administrative leave (not to exceed seven (7) calendar days) until the work location has been made safe and healthful.

C. An employee who has reasonable cause to believe he/she is in imminent danger of loss of life or serious bodily injury may leave the work site to notify a supervisor or higher authority after taking reasonable measures to protect the public, other employees and/or the property of the Employer.

Section 9. Emergency and Evacuation Plans.

The Appointing Authority shall provide the Union with copies of non-confidential portions of all current emergency and evacuation plans and shall also provide copies of such plans as they are changed and/or updated.

Section 10. Protective Footwear, Clothing and Devices.

The Employer reserves the right to require employees to wear protective clothing (including footwear) or protective devices, to protect employees from existing or potential safety or health hazards.

1 If any employee is required to wear protective clothing, or any type of protective
2 device as a condition of employment, such protective clothing or protective
3 device shall be furnished to the employee by the Employer. In lieu of providing
4 protective clothing or devices, the Employer may pay an allowance for such
5 clothing or devices in which event the employee shall be responsible for
6 providing such clothing or devices. Such allowance shall not exceed the price
7 established by the State Purchasing Division unless an exception or waiver can
8 be obtained from the State Purchasing Division. The Employer will request such
9 waiver whenever it is unable to provide the protective device it requires. Where
10 safety shoes are required, an employee, at his or her option, may elect to receive
11 shoes provided by the Employer or receive an allowance in accordance with
12 Article 24 plus any medically required options, once per calendar year. In any
13 event, such allowance shall not exceed the actual cost of the
14 employee-purchased protective item.

15 The cost of repairing and maintaining the protective clothing and devices in
16 proper working condition (including cleaning/laundrying) required and furnished
17 to the employee by the Employer, shall be paid by the Employer.

18 If the Employer requires an employee to wear safety glasses, and the employee
19 needs corrective lenses, the Employer shall furnish such glasses after the
20 employee has presented the Employer with the required prescription. The
21 employee shall bear the cost of any eye examination.

22 If an employee has significant problems with all of the available frames, the
23 employee will bring such problem to the attention of the departmental employer.
24 In such case, the departmental employer will resolve the problem.

25 All protective clothing (except footwear) and devices furnished by the Employer
26 remain the property of the Employer and are only to be used in accordance with
27 Departmental or Agency work rules. Upon separation, all items, other than those
28 worn out through normal use, shall be returned (or paid for) by the employee
29 before the final paycheck is issued.

30 Whenever protective items are prescribed by the Michigan Department of Labor
31 and Economic Growth, as a result of Federal or State of Michigan statutes for
32 particular types of jobs, no employee will be expected to perform such duties until
33 the required safety and/or protection items are provided.

34 **Section 11. Compliance Limitations.**

35 The Employer's compliance with this Article is contingent upon the availability of
36 funds. If the Employer is unable to meet the requirements of any Section of this
37 Article due to lack of funds, the Employer shall make a positive effort to obtain
38 the necessary funds. In the event such funds are not available, the employee
39 shall not, as a condition of employment, be required to provide protective
40 clothing, devices, or footwear, at their own expense, nor shall they be required to
41 continue to work without the required protective clothing, devices or footwear.

Section 12. Uniforms and Special Clothing.

The Employer reserves the right to require employees to wear uniform(s) or special clothing. If an employee is required to wear a uniform(s) or special clothing, such uniform(s) or special clothing shall be furnished to the employee by the Employer. In lieu of providing such uniform(s) or special clothing, the Employer will pay an allowance for such uniform(s) or special clothing which will reimburse the employee for the total cost of the purchased item(s).

The quantity, quality and replacement frequency for uniform(s) or special clothing may be discussed at Labor Management Meetings at the request of either party.

Section 13. Workplace Safety.

Upon approval of the Office of the State Employer, and after notice to the bargaining unit employee and the Union, the Appointing Authority may require the employee to undergo a psychiatric or psychological evaluation when there is a reasonable basis, based on objective and verifiable evidence, to believe that the employee poses a threat to others in the work place or to citizens with whom the employee works.

The evaluation shall address the issues of whether the employee poses a threat to others in the work place and/or steps the Appointing Authority should take to minimize or eliminate such threats. The psychiatrist or psychologist administering the evaluation will be chosen by the Appointing Authority. The evaluation shall take place in a timely manner and within a reasonable distance from the employee's residence. All costs of the psychiatric or psychological evaluation shall be paid by the Appointing Authority.

Only the findings or recommendations regarding whether the employee poses a threat to others in the work place or to citizens with whom the employee works, and any steps the Appointing Authority should take to minimize or eliminate such threats, shall be provided to the Appointing Authority and the employee. In no event shall the findings and recommendations be placed in the employee's personnel file. The Appointing Authority shall not release or make public the findings unless the employee files a grievance protesting any disciplinary action that may be imposed as a result of an incident leading to the determination such psychiatric or psychological evaluation was warranted. In that event, the findings or recommendations may be introduced by the Appointing Authority in support of the disciplinary action.

Labor-Management meetings shall be for the purpose of maintaining communications in order to cooperatively discuss and resolve problems of

Article 15

The State of Michigan and SEIU 517M, Technical Unit**

mutual concern to the parties. Either party may request, in writing, that a conference be scheduled. Such meetings shall be conducted at mutually agreed times and places within thirty (30) calendar days from the date of the written request. The parties may also mutually agree to meet beyond thirty (30) calendar days from the date of the written request.

Items to be included on the agenda for such meetings are to be submitted at least seven (7) calendar days in advance of the scheduled meeting dates unless mutually agreed otherwise. Appropriate subjects for the Agenda are:

(a) Administration of the Agreement;

(b) General information of interest to the parties;

(c) Expression of employee's views or suggestions on subjects of interest to employees of the representation unit;

(d) Recommendations of the Health and Safety Committee on matters relating to the representation unit employees in the department.

Incorporated in the listing of items submitted for such agenda shall be an indication of the specific issues or problems to be addressed.

Department or agency representatives shall notify the Union of administrative changes to be implemented by management which will affect employees in the representation unit. Failure of the Employer to provide such information shall not prevent the Employer from making such changes. Such changes shall be proper subjects for future Labor-Management meetings. Such meetings shall not be considered negotiations, nor shall they be considered as a substitute for the grievance procedure.

Section 2. Representation.

The Union shall designate its representatives to such departmental meetings in accordance with this Section. In the Department of Transportation the Union shall designate up to five (5) permanent representatives who shall be employees in this unit. The Union may designate not more than five (5) additional representatives to participate in such meetings, based upon the matters scheduled in the Agenda. In all other departmental-level meetings, the Union shall be entitled to designate up to three (3) permanent representatives who shall be employees in the unit.

The Union may designate not more than two (2) additional representatives to participate in such meetings, based upon the matters scheduled in the Agenda. Union Staff may attend departmental or agency Labor-Management meetings as the Union may elect.

It is the intent of the parties to minimize time lost from work.

Section 3. Scheduling.

Departmental level Labor-Management meetings shall be scheduled not more frequently than on a bimonthly basis, or six (6) times per year.

Where no items are placed on the agenda at least seven (7) calendar days in advance of the meeting, such meeting shall not be required.

Section 4. Pay Status of Union Representatives.

Up to the limit established in this Article, Union Representatives to Labor-Management meetings shall be permitted reasonable time off without loss of pay or benefits from scheduled work for necessary travel and attendance at such meetings. For purposes of pay only, properly designated Union representatives from the afternoon or midnight shifts shall be permitted an equivalent amount of time off from scheduled work on their upcoming or previous shift. Such meetings may be rotated among shifts, as the parties may mutually agree. Overtime and travel expenses are not authorized. Under no circumstances shall more than ten (10) representation unit employees attend such meetings without loss of pay.

Section 5. State Employer.

As may be mutually agreed, the State Employer may meet with representatives of the Union. Discussions at these meetings shall include, but not be limited to, administration of this Agreement.

ARTICLE 16

Assignment and Transfer

Section 1. Definitions.

A. Vacancy: An unfilled permanent position which the Appointing Authority has determined shall be filled. For purposes of this Article, a permanent vacancy is created when the Employer determines to increase the work force and to fill a new position(s) or when any of the following personnel transactions take place in the Bargaining Unit and the Employer determines to replace the previous incumbent: termination, retirement, promotion, demotion, transfer or reassignment. A position from which an employee has been laid off is not a vacancy.

B. Transfer: A change of assignment of an employee at the employee's request or initiative.

C. Assignment: The particular position at or from a particular work location (or work site), as determined by the Employer, (and as applicable) on a scheduled shift, and on an assigned work schedule.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 D. Seniority: Seniority shall be as defined in Article 12, Section 2, except that
2 probationary employees and employees in less-than-satisfactory status shall
3 not be eligible to exercise any seniority rights under this Article.

4 E. Reassignment: A permanent change of an employee's assignment by the
5 Employer at the Employer's initiative.

6 F. Work Location: For purposes of this Article, work location shall be defined as
7 all the premises of a Department in a County, except that each of the
8 following shall be considered a separate work location:

9 (1) A building or related group of buildings with twenty five (25) or more
10 employees of a Department in the Bargaining Unit.

11 (2) A building or group of buildings which constitutes a facility (or agency) in
12 the Departments of Community Health, Corrections, Education, and the
13 Family Independence Agency.

14 (3) For the purposes of this Article, a work location shall be defined as a
15 Region in the Department of Transportation.

16 G. Work Site: Each of the following shall be considered a separate work site:

17 (1) A building within a work location.

18 (2) A field office or regional office/installation in the Department of
19 Transportation.

20 (3) A field, district, or regional office in the Department of Natural Resources.

21 (4) A building or group of buildings which constitutes a facility (or agency) in
22 the Departments of Community Health, Corrections, Education, and the
23 Family Independence Agency.

24 H. Demotion: An authorized movement of an employee with status from a
25 position in one classification level to a lower classification level.

26 **Section 2. Right of Assignment.**

27 Except as provided in this Article, the Employer shall have the right and
28 responsibility to assign employees within an agency or work location. The
29 Employer shall have the right to temporarily fill a vacancy until it is filled
30 permanently. In filling a vacancy the Employer shall continue to have the right to
31 assign a qualified employee subject only to the provisions of this Article.

32 **Section 3. Transfer.**

33 The Appointing Authority shall establish transfer lists at the beginning of the
34 calendar year for permanent vacancies. An employee shall request transfer by
35 notifying the Appointing Authority in writing, with a copy to the Union, of the work
36 locations/work sites to which the employee desires a transfer within his/her

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

current class and level. Requests received by the 20th of a month shall become effective on the 1st of the following month. The transfer lists shall expire at the end of the calendar year.

Employees willing to take a voluntary demotion within a class series in lieu of a transfer must state this in the transfer request form to be eligible.

An employee shall be able to make himself/herself available for transfer from his/her work site to up to five (5) work sites/locations. If an employee declines a transfer to a work site/location which he/she had requested, the Appointing Authority may remove the employee from the transfer list for such work site/location by giving the employee written notice. An employee may at any time remove his/her name from the transfer list for a work site/location previously designated by written notice to the Appointing Authority.

Transfers within a Department or Agency shall take preference over transfers between Departments or Agencies.

When the Employer plans the opening of a new work site, the Employer shall refer to the transfer list for the work location in which the new work site is located.

Section 4. Filling Vacancies.

A. Procedure: Vacancies must be filled by transfers in accordance with Section 5, prior to the initiation of any reassignments, except for reassignments within a work location, or conduct reassignment.

B. Transfer Expenses: Employees transferring or voluntarily demoting under the provisions of this Article shall not be eligible for reimbursement of moving or travel expenses unless the appointing authority determines the transfer is to the benefit of the department.

C. Voluntary Demotion: employees may voluntarily demote to a lower level within their current class series by placing their name on the transfer list, in accordance with section 3, for any work site/location to which they are willing to accept a voluntary demotion. A request for voluntary demotion will be treated the same as a request for transfer in section 5.a.1 below and the most senior person on the existing transfer roster shall be selected for the vacant position.

Section 5. Reassignment and Transfer Procedure.

Reassignments and transfers shall be made in accordance with the procedure of this Section, with the exception of reassignments in accordance with Section 4.

A. Filling Vacancies by Transfer:

(1) The Employer shall select from the existing transfer roster the most senior person in the same class and level as the vacant position.

(2) In the event the vacancy is not filled in accordance with paragraph 1 above, the Employer shall fill the vacant position by recall from layoff in accordance with Article 13.

(3) In the event the vacancy is not filled in accordance with paragraphs 1 or 2 above, the Employer shall advertise the vacancy and notify employees that acceptance of the vacant position shall be considered a transfer and select one of the three most senior persons in the same class and level as the vacant position.

(4) In the event there are less than three qualified persons, or In the event the vacancy is not filled in accordance with paragraphs 1 or 2 above, the Employer may elect to fill the vacancy in a manner of its choosing, including but not limited to promotion, hiring, reassignment, etc.

(5) Exceptions. The Employer shall not be required to transfer any of the following employees from a transfer list:

a. An employee who has received a disciplinary suspension within one year preceding the date of the transfer request or during the period between the application date and the date the employee is considered for transfer;

b. An employee who has transferred from the transfer list within the last six (6) months; or,

c. An employee who has placed his/her name on the transfer list for the work location from which he/she received a conduct reassignment within the previous two years.

B. Filling Vacancies By Reassignment From Another Work Location:

In the event the Employer chooses to fill a vacancy by reassignment from another work location, the following procedure shall apply:

(1) The Employer shall identify the work location from which the reassignment will be made.

(2) The Employer shall seek volunteers from the same class and level as the vacant position.

(3) In the event the vacancy is not filled in accordance with paragraph 2 above, the Employer shall reassign the least senior employee, at the same class and level as the vacancy, in the following order:

a. Part-time employee;

b. Seasonal employee;

c. Full-time employee.

C. Conduct Reassignment

1 No employee may be reassigned for reasons of conduct or for disciplinary
2 purposes, except where the employee's continued presence at the work
3 location has the effect of hampering the operational effectiveness of the
4 Employer.

5 D. Notice To Employees: Except in emergency situations, employees must be
6 given a minimum of ten (10) working days notice prior to the date he/she is
7 required to report to his/her new work location.

8 **ARTICLE 17**

9 **Hours of Work and Overtime**

10 **Section 1. Biweekly Work Period.**

11 The work period is defined as eighty (80) hours of work normally performed on
12 ten (10) work days within the fourteen (14) consecutive calendar days which
13 coincide with current biweekly pay periods.

14 **Section 2. Work Days.**

15 The work day shall consist of twenty four (24) consecutive hours commencing at
16 12:01 a.m. Whenever practicable and consistent with program needs, employees
17 shall work on five (5) consecutive work days separated by two (2) consecutive
18 days off.

19 **Section 3. Work Shift.**

20 The work shift shall normally consist of eight (8) consecutive work hours which
21 may be interrupted by a meal period. For purposes of this Article the following
22 work shifts are defined:

23 Day Shift -Starts between 5:00 am and 1:59 pm

24 Afternoon Shift -Starts between 2:00 pm and 9:59 pm

25 Evening Shift -Starts between 10:00 pm and 4:59 am

26 Employees may be assigned to work rotating or relief shifts. No employee may
27 be required to work a split shift.

28 **Section 4. Work Schedules.**

29 Work schedules are defined as an employee's assigned shift, work days and
30 days off. Schedules not maintained on a regular basis or on a fixed rotation basis
31 shall be established as far in advance as possible, but at least fourteen (14)
32 calendar days prior to the beginning of the pay period to be worked.

33 Changes in scheduled work shifts and other scheduling changes may be made
34 no less than ninety-six (96) hours prior to the implementation of the change.

The work schedule of the employee shall not be altered within the biweekly work period solely to avoid premium overtime. Any change in work schedule not in compliance with this Section shall result in compensation of hours worked outside the regularly scheduled shift at one and one-half (1½) times the employee's regular rate of pay. Approved scheduling changes requested by employees shall be exempt from the one and one-half (1½) time compensation required by this Section. With the Employer's approval, employees may voluntarily agree, without penalty to the Employer, to changes in the work schedules.

Any changes in scheduling shall be confirmed in writing to the employee. For employees who regularly work a standard eight (8) hour day, five (5) day week, changes in work shifts shall be handled by the Employer first seeking qualified volunteers. In the event that there are more volunteers than are needed, the most senior qualified employee shall be selected. In the event that there is an insufficient number of volunteers, the Employer shall assign qualified employees on an inverse seniority basis.

Section 5. Meal Periods.

In accordance with current practice, work schedules shall provide for the work shift to be broken at approximately midpoint by an unpaid meal period of not less than thirty (30) minutes. This shall not preclude work schedules which provide for an eight (8) hour work day, inclusive of a meal period. The Employer may reasonably schedule meal periods to meet operational requirements. Such meal periods may not be rescheduled arbitrarily.

Wherever the department's objective of teamwork will not be unreasonably disrupted by a one-half hour lunch period, if requested by a technical unit employee, a one-half hour lunch period shall be scheduled. In all other cases, where operationally feasible, a technical unit employee's request to be scheduled for a one-half hour lunch period will not be unreasonably denied. Denial of the request, or termination of approval, shall not be grievable.

Those employees who regularly receive an unpaid meal period, and are required to work, or be at their work assignments, and are not relieved for such meal periods, shall have such time actually worked treated as hours worked for the purpose of computing overtime, unless an alternate meal period is available. An employee, with the approval of his/her supervisor, may work through a scheduled meal period. Such time shall be considered as time worked for the purpose of calculating overtime.

The length of an employee's meal period may only be changed with at least twenty (20) days advance notice. The length of an employee's meal period may not be changed more than once in a six (6) month period.

Section 6. Rest Periods.

Unless the granting of these rest periods would result in the employer having to pay overtime or to add additional personnel to the work site, there shall be two (2) rest periods of fifteen (15) minutes each during each regular eight (8) hour work shift; one during the first half of the shift and one during the second half of the shift. The Employer retains the right to schedule employee's rest periods and to shorten such periods to fulfill operational needs on a particular day. Current practices regarding breaks taken in the course of operational duties or on an irregular basis may be maintained. Rest periods shall not be accumulated and, when not taken, shall not be the basis for additional pay or time off. Current practice regarding rest periods during overtime periods shall continue.

Section 7. Call Back.

Call back is defined as the act of contacting an employee and requesting that the employee report for work and be ready and able to perform assigned duties at a time other than his/her regular work schedule. Employees who are called back and whose call back hours are not contiguous with their regular working hours will be guaranteed a minimum of three (3) hours compensation. Eligible call back time will be paid at the premium rate, provided that the called back employee has been in pay status more than eight (8) hours in that day (except for employees working on a modified work schedule) or forty (40) hours in a seven day period, except for the hospital exemption contained in Article 17, Section 11 of this Agreement.

Section 8. Alternative Work Patterns.

- A. The Employer will inform the Union of all existing alternative work patterns within thirty (30) days of the effective date of the Agreement. The Union will have ten (10) days from receipt of such notification to accept or reject such patterns. Patterns which are rejected may become the subject of secondary negotiations at the request of either party. Such request must be made within 15 days of rejection. Failure of the Union to respond to the notification shall mean that the Union accepts the existing pattern. Failure of the Employer to notify the Union of an alternative work pattern shall mean that such pattern is null and void.
- B. Technical unit employees may request an alternate work schedule subject to the following provisions:
1. All requests for an alternate work schedule are on an individual and completely voluntary basis.
 2. Discretion to approve or disapprove an employee's request to work an alternate work schedule is reserved to the supervisor and appointing authority.

3. The appointing authority may terminate an employee's alternate work schedule with a minimum of two (2) weeks notice to the employee.
4. Employees working under an alternate work schedule in accordance with this subsection may return to their previous schedule with a minimum of two (2) weeks notice to the immediate supervisor.
5. Termination of an alternate work schedule shall be at the end of a pay period.
6. Termination by the appointing authority of an alternate work schedule shall not be grievable.
7. Employees working an alternative work schedule under this agreement shall be scheduled to work four (4) ten (10) hour days within a work week; or four (4) nine (9) hour days plus one (1) four (4) hour day within a work week as agreed to with their immediate supervisor.
8. Employees may be required to temporarily modify their alternate work schedule in order to meet operational needs.
9. Employees who work more than their scheduled hours in a work day or forty (40) hours in a work week shall receive overtime in accordance with the provisions of this Article.
10. Employees utilizing leave credits in full day increments shall use such leave in their scheduled nine (9) or ten (10) hour increments.
11. Under the following circumstances, employees will revert back to their normal eight (8) hour five (5) day work week:
 - a. Any week in which a holiday falls, unless the employee elects to use sufficient leave credits to complete the scheduled day;
 - b. Scheduled vacations;
 - c. Any week in which an employee is on approved leave of absence; or,
 - d. Any week in which the employee is scheduled for training, unless the immediate supervisor determines that continuation of the alternate work schedule will not conflict with the training schedule.

Section 9. Voluntary Work Schedule Adjustment Program.

Participation shall be on an individual and completely voluntary basis. An employee may volunteer to participate in the program by submitting a completed standard voluntary work schedule adjustment agreement form to his or her supervisor. Employees continue to have the right, by not submitting a standard agreement form, to not participate in any of the program's two plans.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

Discretion to approve or disapprove an employee's request to participate in Plan A and/or Plan C is reserved to the supervisor and appointing authority. In all other cases, once approved, the individual agreement may be terminated by the appointing authority or the employee upon giving ten (10) working days written notice to the other (or less, upon agreement of the employee and the appointing authority). Termination shall be at the end of the pay period. Termination of the agreement by the appointing authority shall not be grievable.

Before incurring unpaid Plan A or Plan C hours, all banked leave time hours must be exhausted.

Plan A. Biweekly scheduled hours reduction.

A.1. Eligibility.

Only full-time employees who have satisfactorily completed at least 720 hours of service in the state classified service shall be eligible to participate in Plan A.

A.2. Definition.

With the approval of the supervisor and the appointing authority, an eligible employee may elect to reduce the number of hours for which the employee is scheduled to work by one (1) to sixteen (16) hours per pay period. The number of hours by which the work schedule is reduced shall remain constant for the duration of the agreement. The employee may enroll for a minimum of one (1) pay period. The standard hours per pay period for the employee to receive the benefits of paragraphs a.3 and a.4. Below shall be adjusted downward from eighty (80) by the number of hours by which the work schedule is reduced, but not to an amount less than sixty-four (64.0) hours.

In addition, up to a one-week (40 hour) leave may be utilized within a single pay period once during a fiscal year.

Time off on Plan A will be counted against an employee's twelve work week leave entitlement under the federal family and medical leave act, if such time off is for a qualifying purpose under the act and if all other requirements of the law and collective bargaining agreement are met.

A.3. Insurances.

All state-sponsored group insurance programs, including long term disability insurance, in which the employee is enrolled shall continue without change in coverages, benefits or premiums.

A.4. Leave accruals and service credit

Annual leave and sick leave accruals shall continue as if the employee had worked or was in approved paid leave status for eighty (80) hours per

Article 17

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

pay period for the duration of the agreement. State service credit shall remain at eighty (80) hours per pay period for purposes of longevity compensation, pay step increases, employment preference, holiday pay, and hours until rating. Employees shall incur no break in service due to participating in Plan A.

Participation in Plan A does not alter the conditions for the use of annual leave. It shall be the employee's responsibility to monitor the balance in his/her annual leave counter. Approval of annual leave for employees at the annual leave cap is not guaranteed.

Plan C. Leave of absence.

C.1. Eligibility.

Full-time and part-time employees who have satisfactorily completed their initial probationary period in the state classified service shall be eligible to participate in Plan C. Permanent-intermittent employees are not eligible to participate.

C.2. Definition.

With the approval of the supervisor and the appointing authority, an employee may elect to take one (1) unpaid leave of absence during the fiscal year for a period of not less than one (1) pay period and not more than three (3) months. The three (3) month period is not intended to be cumulative. Time off on Plan C leave will be counted against an employee's twelve work week leave entitlement under the federal family and medical leave act, if such time off is for a qualifying purpose under the act and if all other requirements of the law and collective bargaining agreement are met.

C.3. Insurances.

All state-sponsored group insurance programs with the exception of long term disability (ltd) insurance, in which the employee is enrolled shall be continued without change in coverage, benefits, or premiums for the duration of the leave of absence, by the employee pre-paying the employee's share of the premiums for the entire period of the leave of absence. Ltd coverage will not continue during the leave of absence, but will be automatically reinstated immediately upon termination of the leave of absence. If an employee is enrolled in the ltd insurance program at the time the leave of absence is initiated and becomes eligible for disability benefits under ltd during the leave of absence, and is unable to report to work on the agreed-upon termination date for the leave of absence, the return-to-work date shall become the date established for the disability, with the commencement of sick leave and ltd benefits when the sick leave or waiting period is exhausted, whichever occurs later.

1 C.4. Leave accruals.

2 Accumulated annual leave, personal leave, and sick leave balances will
3 automatically be frozen for the duration of the leave of absence. The
4 employee will not accrue leave credits during the leave of absence.

5 C.5. Service credit.

6 An employee shall incur no break in service due to participating in Plan C.
7 However, no state service credit will be granted for any purpose.

8 **Section 10. No Guarantee Or Limitation.**

9 This Article is intended to be construed only as a basis for scheduling and
10 overtime, and shall not be construed as a guarantee or limitation of work per day
11 or per work period. However, if the Employer intends to unilaterally alter the forty
12 hour work week, the Employer agrees to meet with the Union prior to
13 implementing a schedule change. Overtime shall not be paid more than once for
14 the same hours worked.

15 **Section 11. Definitions.**

16 A. Overtime is authorized time that an eligible employee works in excess of eight
17 (8) hours (except for employees working on a modified work schedule) in a
18 day or forty (40) hours in a seven day period, except where provisions of the
19 Fair Labor Standards Act Hospital Exemption shall be applicable. In such
20 case the base for overtime will be eight (8) hours in a day or eighty (80) hours
21 in a biweekly pay period.

22 B. Regular Rate is defined as the employee's hourly rate of pay including shift
23 differential, hazard pay or other add-ons.

24 C. Premium Rate is defined as one and one-half (1½) times the eligible
25 employee's regular rate.

26 D. All employees covered by this Agreement are subject to the overtime
27 provisions contained in this Agreement.

28 **Section 12. Overtime Compensation.**

29 The Employer agrees to compensate employees at the premium rate in cash or
30 to allow the employees to earn compensatory time at time and one half (1½), in
31 accordance with Section 13 of this Article, for all time defined as overtime.

32 Employees in the Department of Natural Resources on assignment to another
33 agency to assist in fire suppression are not eligible to earn compensatory time for
34 any overtime incurred while on assignment when the other agency will be paying
35 for the services of the employee. In such case, the employee will be
36 compensated at the premium rate in cash for all time defined as overtime.

For purposes of calculating overtime pay, sick leave and annual leave shall not be treated as time worked. Annual leave buy back shall be treated as time worked.

Section 13. Compensatory Time.

Compensatory time systems in existence on the effective date of this Agreement shall continue. Compensatory time systems shall be a proper subject for secondary negotiations.

Compensatory time shall be credited at the rate of one and one-half (1½) times the number of hours worked. Employees who wish to use earned compensatory time may do so only with prior approval of their supervisor but subject to the same criteria as applicable to annual leave. Compensatory time must be utilized before the employee uses annual leave credits except where an employee would lose annual leave credits because of the maximum allowable annual leave accumulation.

For purposes of calculating compensatory time, sick leave and annual leave shall not be treated as time worked. Annual leave buy back shall be treated as time worked.

Whenever an employee resigns, retires, is discharged or transfers to another Appointing Authority, the employee shall be paid for all unliquidated compensatory time at the rate of their current rate of compensation at the time of separation. Unused compensatory time credits of an employee who is laid off, in other than a temporary layoff, and is unable or unwilling to exercise a bumping right, shall be paid in the same manner.

At the employee's option, payment for unused compensatory time credits may be made as follows: The employee must notify the department in writing between November 1st and November 15th of each year that he/she wishes to be paid in cash for all, or part of, unused compensatory time credits. Payment for such time shall then be made in the first full pay period in December. Alternatively, current practices with respect to the payment for unused compensatory time credits shall continue.

Employees eligible under the FLSA to accumulate up to 480 hours of compensatory time in a twelve (12) month period may accumulate such time. Eligible employees are those whose work regularly involves "public safety", "emergency response" or "seasonal" activity, as described in the FLSA.

For such employees, the following shall apply: If such employee has more than 250 hours of annual leave, the employee may utilize annual leave credits prior to using compensatory time credits. When employees request the use of leave credits, they shall indicate which credits they intend to use. This provision shall be the only exception to the requirement that compensatory time credits must be used prior to the use of annual leave credits as provided above.

Section 14. Pyramiding.

Premium payments shall not be duplicated (Pyramided) for the same hours worked.

Section 15. Overtime Distribution Procedure.

A. General:

The Employer has the right to require an employee to work overtime. Overtime work shall be scheduled solely in accordance with the provisions of this Article.

Except in emergency situations, overtime work shall be offered to employees on the basis of seniority and shall be equitably distributed among employees within the classification on a shift in the overtime unit in a manner which will give each employee an equal share of the overtime hours, to the extent possible. Each employee in the overtime unit shall be selected in turn according to his/her place on the seniority list by rotation; provided however, that the employee whose turn it is to work must possess the qualifications and ability required to perform the work, if any.

An employee may have his/her name removed from the voluntary overtime seniority list. An employee who, upon being offered overtime work, requests to be skipped shall not be rescheduled for overtime work until his/her name is reached again in orderly sequence and an appropriate notation shall be made of the declined offer by hours in the overtime roster.

In the event no employee in the overtime unit wishes to perform the required overtime work, the Employer normally shall, by inverse order of this overtime list, including those who have requested their names be removed for voluntary overtime, assign the necessary employees who are qualified, able, and required to perform the work in question.

The Union recognizes that work in progress shall be completed by the employee performing the work at the end of the regular shift. Work in progress means continuous work with no break in time between the end of the regularly scheduled shift and the start of overtime.

Overtime equalization units shall be defined as a work site, unless such definition is altered through secondary negotiations.

Overtime will be balanced between January 1 and December 31 of each year.

Grievances filed over alleged failure to equalize overtime shall be considered timely if filed within fifteen (15) days of the final posting of the year end overtime roster.

6 worked by an individual within their overtime unit during the period of
7 unavailability.
- 8 b. Employees will be required to leave a telephone number where they
9 can be contacted in case scheduled overtime is canceled. Failure of
10 the employee to leave such number, or to respond after reasonable
11 attempts by the Employer to make contact, will result in the Employer

13 the employee shows up for the canceled shift.
- 14 (6) Employees newly entering an overtime unit will be credited with the same
15 number of total overtime hours (worked plus unavailable), as the
16 employee with the highest number of hours in the new overtime unit.
- 17 (7) a. Employees on an approved leave of absence, sick leave, annual leave,
18 compensatory time or temporary assignment having a duration of more

33 overtime shall be charged with the highest number of hours worked by an
34 individual within their equalization unit for the weekend or holiday(s).
- 35 (9) Employees who return from Winter Assignment after April 1 will be given
36 the opportunity to work the amount of overtime hours necessary to bring
37 them equal to the highest number of overtime hours credited to any less
38 senior employee in the overtime unit, minus any overtime hours previously
39 worked by that employee in that overtime unit. All such calculations shall
40 be made within the same calendar year.

(10) Employees who return to work on or before June 15 from a Workers' Compensation related absence of 90 calendar days or less, will have no overtime hours credited to them as a result of being unavailable during the Workers' Compensation absence. Employees who return to work from a Workers' Compensation related absence of more than 90 days regardless of the return date, or after June 15 regardless of the length of the absence, shall be credited with the highest number of hours worked by a bargaining unit employee within their overtime equalization unit during their period of unavailability.

c. Unqualified overtime -- an employee who is not qualified to perform the function required during scheduled overtime or to perform functions which might result in overtime, shall not be offered the opportunity to work such overtime, and shall be credited with the overtime hours worked by another employee during such period of time. Employees deemed by the department to be unqualified shall have the right to grieve such determination.

(4) Overtime recording:

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 a. Each category of overtime listed in number three (3) above shall be
2 recorded separately.

3 b. All hours in each category shall be totaled at the end of each biweekly
4 pay period so that each employee will know the total number of
5 overtime hours with which they have been credited or charged, fiscal
6 year to date, at the end of each biweekly pay period.

7 (5) Overtime balancing:

8 a. All employees will have their overtime balanced in accordance with
9 number two (2) above during the period commencing October 1 of
10 each year and ending on September 30 of the following year.

27 Where an employee's Official Work Station (OWS) is designated as Project
28 Office, and said employee is directed by his/her supervisor to report directly from
29 his/her home to a Temporary Work Station (TWS), the employee's work time
30 shall be calculated as follows:

31 A. In the event the employee's drive time from his/her home to his/her TWS does
32 not exceed the drive time between the employee's home and his/her OWS by
33 at least fifteen (15) minutes, the employee shall continue to be paid for his/her
34 normal work day.

35 B. In the event the employee's drive time from his/her home to his/her TWS
36 exceeds the drive time between the employee's home and his/her OWS by at

Article 17

employee's work day and the employee shall be paid for such time at the appropriate overtime rate.

C. Numbers 1 and 2 above shall also apply to the employee's return trip from his/her TWS to his/her home.

D. None of the above shall apply in the event an employee is instructed that he/she can report to his/her TWS after the start of the shift and/or leave his/her TWS prior to the end of the shift in an amount of time equal to the excess time which the employee drives between his/her house and his/her TWS.

ARTICLE 18

Leaves of Absence Without Pay

Section 1. Eligibility.

Employees shall have the right to request a leave of absence without pay in accordance with the provisions of this Article after the successful completion of their probationary period. The leaves of absence without pay listed in this Article are illustrative of the specific types of such leaves of absence and are not all inclusive.

Section 2. Request Procedure.

Any request for a leave of absence without pay shall be submitted in writing by the employee to the employee's immediate supervisor at least, except under emergency circumstances, thirty (30) calendar days in advance of the proposed commencement date for the leave. The request shall state the reason for and the length of the leave of absence being requested.

The immediate supervisor shall consult with the appointing authority and furnish a written response within twenty (20) calendar days of the request.

Section 3. Approval.

Except as otherwise provided in this Agreement, employees may be granted a leave of absence without pay at the discretion of the Appointing Authority for a period up to six (6) months. The Employer shall consider its operational needs, the employee's length of service, performance record and leave of absence history in reviewing requests for a leave of absence. Appointing Authority determinations under this Section shall not be arbitrary, discriminatory or capricious. Only under bona fide mitigating circumstances may a leave of absence be extended beyond six (6) months.

An employee may elect to carry a balance of annual leave not to exceed eighty (80) hours during a leave of absence. An annual leave balance in excess of eighty (80) hours up to a maximum of two hundred forty (240) hours may be

1 carried with the written approval of the appointing authority. Such leave balances
2 shall be made available to the employee upon return from a leave of absence but
3 may be utilized only with prior approval of the Appointing Authority.

4 Payment for annual leave due an employee who fails to return from a leave of
5 absence shall be at the employee's last rate of pay.

6 **Section 4. Educational Leave of Absence.**

7 The Employer may approve an individual employee's written request for a
8 full-time educational leave of absence without pay for an initial period of time up
9 to one (1) year if the employee fulfills the following criteria.

10 To qualify for such an educational leave, the employee must be admitted as a
11 full-time student as determined by the established requirements of the
12 educational institution relating to full-time status. Before the leave of absence can
13 become effective, a curriculum plan and proof of enrollment must be submitted
14 by the employee to his/her Appointing Authority. At the request of the Employer,
15 the employee shall provide evidence of continuous successful full-time
16 enrollment in such curriculum plan in order to remain on or renew such leave.
17 Such education shall be directly related to the employee's field of employment.
18 Such employee may return early from such a leave upon approval by the
19 Employer. The Employer shall approve or deny the request for leave of absence
20 without undue delay. Any denial shall include a written explanation of the denial,
21 if requested by the employee.

22 **Section 5. Medical Leave of Absence.**

23 Upon depletion of accrued sick leave credits, an employee upon request shall be
24 granted a leave of absence for a period of up to six (6) months upon providing
25 required medical information for personal illness, injury or temporary disability
26 necessitating his/her absence from work, if that employee is in satisfactory
27 employment status. This guarantee shall only apply when the employee has had
28 less than six months medical leave of absence during the preceding five years.
29 Any leave of less than two consecutive full pay periods will not count toward the
30 six month entitlement in any five consecutive years. In all other cases an
31 employee may be granted such leave of absence for the above reasons. Such
32 leave shall be granted for a period of up to six (6) months upon providing
33 required medical information. The employee's request shall include a written
34 statement from the employee's physician indicating the specific diagnosis and
35 prognosis necessitating the employee's absence from work and the expected
36 return to work date.

37 In addition to the operational needs of the Employer and the employee's work
38 record, the Employer in considering requests for extension will consider verifiable
39 medical information that the employee can return at the end of the extension
40 period with the ability to fully perform the job. When an employee, who has
41 exhausted a medical leave of absence extended to one (1) year duration is

required to be in employee status in order to collect an awarded employment related benefit, the Employer agrees to retroactively extend such medical leave of absence solely to afford the employee the opportunity to receive such benefit.

In all other circumstances, a request to extend a medical leave of absence for more than one (1) year may be granted in the sole discretion of the Employer, and only upon sufficient evidence being presented that the employee will, upon expiration of the extension, be able to return to full performance of duties. A denial of such request shall not be grievable, except under Article 23, Section 2, Non-Discrimination. Employees who have completed an initial probationary period and are in satisfactory employment status, and who after providing the information as required by this article, are subsequently not granted a medical leave of absence, shall upon providing medical certification of the employee's ability to return to their regular job responsibilities, be entitled upon request to have their name placed on the Departmental recall list in accordance with Article 13 provided that such medical certification is presented within two years of the date of medical layoff. This option may only be exercised once in a career. Employees recalled under this provision shall not have such time treated as a break in service.

The Employer reserves the right to have the employee examined by a physician selected and paid by the Employer for the employee's initial request, extension and/or return to work.

Section 6. Military Leave.

Whenever an employee enters into the active military service of the United States, the employee shall be granted a military leave of absence as provided under Civil Service Commission Rules and Regulations and applicable statutes.

Section 7. Leave for Union Business.

The Employer shall grant requests for leaves of absence to employees in this Unit upon written request of the Union and upon written request of the employee, subject to the following limitations:

A. The written request of the Union shall be made to the employee's Appointing Authority and shall indicate the purpose of the requested leave of absence.

B. If the requested leave of absence is for the purpose of permitting the employee to serve in an elective or appointive office with the Union, the request shall state what the office is, the term of such office and its expiration date. This leave shall cover the period from the initial date of election or appointment through the expiration of the first full term of office, not to exceed three (3) years.

C. If the requested leave of absence is for the purpose of permitting the employee to serve as a staff representative for the Union, such leave shall be for a minimum of six (6) months but shall not exceed three (3) years.

D. The Employer is not obligated to grant such leaves of absence for more than one (1) employee from any one Department.

Section 8. Waived Rights Leave of Absence.

The Employer may grant a waived rights leave of absence to an employee in those situations for which a regular leave of absence is not granted. Employees do not have the right to return to state service at the end of a waived rights leave of absence but will have the continuous nature of their service protected, provided they return to work prior to the expiration of such leave. All requests for a waived rights leave of absence must be made to the Employee's Appointing Authority in writing specifying the reason for the request. An employee granted a waived rights leave of absence may not carry any annual leave balance during such leave.

The Employer shall provide and the employee shall sign the following statement at the time a waived rights leave of absence is granted:

"I understand that an employee granted a waived rights leave of absence does not have a right to return to State service at the end of such leave of absence, but will have the continuous nature of their service protected, provided they return to work prior to the expiration of such leave."

Section 9. Parental Leave of Absence.

Upon written request, an employee who is pregnant or whose wife is pregnant shall be granted parental leave for up to six (6) months. Such leave shall apply in cases of adoption as well as natural birth. Upon birth of their child, an employee may certify the need to use up to two (2) weeks of sick leave prior to the beginning of any parental leave. Otherwise, parental leave for the mother shall commence immediately following the mother's medical leave or upon adoption of a child, and parental leave for the father shall commence no sooner than birth and no later than six (6) weeks following the birth or upon adoption of a child.

Section 10. Return from Leave of Absence.

An employee returning from an approved leave of absence of sixty (60) calendar days or less will be restored to his/her previous permanent assignment.

An employee returning from an approved leave of absence of more than sixty (60) days may be temporarily assigned until a permanent assignment is made in accordance with Article 16, Assignment and Transfer. In accordance with the provisions of this Agreement, the Employer shall make a good faith effort to place the employee back in the assignment and position they held prior to their leave of absence. Employees who request an earlier return to work prior to the expiration of an approved leave of absence may return only with the approval of the Appointing Authority and will be temporarily assigned until a permanent assignment is made in accordance with Article 16, Assignment and Transfer.

Section 11. Layoff.

Employees on a leave of absence who would be laid off if they were in active employment status shall not be exempt from layoff by virtue of being on a leave of absence.

Section 12. Disaster Response.

A leave of absence without pay to provide disaster or emergency relief assistance in this state may be granted to a bargaining unit employee who is skilled in emergency relief assistance and certified as a disaster service volunteer by the American Red Cross.

A leave of absence with pay to provide disaster or emergency relief assistance may be granted to a bargaining unit employee who is skilled in emergency relief assistance and certified as a disaster services volunteer by the American Red Cross if the President or Governor has declared the disaster, and the American Red Cross has requested the services of the employee. The Governor must approve the paid leave of absence as provided in MCL 30.411a if the services are to be rendered outside this state; the Employer must approve the paid leave of absence if the services are to be rendered inside this state.

Denial of a bargaining unit employee's request for a disaster response leave of absence, with or without pay, shall not be grievable.

ARTICLE 19

Personnel Files

Section 1. General.

There shall be only one official personnel file maintained for an employee. For purposes of record keeping, copies of information contained in the official personnel file may be kept at the employee's work location.

Upon an employee's relocation to another work location, only the employee's official personnel file may be transferred to the employee's new work location. In accordance with Section 2 below, upon the employee's request, such file may be reviewed by the employee prior to the transfer of the file. Material pertaining to an employee's conduct, performance, and/or of a disciplinary nature shall be identical in both the local and official files. Under no circumstances shall an employee's medical file be contained in the employee's personnel file; however, records of personnel actions based upon medical information may be kept in the personnel file. Grievance forms and decisions shall not be contained in an employee's personnel file. All material placed in a personnel file shall either be signed by the employee indicating receipt of a copy of same or routinely supplied to the employee, except material related to routine non-disciplinary personnel transactions.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

For purposes of this Article, notes kept by a supervisor shall not be considered a personnel file. Such notes shall be kept in a confidential manner and shall be considered the property of the maker of such notes, and shall be placed in the employee's personnel file only if the employee is provided a copy and shall not be used for purposes of discipline unless placed in the employee's official personnel file.

If an employee disagrees with anything contained in his/her personnel file, the employee may seek removal or correction of same. If no agreement is made to remove or correct the information, the employee may submit a written statement explaining his/her position, and it shall be entered into the file and/or the Employee may file a grievance regarding the removal or correction of the information.

Section 2. Access.

Access to and usage of individual personnel files shall normally be during non-working hours, including lunch and break periods, and in accordance with applicable law and shall be restricted to authorized management personnel, the employee and/or the Union representative when authorized in writing by the employee. An employee shall have the right, upon request, to review his/her personnel file at reasonable intervals and may be accompanied by Union representative(s) if he/she so desires. Upon request, the Employer shall make a copy of documents in a personnel file and furnish such copies to the employee. The employee shall bear the cost of such duplication.

Pre-employment information or information provided the State with the specific request that it remain confidential, shall not be subject to inspection or copying.

Section 3. Employee Notification.

A copy of any disciplinary action or material related to employee performance which is placed in the personnel file shall be provided to the employee (the employee so noting receipt, or the supervisor noting failure of the employee to acknowledge receipt) or sent by certified mail (return receipt requested) to the employee's last address appearing on the Employer's records.

Section 4. Non-Job Related Information.

Detrimental information not related to the employment relationship shall not be placed in an employee's personnel file.

Section 5. Time Limits.

Upon an employee's written request, records of disciplinary actions/interim service ratings shall be removed from an employee's official personnel file and any other personnel files kept at work locations of the Employer twenty four (24) months following the date on which the action was taken or the rating issued, provided that no new disciplinary action/interim service rating has occurred

during such twenty-four (24) month period. Written reprimands/counseling memoranda shall similarly be removed twelve (12) months following the date of issuance provided no new written reprimand/counseling memoranda has been issued during such twelve (12) month period. These provisions shall not prohibit the Employer from maintaining records of disciplinary action arising out of violations of prohibited practices as defined in the Civil Service Rules and Regulations. The provisions of this Section shall apply retroactively. Any record eligible to be expunged under this Section shall not be used in any subsequent hearing concerning the employee

Records removed under this Section will be sealed and will only be opened in the event that such records are needed to provide a defense for the Employer's actions in Civil Rights litigation. These sealed records will not be used for the purpose of initiating discipline against an employee.

Section 6. Confidentiality of Records.

A. General: This Article shall not be construed to expand or diminish a right of access to records as provided by the Freedom of Information Act, being Act 442 of Public Acts of 1976, nor as provided by the Bullard Plawecki Employee Right to Know Act, being Act 397 of Public Acts of 1978. Access to medical and patient information shall be in compliance with the Health Insurance Portability and Accountability Act (HIPAA) and also the Genetic Information Nondiscrimination Act of 2008 (GINA).

B. Medical Records: To insure strict confidentiality, medical records and reports made or obtained by the Employer shall not be contained in or released in conjunction with the employee's personnel file. Only authorized Employer Representatives, the employee, and a Union Representative authorized by the employee in writing, shall possess or have access to such records.

This provision shall not prevent the Employer from placing information in the employee's medical file which reflects Employer-initiated correspondence with a medical practitioner, or the employee, regarding diagnosis, prognosis, and fitness for employment, or absences from work associated therewith, nor from placing copies of records and reports containing conclusions by the Employer or the practitioner concerning the employee's fitness for duty, based upon proper medical reports and records, in such file. This file may be reviewed by the employee and/or Union Representative in the same manner as the personnel file.

Nothing in this section prohibits the Employer from furnishing or otherwise releasing medical reports or records made or obtained by the Employer, where the employee whose records are in question has him/herself, or his/her agent, filed a grievance under the contract, a complaint/claim with a governmental agency, or a legal action in court and the content of such records is pertinent to the grievance, complaint or legal action. Under such circumstances the employee will be deemed to have waived the right to

maintain the confidentiality of his/her own records. A similar waiver will be deemed to have occurred in the circumstance where an employee appears as a witness in behalf of another employee or his/her agent. The medical records in the Employer's possession pertaining to such witness if pertinent to the proceedings will be subject to disclosure. When medical records have been lawfully subpoenaed the Employer will comply with such subpoena.

Section 1. Compensation and Economic Benefits.

Economic benefits, which were in effect on the effective date of this Agreement, and which are not specifically provided for or abridged by this Agreement, will continue in effect under conditions upon which they had been previously granted, throughout the life of this Agreement, unless altered by mutual consent of the Employer and the Union and approved by the Civil Service Commission.

ARTICLE 23

The parties recognize that this Agreement is subject to the Rules of the Civil Service Commission and the Civil Service Compensation Plan. The parties therefore adopt and incorporate herein such Rules and implementing documents and provisions of the Compensation Plan as they existed on the effective date of this Agreement which address wages, hours, terms and conditions of employment that are mandatory subjects of bargaining as defined by the Civil Service Rules and Regulations, provided that the subject matter of such Rules and Compensation Plan is not covered in this Agreement.

If the subject matter of any such Rule or provision of the Compensation Plan regarding a proper subject of bargaining is addressed in this Agreement, the provisions of this Agreement shall govern entirely.

Except as otherwise provided in the Civil Service Rules and Regulations, where any provision of this Agreement is in conflict with any Commission Rule or Provision of the Compensation Plan regarding a proper subject of bargaining, the parties will regard Commission approval of this Agreement, without exception, as an expression of policy by the Commission that the parties are to be governed by the provisions of this Agreement.

Section 2. Non-Discrimination.

The Employer and the Union recognize their respective responsibilities under and support federal, state and local laws relating to fair employment practices. The Employer and the Union recognize the principles involved in the area of civil

rights and equal employment opportunity. The Employer and the Union hereby affirm in this Agreement their commitment to continue their policy against all forms of illegal discrimination including discrimination with regard to religion, race, color, national origin, age, sex, height, weight, marital status, partisan considerations, or a disability or genetic information that is unrelated to the person's ability to perform the duties of a particular job or position. In addition, the Employer and the Union agree not to discriminate on the basis of sexual orientation.

There shall be no discrimination, interference, restraint or coercion by the Employer or the Union against any employee because of Union membership or non-membership or activity or because of any activity protected by the Employee Relations Policy or permitted by this Agreement. However, claims of disciplinary action based upon such discrimination, interference, restraint or coercion shall be appealable either under the Grievance Procedure of this Agreement or applicable Civil Service Rules, but not both.

Problems or questions regarding discrimination shall be subjects of Labor-Management meetings.

No employee shall be subjected to sexual harassment in the course of employment. Sexual harassment means unwanted conduct or communication of a sexual nature which adversely affects the person's employment relationship or working environment.

Section 5. Polygraph Tests.

No employee shall be required to take a polygraph examination, and no disciplinary action shall be taken against any employee for refusing to take a polygraph examination.

However, if any employee consents to a polygraph examination, the results of that examination may not be used or offered in any judicial or quasi-judicial proceeding (other than grievance-arbitration proceedings under this Agreement) unless required by court order.

Section 6. Work Rules.

The Employer reserves the right to promulgate and enforce work rules. Any such work rule which is in conflict with the specific written terms of this Agreement shall be null and void. As existing work rules, policies and regulations are reduced to writing, copies will be forwarded to the Union and to the Office of State Employer.

A. The Union shall be provided a copy of the proposed issuance ten (10) calendar days prior to its intended implementation date.

B. The Union shall be entitled to offer any comments or suggested modifications it desires to the issuance prior to its implementation.

C. The provisions of A and B of this Section shall not be applicable during periods of emergency; provided, however, that the Union shall be advised by the Employer of the reason for the emergency.

D. No Appointing Authority may promulgate and/or implement any work rules which contradict the provisions of this Agreement. Work rules developed after the effective date of this Agreement shall not be enforceable unless promulgated in accordance with the provisions of this section.

Nothing in this Agreement shall operate to restrict any operating unit of the Employer from establishing work rules, provided the provisions of this Section have been observed.

Any grievance pertaining to a work rule shall be limited to a claim that the application of a particular work rule violates a specific written provision of this Agreement.

Work rules promulgated by the Department of Community Health will be applied on a Department-wide basis.

Section 7. Notice of Examination.

The Employer agrees to post or make available notices of examinations for classifications within the representation unit, and supply at least one copy of such notices to the Union, if not previously provided.

If a Civil Service examination is only given during an employee's regular work hours and the examination can not be taken on a rescheduled basis within four weeks of its originally scheduled date, upon written request, the employee will be granted time off to take the examination without loss of pay provided:

A. The employee provides the maximum possible advance notice to the Employer;

B. Such absence does not substantially interfere with the Employer's operations at the employee's work location.

1 Such requests shall not be unreasonably denied.

2 **Section 8. In-Service Training.**

3 The Employer recognizes that it has the obligation to determine training needs.
4 Training may take the form of either on-the-job or formalized training. The
5 Employer will, with available funds, provide sufficient training, to enable
6 Technical Unit employees to effectively deal with circumstances normally met on
7 the job. Such obligation may be discussed in labor-management meetings.

8 Where the employer requires an employee to attend training, the employer will
9 either provide the training or pay for the training. Employees directed to attend
10 job training shall do so as a job duty and the employee shall be in pay status
11 while attending and traveling to/from such training. Expenses incurred by an
12 employee while attending such training shall be reimbursed in accordance with
13 the applicable travel regulations. In furnishing information to employees,
14 handbooks, summaries and other suitable formats may be used.

15 **Section 9. Printing Agreement.**

16 The Employer shall be responsible for the cost and providing of its own copies of
17 this Agreement. The Employer and Union shall jointly proof this Agreement
18 against the tentative Agreement ratified by the parties and approved by the Civil
19 Service Commission and shall agree upon a cover color and format prior to final
20 printing and distribution. The Union shall be responsible for the cost and
21 providing of its own copies, and copies to be provided to employees in the
22 Bargaining Unit; the Employer shall be responsible for providing copies to
23 supervisors of such employees. Copies of this Agreement shall be available to be
24 consulted by an employee upon request in the office of every supervisor of
25 employees covered by this Agreement.

26 **Section 10. Secondary Negotiations and Agreements.**

27 There may be secondary negotiations only as specifically provided by the
28 provisions of this Agreement and/or as defined by and provided for in the
29 Employee Relations Policy Rule, and decisions issued pursuant to that policy.

30 No provisions of any secondary agreements shall supersede or conflict with any
31 provisions of the primary Agreement and no secondary agreement shall become
32 effective until and unless it has been reviewed and approved by the Union, the
33 Office of the State Employer, and the Civil Service Commission.

34 Upon the request of either party to commence secondary negotiations, said
35 negotiations shall begin. All secondary negotiations shall be concluded within
36 ninety (90) calendar days after the effective date of this Agreement.

37 **Section 11. Damage, Theft and/or Loss of Personal Effects.**

38 The Employer or insurance carrier will reimburse the employee for the cost of
39 repairing or replacing personal effects (possessions owned by the employee)

including motor vehicles damaged, stolen or lost while the employee is in the line of duty, in accordance with applicable laws and/or regulations of the State Administrative Board (Chapter 9, Section 2 of the Department of Management and Budget Administrative manual) in effect on the effective date of this Agreement, or as subsequently altered as to allowable maximum dollar amount.

Section 12. Space for Personal Effects.

Within budgetary and space limitations, the Employer will provide secure storage space for wearing apparel and personal property of an employee. The Employer shall be held harmless for the loss or theft of any apparel or property which the employee may suffer as a result of such storage space.

Section 13. Tools and Equipment.

The Employer agrees that when tools and equipment are furnished by the Employer they shall be in safe working condition, and they shall be maintained by the employee in such condition. Employees shall not use such tools and equipment for personal use except as expressly authorized by management.

All items provided above remain the property of the Employer. Upon separation, all items, other than those worn out through normal use, must be returned (or paid for) by the employee before the final paycheck will be issued.

Section 14. Legal Services.

Whenever any civil action is commenced against any employee alleging negligence or other actionable conduct, if the employee was in the course of employment at the time of the alleged conduct and had a reasonable basis for believing that the conduct was within the scope of the authority delegated to the employee, the Appointing Authority in cooperation with the Attorney General shall as a condition of employment, pay for or engage or, at its option, furnish the services of an attorney to advise the employee and to appear for and represent the employee in the action. No such legal services shall be required in connection with prosecution of a criminal suit against an employee. Nothing in this Section shall require the reimbursement of any employee or insurer for legal services to which the employee is entitled pursuant to any policy of insurance.

Payment of any judgment rendered against an employee for actions engaged in by the employee in accordance with the above-cited provisions shall be in accordance with established practice.

Section 15. Jury Duty.

1 compensation, excluding court paid travel expenses, received from the court
2 during the period of absence.

3 Employees must report to work if released by the court when they will have at
4 least two (2) hours of the employee's shift remaining when they arrive at the work
5 site. Employees may keep jury duty compensation by charging the period of
6 absence to either annual leave or lost time.

7 **Section 16. Union Presentations.**

8 The Employer agrees to notify the Union as soon as administratively feasible
9 when new bargaining unit employees are hired. Within one (1) week of Union
10 notification, a designated steward or representative will have an opportunity to
11 make a presentation to new employees. Such presentation shall not exceed a
12 time period of one-half (½) hour.

13 **Section 17. Supplemental Employment.**

14 Employees shall be permitted to engage in supplemental employment under the
15 following conditions:

16 A. The supplemental employment must in no way conflict or interfere with State
17 employment, and

18 B. The supplemental employment must not present a conflict of interest as
19 defined by Civil Service Rules and implementing procedures, and

20 C. The employee must secure the written approval of the Departmental
21 Employer in accordance with Civil Service Rules.

22 Should the Employer believe that an employee's supplemental employment
23 interferes with State employment or is not in accordance with this Agreement, the
24 employee shall be given reasonable time to promptly terminate the supplemental
25 employment before the imposition of disciplinary action.

26 **Section 18. Child Care.**

27 The subject of day care and an information and referral service to assist
28 employees in locating quality child care may be discussed at a statewide
29 labor-management meeting (Article 15, Section 5).

30 **Section 19. Commercial Drivers License.**

31 As a result of recent Federal statutory requirements, the State of Michigan
32 enacted Act 346 of 1988. The parties agree that as a result of these statutory
33 requirements some employees within the Technical Bargaining Unit may be
34 required to obtain and retain a Commercial Drivers License (CDL) to continue to
35 perform certain duties for the State.

36 Whenever a CDL is referred to in this Section, it is understood to mean the CDL
37 and any required endorsements.

Article 23

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 In order to implement this provision, the parties agree to the following:

2 A. The Employer will reimburse the cost of obtaining and renewing the required
3 CDL group license and endorsements for those employees in positions where
4 such license and endorsements are required.

5 B. The Employer will reimburse, on a one time basis, the fee for the skills test, if
6 required, provided the skills test is not being required because of the
7 employee's poor driving record. In that case, the employee is responsible for
8 the cost of the skills test. Where a skills test is required, the employee will be
9 permitted to utilize the appropriate state vehicle.

10 C. Employees shall be eligible for one grant of administrative leave to take the
11 test to obtain or renew the CDL. Should the employee fail the test initially, the
12 employee shall complete the necessary requirements on non-work time.

13 D. Employees reassigned to a position requiring a CDL shall be eligible for
14 reimbursement and administrative leave in accordance with paragraphs 1, 2,
15 and 3 of this Section.

16 E. Employees desiring to transfer, promote, bump or be recalled to a position
17 requiring a CDL are not eligible for reimbursement for obtaining the initial CDL
18 but shall be eligible for reimbursement for renewals.

19 F. Employees who fail to obtain, or retain, a CDL may be subject to removal
20 from their positions. Employees who fail required tests may seek a 90 day
21 extension of their current license, during which the Employer will retain the
22 employee in his or her current or equivalent position. The Employer shall not
23 be responsible for any fees associated with such extensions.

24 At the end of the 90 day extension, if the employee fails to pass all required
25 tests, the employee may be reassigned at the Employer's discretion, in
26 accordance with applicable contractual provisions, to an available position not
27 requiring a CDL for which the employee is qualified, or, if no position is
28 available the employee will be laid off without bumping rights and will be
29 placed on the Departmental Recall List, subject to recall in accordance with
30 this Agreement.

31 Those employees not choosing to extend their license for the 90 day period
32 will be removed from their positions at the expiration of their current license
33 and may be reassigned at the Employer's discretion, in accordance with
34 applicable contractual provisions, to an available position not requiring a CDL
35 for which the employee qualifies, or if no position is available, he or she will
36 be laid off without bumping rights and will be placed on the Departmental
37 Recall list.

38 G. Employees required to obtain a medical certification of fitness shall have the
39 "Examination to Determine Physical Condition of Drivers" form filed in their
40 medical file. A copy of the medical "Examiners Certificate" shall be placed in

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 their personnel file. The Employer agrees to pay for the examination and to
2 grant administrative leave for the time necessary to complete the
3 examination. The fitness standards for a CDL are unchanged from current
4 Federal Department of Transportation Standards and Michigan Motor Carrier
5 Standards.

6 H. Employees who do not meet the required physical standards but who are
7 otherwise qualified for a CDL may apply for a waiver to the Motor Carrier
8 Appeal Board.

9 I. Those employees employed by the State as intra-state drivers prior to June
10 10, 1984 shall be grandparented into the process and thereby be exempt
11 from the medical certification requirement.

Compensation

Section 1. General Wages.

A. Fiscal Year 2014-2015.

1. On October 1, 2014 the base hourly rate in effect at 11:59 p.m. on
September 30, 2014, for each step in the Bargaining Unit shall be
increased by 2% (two percent).

2 At the end of the first full pay period in October, 2014, each full-time
employee who is on the payroll as of October 2, 2014, and who has
accumulated no less than two thousand eighty (2080) hours of current
continuous service since October 1, 2013, shall be paid a one-time cash
payment of 0.5% of the annualized base hourly rate of pay in effect as of
October 2, 2014, which shall not be rolled into the base wage. For a full-
time employee who has accumulated less than two thousand eighty
(2080) hours of current continuous service since October 1, 2013, this
payment shall be pro-rated based on the ratio between the employee's
actual continuous service hours earned after October 1, 2013, and two
thousand eighty (2080) hours, times 0.5% of the annualized base hourly
rate of pay in effect as of October 2, 2014.

At the end of the first full pay period in October, 2014, or the first
subsequent pay period in Fiscal Year 2014-15 for which the employee
receives a pay check, each permanent-intermittent employee, part-time
employee or seasonal employee, who is on the payroll as of October 2,
2014, and who was either: 1) on the payroll on October 1, 2013, 2) on
furlough on October 1, 2013, 3) on seasonal layoff on October 1, 2013,
who has accumulated less than two thousand eighty (2080) hours of
current continuous service between October 1, 2013, and September 30,
2014, shall be paid a one-time cash payment which shall not be rolled into

Article 24

The State of Michigan and SEIU 517M, Technical Unit**

the base wage. For each such employee, this payment shall be pro-rated based on the ratio between the employee's actual continuous service hours earned between October 1, 2013, and September 30, 2014, and two thousand eighty (2080) hours, times 0.5% of the annualized base hourly rate of pay in effect as of October 2, 2014.

B. Fiscal Year 2015-2016.

1. On October 1, 2015 the base hourly rate in effect at 11:59 p.m. on September 30, 2015, for each step in the Bargaining Unit shall be increased by 2% (two percent).

C. Rates Of Compensation.

Effective October 1, 2005, a new base step will be added to each level of each pay range which shall be the current base step minus the difference between the current base step and the first step. In the event that the creation of such a new base step results in an employee employed in this bargaining unit on January 1, 2005 being placed at a lower pay rate upon promotion than they would have received under the pay range structure in place on September 30, 2005, the employer will utilize provisions of Civil Service Regulation 5.01 Section 3.d.3.a(3) to grant an additional step.

Section 2. Shift Differential.

Employees shall be paid a shift differential of five percent (5%) per hour above their base rate for all hours worked in a day if fifty percent (50%) or more of their regularly scheduled shift falls between the hours of 4:00 pm and 5:00 am.

An employee shall earn no shift differential while on sick, annual, compensatory, holiday, personal or administrative leave. However, it is expressly agreed that if an employee is released from his/her work schedule pursuant to the provisions of this Agreement, and if the employee would be entitled by other provisions of this Agreement to pay for such released time, and if such released time would be paid a shift differential if worked, then such released time shall be paid the shift differential. The activities for which the shift differential will be paid are:

- Grievance Processing, including witness time;
- Labor Management Meetings;
- Health and Safety Committee Meetings;
- Affirmative Action Committee Meetings.

Section 3. Hazard Pay.

- A. Criteria: An employee who is required to work under the following conditions shall be entitled to receive the hazard pay premium provided in Subsection B below:

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

- 1 (1) Heights: Work on high structures in excess of forty (40) feet, which
2 requires the use of scaffolding or safety harnesses. Work performed from
3 safety buckets (aerial equipment) is not considered high structure work.
- 4 (2) Tunnels: Work in tunnels (new construction or reconstruction where
5 mining equipment is involved). Work in caissons is not considered tunnel
6 work.
- 7 B. Rate: An employee who meets the criteria in Subsection A above shall be
8 paid one dollar (\$1.00), for each hour worked on high structures or in tunnels,
9 with a minimum of four (4) hours hazard pay per exposure day. Hazard pay
10 shall be in addition to, and not a part of, the base pay.
- 11 C. Study Committee:
- 12 (1) The parties agree to establish a committee within each Department for the
13 purpose of determining means and methods for identifying hazards and
14 hazardous conditions and for effectively dealing with those hazards and
15 hazardous conditions.
- 16 (2) Each committee shall be composed of two (2) members to be selected by
17 and employed by the Department and two (2) members selected by the
18 Union and employed in the Department. The Union members will be
19 granted Administrative Leave for all approved time related to these
20 committees. Such committees shall meet as often as necessary but for no
21 longer than a sixty (60) day period following the initial session during any
22 contract year.
- 23 (3) At the conclusion of this period any joint recommendations arrived at by
24 these committees shall be provided to the respective Departmental
25 Employer for its consideration for implementation.
- 26 (4) An Administrative Leave Bank of 300 hours per contract year shall be
27 established which shall be for the use of the Union for the purpose of
28 researching workplace hazards and related issues. This Administrative
29 Leave Bank shall be administered as provided in Article 7, Section 5 of
30 this Agreement.

31 **Section 4. Prison "P" Rate.**

- 32 A. Eligibility Criteria: An employee shall be eligible for the "P" rate premium
33 provided in Section B below if the position is assigned responsibility for the
34 custody or supervision of Department of Corrections residents on a regular
35 and recurring basis in addition to the regular job duties, or if it is located at a
36 correctional facility and is responsible to handle personal, financial, or other
37 matters affecting the well being of Department of Corrections residents on a
38 regular and recurring basis.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

The following interpretive criteria shall apply in determining employee eligibility for "P" rate pay:

(1) Within the Department of Corrections, the position in question must be physically located within an institution under the jurisdiction of the Bureau of Correctional Facilities. Positions in other Departments must supervise residents assigned from the Bureau of Correctional Facilities.

(2) A position where the work location is within the security perimeter of a medium, close or maximum custody correctional facility, thereby placing the employee in an environment where physical confrontation will occur, is one in which the employee is eligible.

(3) "Regular and recurring" is defined as contact with residents in person, twenty five percent (25%) or more of the work time, in an environment that would permit a physical act to occur.

(4) An employee working in a "covered position" within the meaning of P.A. 302 of 1977, as amended, is eligible.

B. Regular "P Rate": An employee who meets the criteria in Subsection A, paragraphs (1) through (3) above, shall be paid 40 cents per hour for all hours in pay status. Prison "P" rate shall be in addition to, and not a part of, the employee's base pay. Effective upon ratification of this agreement by the Civil Service Commission, an employee who meets the criteria in Subsection A, paragraph (4) above, shall also be entitled to the 40 cents per hour "P" rate as described above.

C. High Security Premium Pay: Effective October 1, 1990 the Employer will initiate the High Security Premium Pay program described below. The program is intended to provide financial incentives to Technical Unit Employees to continue working in certain high security correctional assignments, and not to transfer to other, lower security, assignments, work locations, and institutions.

(1) Employees with at least two (2) years of continuous service who are eligible for "P" rate premium under Subsection A, above, who are assigned to close, maximum and administrative segregation work units within a Department of Corrections, Bureau of Correctional Facilities Institution which is designated by the Michigan Corrections Commission as having: A close, maximum or administrative segregation overall rating, or a close/medium overall rating with an administrative segregation unit shall be paid 50 cents per hour for all hours in pay status. Such payment shall be in addition to, and not part of, the employees' base pay. In the event that any disputes arise with respect to application of Article 24, Section 4B - High Security "P" rate, these disputes shall be subject to the grievance procedure.

Section 5. On-Call Pay.

- A. Definition: On-call is defined as the scheduled state of availability, outside the scheduled hours of work, to return to duty, work ready, within a specified period of time. General availability of an employee as "back-up" to working personnel in the event of extreme emergency is not considered on-call status.
- B. Criteria: An employee scheduled by the Employer for on-call duty is required to remain available through a pre-arranged means of communication. An employee so scheduled who is not available when contact is attempted, or who is not able or willing to report to duty, work ready, within the prescribed time shall not be eligible for on-call compensation for that date.
- C. Compensation Rate: An employee scheduled for on-call duty shall be compensated at the rate of one (1) hour of base pay for each five (5) hours in on-call duty status. On-call hours shall not be considered hours worked for any purposes other than the payment provided herein, and no overtime payment shall be made for such on-call hours.
- D. Recall While in On-Call Status: An employee who, at the Employer's direction, actually returns to duty while in on-call status shall be compensated for those hours actually worked in accordance with Article 17, Hours of Work, Section 7.

Section 6. Longevity.

- A. Eligibility:
- (1) Career employees who separate from state service and return and complete five years (10,400 hours) of full-time continuous service prior to October first of any year shall have placed to their credit all previous state classified service earned.
 - (2) To be eligible for a full annual longevity payment after the initial payment, a career employee must have completed continuous full-time classified service equal to the service required for original eligibility, plus a minimum of one additional year (2080 hours).
 - (3) Career employees rendering seasonal, intermittent or other part-time classified service shall, after establishing original eligibility, be entitled to subsequent annual payments on a pro rata basis for the number of hours in pay status during the longevity year.
- B. Payments: Payment shall be made in accordance with the table of longevity values based on length of service as of October 1.
- (1) No active employee shall receive more than the amount scheduled for one annual longevity payment during any twelve month period except in the event of retirement or death, or as provided in paragraph 7 of this sub-section.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 (2) Initial payments—employees qualify for their initial payment by completing
2 an aggregate of five years (10,400 hours) of continuous service prior to
3 October 1. The initial payment shall always be a full payment (no
4 proration).

5 (3) Annual payments

6 a. Employees qualify for full annual payment by completing 2,080 hours
7 of continuous service during the longevity year.

8 b. Employees who are in pay status less than 2,080 hours shall receive a
9 pro rata annual payment based on the number of hours in pay status
10 during the longevity year.

11 (4) Payments to employees who become eligible on October 1 of any year
12 shall be made on the pay date following the first full pay period in October;
13 except that pro rata payments in case of retirement or death shall be
14 made as soon as practicable thereafter.

15 (5) Lost time considerations

16 a. Lost time is not creditable continuous service nor does it count in
17 qualifying for an initial or an annual payment.

18 b. Employees do not earn state service credit in excess of 80 hours in a
19 bi-weekly pay period. Paid overtime does not offset lost time, except
20 where both occur in the same pay period.

21 (6) Payment to employees on leave of absence without pay and layoff on
22 October 1.

23 a. An employee on other than a waived rights leave of absence, who was
24 in pay status less than 2,080 hours during the longevity year, will
25 receive a pro rata annual payment based on the number of hours in
26 pay status during the longevity year; such payment shall be made on
27 the pay date following the first full pay period in October.

28 b. An employee on a waived rights leave of absence will receive a pro
29 rata longevity payment upon returning from leave.

30 (7) Effective with the pay period beginning August 20, 2000 the anniversary
31 date longevity system will be discontinued. Payments for the conversion
32 period will be as outlined below.

33 a. If the employee has more than 12,480 hours prior to October 1, 2000
34 and has received a longevity payment since the end of the last fiscal
35 year, the employee shall receive a pro-rated payment in October 2000
36 based on the number of hours in pay status between the longevity
37 anniversary date and October 1, 2000.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 b. If the employee has more than 12,480 hours of continuous service
2 prior to October 1, 2000 and has not received a longevity payment
3 since September 30, 1999, the employee's longevity payment in
4 October, 2000 will be calculated based on the number of hours in pay
5 status between his/her last longevity anniversary date and October 1,
6 2000, as a percentage of 2,080 hours. If an employee is scheduled to
7 receive an anniversary longevity payment on or after August 20, 2000
8 but before October 1, 2000, the employee's longevity payment in
9 October, 2000 will include both the anniversary longevity payment
10 amount and an additional amount based on the number of hours the
11 employee has been in pay status between the longevity anniversary
12 date and October 1, 2000.

13 (8) Payment at retirement or death.

14 An employee with 10,400 hours of currently continuous service, who
15 separates by reason of retirement or death, shall qualify and receive both
16 a terminal and a supplemental payment as follows:

17 a. A terminal payment, which shall be either:

18 1. A full initial longevity payment based upon the total years of both
19 current and prior service, if the employee has not yet received an
20 initial longevity payment; or,

21 2. A pro rata payment for time worked from the preceding October 1
22 to the date of separation, if previously qualified. The pro rata
23 payment is based on hours in pay status since October 1 of the
24 current fiscal year.

25 b. A supplemental payment for all time previously not counted in
26 determining the amount of prior longevity payments, if any.

27 C. Longevity Overtime: Upon conversion, the regular rate add-on for longevity
28 will be calculated and paid retroactively for overtime worked in the previous
29 fiscal year. This amount will be included in the longevity payment. In 2000
30 only, the regular rate add-on for longevity will be calculated retroactively for
31 overtime worked on and between August 20, 2000 and September 30, 2000,
32 and will be paid with the longevity payment in the first full pay period in
33 October 2000.

34 **Section 7. Working out of Class.**

35 (In accordance with Civil Service Rule 6-3.2, the parties cannot negotiate working
36 out of class as it is a prohibited subject of bargaining.)

37 **Section 8. Compensation Policy under Conditions of General Emergency.**

38 A. General Emergency: Conditions of general emergency include, but are not
39 necessarily limited to, severe or unusual weather, civil disturbances, loss of

Article 24

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 utilities, physical plant failures, or similar occurrences. Such conditions may
2 be widespread or limited to specific work locations.

3 B. Administrative Determination: When conditions in an affected area or a
4 specific location warrant, State facilities may be ordered closed or, if closure
5 is not possible because of the necessity to continue services, a facility may be
6 declared inaccessible. The decision to close a State facility or to declare it
7 inaccessible will be at the full discretion of the Governor or his/her designated
8 representative.

9 C. Compensation in Situation of Closure: When a state facility is closed by the
10 Governor or his/her designated representative, affected employees will be
11 authorized administrative leave not to exceed a period of seven (7) calendar
12 days to cover their normally scheduled hours of work during the period of
13 closure.

14 Individual employees of facilities ordered closed may be required to work to
15 perform essential services during the period of closure. When such is the
16 case, these employees will be compensated in the manner prescribed for
17 employees who work under conditions of declared inaccessibility. (See D)

18 D. Compensation in Situation of Inaccessibility: If a State facility has not been
19 closed but declared inaccessible in accordance with the Governor's policy,
20 and an employee is unable to report for work due to such conditions, he/she
21 will be granted administrative leave to cover his/her normally scheduled hours
22 of work during the period of declared inaccessibility.

23 An employee who works at a State facility during a declared period of
24 inaccessibility will be paid his/her regular salary and, if overtime work is
25 required, in accordance with the overtime pay provisions of this Agreement. In
26 addition, such employees will be granted compensatory time off (within a
27 reasonable period of time) equal to the number of hours worked during the
28 period of declared inaccessibility.

29 E. Additional Timekeeping Procedures: If a State facility has not been closed or
30 declared inaccessible during severe weather or other emergency conditions,
31 an employee unable to report to work because of these conditions will be
32 allowed to use annual leave or compensatory time credits. If sufficient credits
33 are not available, the employee shall be placed on lost time.

34 When an employee is absent from a scheduled work period, a portion of
35 which is covered by a declaration of closure or inaccessibility, annual leave or
36 compensatory time credits may be used to cover that portion of his/her
37 absence not covered by administrative leave. If sufficient credits are not
38 available, the employee will be placed on lost time.

39 Employees who suffer lost time as the result of the application of this policy
40 will receive credit for a completed biweekly work period for all other purposes.

Section 9. Severance Pay.

In recognition of the fact that the de-institutionalization of the Department of Mental Health resident population has resulted and will continue to result in the layoff of a large number of State employees, and in recognition of the fact that such layoffs are likely to result in the permanent termination of the employment relationship, the parties hereby agree to the establishment of severance pay for certain employees.

A. Definitions:

(1) Layoff -- For purposes of this Section, layoff is defined as the termination of active State employment solely as a direct result of a reduction in force. Other separations from active State employment such as leaves of absence, resignation, suspension or dismissal shall not be considered a layoff under the terms of this section.

(2) Week's Pay -- Week's Pay is defined as an employee's gross pay for forty (40) hours of work at straight time, excluding any differential or premium pay, at the time of layoff.

(3) Year of Service -- Year of Service is defined as 2088 hours recorded in the Continuous Service Hours counter (see chart below).

B. Eligibility: The provisions of this Section shall apply only to Department of Mental Health agency based employees with more than one year of service who have been laid off because of a reduction in the resident population in State institutions. Further, the following employees shall not be eligible to receive severance pay:

(1) Employees who are in less than satisfactory employment status.

(2) Employees eligible to receive retirement pay at time of layoff.

(3) Employees with a temporary or limited term appointment having a definite termination date.

C. Time and Method of Payment: After an employee has been laid off for six (6) months in accordance with the provisions of this Section, he/she shall be notified by the Agency in writing that he/she has the option of remaining on the recall list(s) or of accepting a lump sum severance payment and thereby forfeiting all recall rights. The employee must notify the Agency in writing of his/her decision either to accept the severance payment or to retain recall rights. An employee who does not notify the Agency in writing of his/her decision shall be deemed to have elected to retain recall rights.

If the employee chooses to remain on recall and rejects the payment, the employee has the option at any time within the next six (6) months of accepting the lump sum severance payment and thereby forfeiting all recall

rights. An employee who reaches such decision during the second six (6) month period shall notify the Agency in writing of his/her decision.

An employee who has been laid off for twelve (12) months shall be notified by the Agency in writing that he/she must choose either to accept the lump sum severance payment or to reject such payment. By rejecting such payment, the employee shall retain recall rights in conformance with the provisions of this Agreement and shall have no further opportunity to receive severance payment. The employee must notify the Agency in writing of his/her decision within fourteen (14) calendar days of receipt of the Agency's notification. An employee who does not notify the Agency in writing of his/her decision to accept the severance payment shall be deemed to have permanently rejected such payment and to have retained recall rights in accordance with Article 13. If an employee elects to accept the lump sum payment, the employee's name shall be removed from all recall lists and such payment shall be made by the Agency within sixty (60) calendar days of receipt of the employee's decision.

D. Disqualification: An employee laid off as defined in this Section who has not elected in writing to accept severance payment shall be disqualified from receiving such payment under the following conditions:

(1) If the employee is deceased.

(2) If the employee is hired for any position by an Employer:

a. If such employment requires a probationary period, upon successful completion of such period.

b. If no probationary period is required, upon date of hire.

c. If a probationary period is required and the employee does not successfully complete such required probationary period and is therefore separated, such time of employment shall be bridged for purposes of the time limits in Subsection C above.

(3) An employee who refuses recall to or new State employment hiring within a seventy five (75) miles radius of the Agency from which he/she was laid off.

(4) An employee permanently recalled to another job in State Government.

E. Effect of Recall:

(1) An employee temporarily recalled for sixty (60) calendar days or less shall have such time bridged for purposes of counting the time in accordance with Subsection C above.

(2) An employee permanently (more than sixty (60) calendar days) recalled to a position in this Bargaining Unit and subsequently laid off shall have the same rights as if he/she were laid off for the first time. The time limits

1 listed in Subsection C above shall be applied from the date of the most
2 recent layoff.

3 F. Effect of Hiring: If an employee has accepted severance payment and is hired
4 in the State Classified Service or into a State funded position caring for
5 residents within two (2) years of the acceptance of severance payment, such
6 employee shall repay to the State the full net (gross less employee's FICA
7 and income taxes) amount of the severance payment received. Such
8 repayment shall not be required until after the employee has successfully
9 completed a required probationary period. Once such employee has
10 successfully completed the required probationary period, that employee shall
11 have a one (1) year period to make the repayment to the Agency from which
12 the severance payment was received. The details of the method and time
13 schedule for such repayment shall be discussed between the employee and
14 the Agency and reduced to writing and signed by the employee and the
15 Appointing Authority or designee of the Agency. In cases of unusual hardship
16 and by mutual consent the one year period may be extended.

17 G. Payment: An employee who elects in writing to receive severance pay shall
18 receive an explanation of the terms of such severance pay. The Office of the
19 State Employer shall develop a form which explains to such employee all the
20 conditions attendant to acceptance of severance pay. The employee and
21 Appointing Authority or designee shall sign this form and the signatures shall
22 be witnessed.

23 No employee is entitled to receive severance payment until and unless
24 he/she has signed the above mentioned form. The employee shall receive a
25 carbon copy of the signed form.

26 The Employer shall deduct from the amount of any severance payment any
27 amount required to be withheld by reason of law or regulation for payment of
28 taxes to any Federal, State, County or Municipal Government. Eligible
29 employees as indicated in Subsections A-F above shall receive severance
30 payment according to the following schedule:

31 (1) Employees who have from one (1) through five (5) years of service: One
32 week's pay for every full completed year of service, years 1-5;

33 (2) Employees who have more than six (6) full years of service: Two week's
34 pay for every full completed year of service, years 6-10;

35 (3) Employees who have more than eleven (11) full years of service: Three
36 week's pay for every full completed year of service from year 11 on. For
37 amounts, see attached schedule.

38 Employees who work less than full time (80 hours per pay period) shall be
39 eligible in accordance with Subsections A-F above, to receive a
40 proportional severance payment in accordance with the following formula:

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

The Agency shall calculate the average number of hours such employee worked for the calendar year preceding such employee's layoff. This number shall then be used to determine the proportion of such employee's time in relation to full-time employment. This proportion shall then be applied to the above payment schedule for purposes of payment. (See attached example).

However, no employee shall be entitled to receive more than fifty two (52) weeks of severance pay.

H. Effect on Retirement: The acceptance or rejection of severance pay shall have no effect on vested pension rights under the Retirement Act. The parties agree that the severance payment shall not be included in the computation of compensation for the purpose of calculating retirement benefits and will seek and support statutory change if such legislation is necessary to so provide.

I. Effective Date: The provisions of this Section shall apply to employees in the Technical Unit in the Department of Mental Health laid off on or after October 1, 1983.

9 are required, an employee, at his/her option, may elect to receive shoes provided
10 by the employer or receive an allowance of up to \$125.00 plus any medically
11 required options, once per calendar year or, at the employee's option, receive an
12 allowance of \$250.00 every 2 calendar years. An employee who demonstrates to
13 the Employer the need for replacement safety shoes within the year, will, at the
14 employee's option, be provided with replacements by the Employer in
15 accordance with current practices or be reimbursed by the Employer up to \$50
16 (supported by a receipt) for the purchase of replacement safety shoes. In no
17 event shall such allowance or reimbursement exceed the actual cost of the
18 employee purchased protective item.

Section 11. Compensation Policies During Promotional Interviews.

Employees selected by the Employer to participate in promotional interviews within the employee's own Department shall be released from work with pay for necessary travel time to and from the interview and for the interview itself. Travel expenses are not authorized.

Section 12. Special Pay Application.

Upon appointment to a different classification series where the employee does not meet the experience requirements for the journey (experienced) level, the employee's rate of pay shall be maintained at the previous rate until the employee becomes eligible for the experienced level of the new classification series, provided the previous rate of pay does not exceed the maximum of the new experienced level class. In such case, the employee shall be paid at the maximum of the new experienced level class.

Section 13. Clothing/Cleaning Allowance.

Effective October 1, 2005, Dental Hygienists shall be paid the gross sum of \$125 per year as a clothing/cleaning allowance. Such payment shall be made on the first pay date in December.

ARTICLE 25

Leave and Holidays

Section 1. Sick Leave.

A. Allowance: Employees in permanent or limited term positions covered by this Agreement shall be credited with four (4) hours of paid sick leave for each completed eighty (80) hours of service or to a prorated amount if paid service is less than eighty (80) hours in the pay period. Paid service in excess of eighty (80) hours in a biweekly work period shall not be counted.

Sick leave shall be credited at the end of the biweekly work period.

Sick leave shall be considered as available for use only in pay periods subsequent to the biweekly work period in which it is earned. The prorated amount shall be based on the number of hours in pay status divided by eighty (80) hours multiplied by four (4) hours.

Sick leave shall not be allowed in advance of being earned. If an employee has insufficient sick leave credits to cover a period of absence, no allowance for sick leave shall be posted in advance or in anticipation of future leave credits. In the absence of sick and annual leave credits, payroll deduction (lost time) for the time lost shall be made for the work period in which the absence occurred. The employee may elect not to use annual leave to cover such absence.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

- 1 B. Utilization: Sick leave may be utilized by an employee in the event of illness,
2 injury, temporary disability, or exposure to contagious disease endangering
3 others, or for illness or injury in the immediate family, which necessitates
4 absence from work. "Immediate family" in such cases means the employee's
5 spouse, children, parents or foster parents, parents-in-law, brothers, sisters,
6 grandparents, and any persons for whose financial or physical care the
7 employee is principally responsible. Sick leave may be used for absence
8 caused by the attendance at the funeral of a relative, or person for whose
9 financial or physical care the employee has been principally responsible.
- 10 An employee shall be granted a minimum of five (5) days of leave, if such is
11 requested, in the event of the death of a member of the employee's family,
12 with a maximum of four (4) such days taken as sick leave. The employee
13 shall be allowed reasonable and necessary time off, by his/her mutual
14 agreement with the supervisor, in excess of said five (5) days.
- 15 Sick leave may also be used for an appointment with a physician, dentist, or
16 other professional licensed medical practitioner to the extent of time required
17 to complete such appointments when it is not possible to arrange such
18 appointments for non-duty hours. For purposes of this Section, the terms
19 doctor and other licensed medical practitioner shall include a psychologist
20 and/or a chiropractor only if such practitioner is licensed by a State, and only
21 if such appointment is a result of a direct referral by a licensed Doctor of
22 Medicine (M.D.) or Doctor of Osteopathy (D.O.).
- 23 An employee may also use sick leave for a health screening appointment at
24 an authorized Employer operated health screening unit.
- 25 C. Disability Payment: In case of work incapacitating injury or illness for which an
26 employee is or may be eligible for work disability benefits under the Michigan
27 Workers Disability Compensation Law, such employee may be allowed salary
28 payment which, with the work disability benefit, and any other statutory
29 benefit, equals two-thirds (2/3) of the base salary or wage. Leave credits may
30 be utilized to the extent of the difference between such payment and the
31 employee's base salary or wage.
- 32 D. Pay for Accumulated Sick Leave: An employee who separates from the State
33 Classified Service for retirement purposes in accordance with the provisions
34 of a State Retirement Act shall be paid for fifty percent (50%) of unused
35 accumulated sick leave as of the effective date of separation, at the
36 employee's final base rate of pay.
- 37 In case of the death of an employee, payment of fifty percent (50%) of unused
38 accumulated sick leave shall be made to the beneficiary or estate, at the
39 employee's final base rate of pay.
- 40 Upon separation from the state classified service for any reason other than
41 retirement or death, the employee shall be paid for a percentage of unused

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

accumulated sick leave in accordance with the following table of values.
Payment shall be made at the employee's final base rate of pay.

Sick Leave Hours	Percentage Paid
Less than 104	0
104 -- 208	10
209 -- 416	20
417 -- 624	30
625 -- 832	40
833 or more	50

No payoff under this Section shall be made to any employee initially appointed to the state classified service on or after October 1, 1980.

E. Proof: All requests for use of sick leave shall be certified by the employee as to its purpose. The Employer may require the employee to supply reasonable evidence of the basis for use of sick leave which extends beyond three (3) scheduled working days. The employee may also be required to furnish such proof of the basis for use of sick leave of any amount of hours in such cases where an employee has been previously disciplined and such discipline has not been overturned through the grievance procedure. Such proof must be requested at or before the time of notice of sick leave use and must be presented upon return to work.

Falsification of such evidence shall be cause for disciplinary action up to and including discharge. The Employer may require that an employee, at the Employer's cost, present medical certification of physical or mental fitness to continue working.

F. Return to Service: Previous unused sick leave allowance shall be placed to the credit of a laid off employee upon return to permanent employment within three (3) years of such layoff. A separated employee who received payment for unused accumulated sick leave under this Section and who returns to service shall not be credited with any previous sick leave allowance.

G. Transfer: Any employee who transfers, or who is reassigned without a break in service from one principal Department to another shall be credited with any unused accumulated sick leave balance by the principal Department to which transferred or reassigned.

H. Assaulted Employee: Public Acts 414, 452, 212, & 280. Employees who meet the definition of employee in the above Acts and who are injured (and disabled in accordance with the Acts) during the course of their employment

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

as a result of an assault by a recipient of the State's services (or inmate) or as a result of helping another employee in subduing a recipient or injured during an inmate riot shall receive their full net wages as follows: The Employee shall receive in addition to Worker's Compensation, a supplement from the Department which, together with Worker's Compensation benefits, shall equal but not exceed the biweekly net wage of the employee at the time of injury.

The employee shall not be entitled to such payment beyond the period of his/her disability, nor beyond the eligibility period provided in the applicable Act. This Section describes existing eligibility for compensation under the Acts, and administration and entitlement under this Section may be subject to change in response to legislative or court change.

Section 2. Annual Leave.

A. Initial Leave: Upon hire, each employee in a permanent or limited term position shall be credited with an initial annual leave grant of sixteen (16) hours, which shall be immediately available, upon approval of the Employer, for such purposes as voting, religious observance, and necessary personal business. The sixteen (16) hours initial grant of annual leave shall not be credited to an employee more than once in a calendar year.

B. Allowance: Paid service in excess of eighty (80) hours in a biweekly work period shall not be counted. An employee in a permanent or limited term position shall be entitled to annual leave with pay for each eighty (80) hours of paid service or to a prorated amount if paid service is less than eighty (80) hours in the pay period as follows:

Annual Leave Table	
Service Credit	Annual Leave
0-1 yrs (0- 2,079 hrs) =	4.0 hrs/80 hrs service
1-5 yrs (2,080-10,399 hrs) =	4.7 hrs/80 hrs service

C. Additional Allowance: Employees in a permanent or limited term position who have completed five years (10,400 hours) of currently continuous service shall earn annual leave with pay in accordance with their total classified service including military leave, subsequent to January 1, 1938 as follows:

Additional Allowance Table	
Service Credit	Annual Leave

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

10-15 yrs	(20,800 - 31,199 hrs) = 5.9 hrs/80 hrs service
15-20 yrs	(31,200 - 41,599 hrs) = 6.5 hrs/80 hrs service
20-25 yrs	(41,600 - 51,999 hrs) = 7.1 hrs/80 hrs service
25-30 yrs	(52,000 - 62,399 hrs) = 7.7 hrs/80 hrs service
30-35 yrs	(62,400 - 72,799 hrs) = 8.4 hrs/80 hrs service
35-40 yrs	(72,800 - 83,199 hrs) = 9.0 hrs/80 hrs service
40-45 yrs	(83,200 - 93,599 hrs) = 9.6 hrs/80 hrs service
45-50 yrs	(93,600 - 103,999 hrs) = 10.2 hrs/80 hrs service
etc.	

1 Solely for the purpose of additional annual leave and longevity compensation,
2 an employee shall be allowed State Service Credit for: Employment in any
3 non-elective excepted or exempted position in a principal Department, the
4 Legislature, or the Supreme Court which immediately preceded entry into the
5 State Classified Service, or for which a leave of absence was not granted; up
6 to five years of honorable service in the Armed Forces of the United States
7 subsequent to January 1, 1938, for which a Military Leave of Absence would
8 have been granted had the veteran been a State Classified Employee at the
9 time of entrance upon military service. When an employee separates from
10 employment and subsequently returns, military service previously credited
11 shall not count as current continuous state service for purposes of re-
12 qualifying for additional annual leave or longevity compensation if the
13 employee previously qualified for and received these benefits.

- 14 D. Crediting: Annual leave shall be credited at the end of the biweekly work
15 period in which eighty (80) hours of paid service is completed. Annual leave
16 shall be available for use only in biweekly work periods subsequent to the
17 biweekly work period in which it is earned.

18 When paid service does not total eighty (80) hours in a biweekly work period,
19 the employee shall be credited with a prorated amount of leave for that work
20 period based on the number of hours in pay status divided by eighty (80)
21 hours multiplied by the applicable accrual rate. No annual leave shall be
22 authorized, credited or accumulated in excess of the schedule below except
23 that an employee who is suspended or dismissed in accordance with this
24 Agreement and who is subsequently returned to employment with full back
25 benefits by an arbitrator under Article 9, shall be permitted annual leave
26 accumulation in excess of the schedule below. Any excess thereby created
27 shall be liquidated within one (1) year from date of reinstatement by means of
28 paid time off work or forfeited. If the employee separates from employment for
29 any reason during that one year grace period, the employee or beneficiary
30 shall be paid for no more than the maximum as indicated below of unused
31 credited annual leave.

No annual leave in excess of 240 hours shall be included in final average compensation for purposes of calculating the level of retirement benefits.

00 – 01 Years	296	256
01 – 05 Years	296	256
05 – 10 Years	311	271
10 – 15 Years	326	286
15 – 20 Years	341	301
20 – 25 Years	346	306
25 + Years	356	316

E. Transfer and Payoff: Employees who voluntarily transfer from one state department to another shall be paid off at their current base rate of pay for their unused annual leave. However, the employee may elect, in writing, to transfer up to eighty (80) hours of accumulated annual leave. Annual leave in excess of eighty (80) hours, if any, up to the maximum allowed in accordance with Subsection D immediately above, may be transferred with the approval of the Departmental Employer to whose service the employee transfers.

Employees who separate shall be paid at their current hourly base rate for the balance of their unused annual leave.

F. Utilization: An employee may charge absence to annual leave only with the prior approval of the Employer. Such approval shall be given in a timely manner. Annual leave shall not be credited or used in anticipation of future leave credits. In the absence of sufficient leave credits, payroll deductions (lost time) shall be made for the work period in which the absence occurred.

G. Scheduling:

(1) Consistent with the operational needs of the Employer, annual leave may be granted at such times during the year as requested by the employee, but only up to the maximum amount of annual leave credits in an employee's account prior to the initial date of the annual leave. "Operational needs of the employer" is defined as any situation in which approval of the annual leave would require or result in the payment of overtime or the temporary reassignment of other personnel to the worksite affected.

The Employer reserves the right to cancel previously approved annual leave and to require the employee to return to work within a reasonable period of time, in the event of emergency.

Any holiday recognized in this Agreement which occurs during the approved annual leave period will not be charged as annual leave time.

An employee on approved annual leave of three (3) consecutive work days or more who becomes ill or is injured and thereby requires (1) hospitalization, (2) emergency surgery/treatment and convalescence therefrom, or (3) return to home and confinement thereto, may convert the period to sick leave upon furnishing medical verification required by the Employer. An employee required to return from approved annual leave because of death or unexpected illness of a person for which sick leave could normally be used may convert such time to sick leave upon furnishing appropriate verification required by the Employer. When placing an employee on a medical leave of absence for which the employee will be receiving benefits under the State's Long-term Disability Insurance program, the Employer will not charge any paid time to the employee's annual leave balance if the employee requests the Employer in writing not to do so.

(2) Conflicts in Vacation Requests: Conflicts in requests for vacation of one (1) week or longer shall be resolved among employees within a work site or work unit on the basis of seniority. Requests for vacation of one (1) week or longer shall be posted for viewing by all employees at the work site.

If no employee with more seniority applies for the same vacation period within five (5) work days, the employee requesting the vacation shall be granted the vacation time. Once a vacation has been selected and approved as provided herein, such request shall not be superseded by the request of another employee. Nothing shall preclude the Employer from granting other employees the same period of time for their vacation period providing the operational needs can be met.

Requests for annual leave usage of less than one (1) week shall be given priority in the order received and will normally be submitted to the supervisor for approval or disapproval at least one day before the desired leave time, unless circumstances prevent the employee from making such request at least one day before the desired leave time.

H. Annual Leave Buy Back: An employee laid off from State employment who is recalled to a permanent position in a Department or Agency other than the one from which he/she was laid off, on other than a temporary basis, may elect to buy back up to eighty (80) hours of accrued annual leave which has been paid off. An employee recalled to the Department and Agency from which he/she was laid off may elect to buy back any portion of annual leave

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 up to the amount paid off. An employee electing this option shall buy back the
2 annual leave in the manner currently provided by Civil Service Rules and/or
3 Procedures. Such payment shall be made to the Department making the
4 original payoff. Such option may be exercised only once per recall, and may
5 only be exercised during the first thirteen (13) pay periods of the recall.

6 I. Annual Leave Freeze: An employee laid off from State employment may elect
7 to freeze annual leave up to the accrued balance at the time of layoff. Such
8 balance shall be retained until the employee elects to be paid off for the
9 balance, or until the employee's recall rights expire, whichever occurs first.
10 Payoff shall be at the employee's final base rate of pay.

11 **Section 3. Banked Leave Time.**

12 Accumulated Banked Leave Time (BLT) may be used by an employee in the
13 same manner as regular annual leave. Accumulated BLT hours shall not be
14 counted against the employee's regular annual leave cap, known as part a hours.
15 Before incurring unpaid Plan A or Plan C hours all BLT hours must be exhausted.

16 The employee must exhaust all BLT hours prior to being considered for any
17 annual leave donation. Upon an employee's separation, death or retirement from
18 state service, unused BLT hours shall be contributed by the state to the
19 employee's account within the State of Michigan 401(k) plan, and if applicable to
20 the State of Michigan 457 plan. Such contribution shall be treated as non-elective
21 employer contributions, and shall be calculated using the product of the following:
22 (i) the number of BLT hours and, (ii) the employee's base hourly rate in effect at
23 the time of the employee's separation, death, or retirement from state service.

24 **Section 4. Holidays.**

25 A. Designated Holidays: On the following contractual holidays, permanent or
26 limited term full-time employees shall be allowed eight (8) hours paid absence
27 from work, and, permanent or limited term seasonal, part-time, or intermittent
28 employees shall be allowed paid absence from work in proportion to their
29 average hours in pay status for the previous six (6) pay periods:

B. Holiday Scheduling:

(1) Monday through Friday Schedule Employees: Should a holiday fall on a Saturday, the preceding Friday shall be considered as the holiday; should a holiday fall on Sunday, the following Monday shall be considered the holiday. Substitute scheduling of holidays may continue in Departments currently following such practice.

(2) Seven-Day Rotational Schedule Employees: The holidays shall be observed on the date of occurrence, except that substitute scheduling of holidays may continue in Departments following such practice.

C. Payment for Working on a Holiday: An employee scheduled and required to work on a contractual holiday shall have the day treated as a regular work day. An employee who is in pay status for more than eighty (80) hours in a pay period as a result of working such holiday shall have time in excess of eighty (80) hours in a pay period treated as regular overtime work. An employee called back to work on such holiday shall be paid for hours worked on such holiday in accordance with Article 17, Hours of Work, Section 7, Callback.

5 reasonable cause, shall not be eligible for paid holiday absence for that
6 day. Such ineligibility shall be exclusive of any disciplinary action taken.

7 **E. Less Than Full-Time Employees:**

8 Less than full-time employees shall have their holiday pay calculated in
9 accordance with current practice except where such an employee works
10 full-time for all non-holiday hours during the pay period in which the holiday
11 occurs whereupon they will be entitled to full holiday credit.

12 **Section 5. Personal Leave Day.**

13 On October 1 of each year each permanent or limited term full-time employee
14 who has completed his/her first 1,040 hours of state service shall be credited two
15 (2) personal leave days to be used in accordance with normal requirements for
16 annual leave usage. Such leave shall be credited to less than full-time,
17 non-probationary permanent or limited term employees on a pro-rated basis in
18 accordance with current practice regarding holiday leave. Such leave time shall

23 employee shall be entitled to more than one grant of personal leave in each fiscal
24 year.

25 **Section 6. Leave Donation.**

26 Upon request of a member of the Technical Bargaining Unit, a Non-Exclusively

28 credits may be transferred between employees under the following conditions:

29 A. The receiving employee has successfully completed his/her probationary
30 period and faces financial hardship, that is, a loss of pay of forty (40) hours or
31 more, due to serious injury or the prolonged illness of the employee or his/her
32 dependent spouse, child, or parent.

33 B. The receiving employee has exhausted all leave credits.

34 C. The receiving employee's absence has been approved.

35 D. Annual leave donations must be for a minimum of eight (8) hours and a
36 maximum of forty (40) hours per calendar year. Donations shall be in whole
37 hours increments. Employee donations are irrevocable.

- 1 E. An employee may receive a maximum of thirty (30) work days (240 hours) per
2 calendar year of direct transfer of annual leave.
- 3 F. The Union and the Office of the State Employer shall each designate one (1)
4 representative to review requests and determine eligibility to receive a direct
5 transfer of annual leave credits on an hour for hour basis.

6 **Section 7. School/Community Participation Leave.**

7 A. Intent. The parties recognize the positive role adult involvement in school and
8 community activities plays in promoting educational and community success.
9 The parties intend by this section to foster employee involvement in school
10 sponsored activities and community programs.

11 B. Leave credits. After 1040 hours of satisfactory state service, employees in a
12 permanent or limited term position shall annually receive eight (8) hours of
13 paid school/community participation leave to be used in accordance with the
14 provisions of this section and the normal requirements for annual leave
15 usage, provided, however, that such leave may be utilized in increments of
16 one (1) hour if requested. The leave may be used to cover the employee's
17 absence from their scheduled work day for reasonable travel to and from, and
18 the duration of, the school or community activity.

19 School/community participation leave shall be credited to employees on
20 October 1 of each year, and shall not carry forward beyond the fiscal year.

21 To request school/community participation leave, employees shall complete a
22 school/community participation leave form provided by the Employer.

23 C. Use Of School/Community Leave. The use of the leave is for active
24 participation in school sponsored secular activities by employees, and not for
25 mere attendance at school programs. The school sponsored secular activities
26 may take place before, during, or after school. Additionally, the leave is
27 intended for pre-school education programs, k-12, and adult literacy
28 programs, and not college or university related programs. Employees may
29 use the leave to participate in any school sponsored activity including but not
30 limited to, tutoring, field trips, classroom programs, and school committees.

31 The leave may also be used for active participation in any structured secular
32 community activity sponsored by a governmental agency, or a non-profit
33 community organization or agency, and not for mere attendance at
34 community events. Employees may use the leave to participate in community
35 activities such as serving as a volunteer docent for the State of Michigan
36 museum, making deliveries for meals on wheels, and construction work for
37 habitat for humanity.

38 D. Use Of Other Leave. Employees shall be permitted to use annual leave and
39 other leave credits to participate in school programs and community events in
40 accordance with the normal requirements for the use of such leave.

Additionally, in accordance with this agreement and to the extent that operational considerations permit, an employee may, with supervisory approval, adjust his/her work schedule to allow attendance or participation in school activities and community events while working the regular number of work hours.

State Health Plan in-network and out-of-network benefits and applicable deductibles and co-payments are outlined in Appendix G. The Rules for Network Use are outlined in Appendix F.

A. Premium Splits: Except as provided in Section 10 below, the employer shall pay 95% of the premium, and the enrolled employee shall pay 5% of the premium for the State Health Plan.

Effective October 1, 2008, except as provided in Section 10 below, the employer shall pay 90% of the premium, and the enrolled employee shall pay 10% of the premium for the State Health Plan.

Effective the first full pay period in October, 2012, the following will apply to eligible employees enrolled in the State Health Plan PPO or an HMO. The State will pay 80% of the State Health Plan PPO premium with enrolled employees paying 20%. The State will pay up to 85% of the applicable HMO total premium, capped at the dollar amount which the State pays for the same coverage code under the SHP PPO, with enrolled employees paying the remainder.

B. Co-pay: Applicable co-payments for in-network and out-of-network services under the State Health Plan are set forth in Appendix G.

Effective October 1, 2008, there will be a \$15 co-pay for an office visit, and a \$50 co-pay for emergency room visits if the patient is not admitted to the hospital. All other applicable co-payments for in-network and out-of-network services under the State Health Plan are set forth in Appendix G.

1 and \$4,000/family per calendar year for out-of-network services. The
2 deductible does not apply towards the maximum out of pocket cost.

3 **Section 2. State Health Plan Provisions.**

4 A. The Union shall continue to be entitled to participate as a member of the
5 Labor Management Health Care Committee. The Committee will continue to
6 review and monitor the progress of the actual implementation of the State
7 Health Plan. It is understood that each exclusively recognized employee
8 organization will be entitled to designate one (1) representative to participate
9 in the Labor Management Health Care Committee.

10 The Plan consists of the following principal components: pre-certification of all
11 hospital inpatient admissions; second surgical opinion; home health care; and
12 alternative delivery systems.

13 (1) Pre-certification of Hospital Admission & Length of Stay. The pre-
14 certification for admission and length of stay component of the Plan
15 requires that the attending physician submit to the third party administrator
16 (TPA) the diagnosis, plan of treatment and expected duration of
17 admission. If the admission is not an emergency, the submission must be
18 made by the attending physician and the review and approval granted by
19 the TPA prior to admitting the covered individual into the acute care
20 facility. If the admission occurs as an emergency, the attending physician
21 is required to notify the TPA by telephone with the same information on
22 the next regular working day after the admission occurs. If the admission
23 is for a maternity delivery, advance approval for admission will not be
24 required; however, the admitting physician must notify the TPA before the
25 expected admission date to obtain the length-of-stay approval. There will
26 be no limitation on benefits caused by the attending physician's failure to
27 obtain pre-admission certification.

28 (2) Second Surgical Opinion. An individual covered under the State Health
29 Plan will be entitled to a second surgical opinion. If that opinion conflicts
30 with the first opinion the individual will be entitled to a voluntary third
31 surgical opinion. Second and third surgical opinions shall be subject to a
32 \$10 in-network office call fee or covered at 90% after the deductible if
33 obtained out-of-network.

34 Effective 10-1-08, second and third surgical opinions shall be subject to a
35 \$15 in-network office call fee or covered at 90% after the deductible if
36 obtained out-of-network.

37 (3) Home Health Care. A program of home health care and home care
38 services to reduce the length of hospital stay and admissions shall also be
39 available at the employee's option. This component requires that the
40 attending physician contact the third party administrator to authorize home

health care service in lieu of a hospital admission or a continuation of a hospital confinement.

The attending physician must certify that the proper treatment of the disease or injury would require continued confinement as a resident inpatient in a hospital in the absence of the services and supplies provided as a part of the home health care plan. If appropriate, certification will be granted for an estimated number of visits within a specified period of time. The details of the types of services and charges that shall be covered under this component include part-time or intermittent nursing care by a registered nurse (R.N.) or licensed practical nurse if an R.N. was not available; part-time or intermittent home health aid services; physical, occupational and speech therapy; medical supplies, drugs and medicines prescribed by a physician, and laboratory services provided by or on behalf of a hospital, but only to the extent that they would have been covered if the individual had remained or been confined in the hospital. Home health care services under the SHP will be continued. Details of the covered services will be provided in the SHP benefit booklet. Home health care shall be available at the patient's option in lieu of hospital confinement. To receive home health care services, a patient shall not be required to be homebound. Home infusion therapy shall be covered as part of the home health care benefit or covered by its separate components (e.g. durable medical equipment and prescription drugs).

(4) Alternative Delivery Systems. The State Health Plan shall also provide hospice care and birthing center care benefits to employees and enrolled family members. To be eligible for the hospice care benefit, the covered individual must be diagnosed as terminally ill by the attending physician and/or hospice medical director with a medical prognosis of six months or less life expectancy. Covered hospice benefits include physical, occupational, and speech language therapy; home health aid services; medical supplies; and nursing care. Covered hospice benefits are not subject to the individual deductible or any co-payment and will be paid only for services rendered by federally certified or state licensed hospices. Hospice services covered under the SHP will be continued. Details of the covered service will be provided in the SHP booklet. Both hospice care and birthing center care shall be available to employees at their option in lieu of hospital confinement. Birthing center care is covered under the delivery and nursery care benefit set forth in Appendix G.

B. Prescription Drugs: Bargaining unit members who are covered by the State Health Plan will be enrolled in the alternative prescription drug PPO.. The Employer shall continue an optional mail order plan for maintenance prescription drugs. The employee co-pay shall be \$7 per prescription for generic drugs and a \$15 co-pay per prescription for brand name drugs for both the retail and mail order drug plans. The brand name co-payment level will apply even when there is no generic substitute, as well as to DAW

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 prescriptions. Effective October 1, 2005, the employee co-pay for non-
2 preferred brand name drugs will be \$30.00.

3 Effective October 1, 2008, the plan will include the programs of: Generics
4 Preferred, Step Therapy and Drug Quantity Management. The employee co-
5 pay at retail shall be \$10 per prescription for generic drugs, \$20 per
6 prescription for preferred brand name drugs, and \$40 for non-preferred brand
7 name drugs. The employee co-pay for mail order shall be \$20 per prescription
8 for generic drugs, \$40 per prescription for preferred brand name drugs, and
9 \$80 for non-preferred brand name drugs. The brand name co-payment level
10 will apply even when there is no generic substitute, as well as to DAW
11 prescriptions. Under the Generics Preferred program, a prescription marked
12 DAW may result in an additional charge to the employee of the difference in
13 cost between the generic and the brand name drug dispensed.

14 Brand name drugs determined to be non-preferred because of the availability
15 of a generic equivalent or a therapeutically or chemically equivalent brand
16 name drug shall be so designated by the pharmacy and therapeutics
17 committee comprised of independent physicians across various specialties.
18 The State of Michigan shall have no decision making authority in such
19 determination.

20 Prescriptions purchased at non-participating pharmacies must be paid for by
21 the plan member who then remits receipts to the vendor for reimbursement.
22 The amount of the reimbursement will not exceed the amount the vendor
23 would have paid to a participating pharmacy and will not include the
24 applicable co-payment.

25 The member card shall identify all the participating pharmacies within a 30-
26 mile distance of the plan member's home address zip code or, if there are
27 more than 30 such participating pharmacies, the 30 participating pharmacies
28 that are closest to the plan member's home.

29 Zyban and Nicotrol nasal spray for smoking cessation shall be included under
30 the prescription drug benefit.

31 All maintenance drugs filled at a participating retail pharmacy will only be
32 approved up to a 34 day supply.

33 C. Mental Health/Substance Abuse Services: Benefits for in-patient and out-
34 patient mental health care and substance abuse services shall be as outlined
35 in Appendix G.

36 If there is no network provider within a reasonable distance from the
37 member's home address (as determined by the director of the Employee
38 Benefits Division), the vendor will authorize payment for covered services
39 which are provided by a non-network provider as permitted under the State
40 Health Plan in effect prior to the implementation of the PPO.

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

The State Health Plan will maintain a system of alternative provider referrals and equivalent covered expense reimbursement which assures that, at the patient's option, network providers to whom the patient is referred are neither state employees nor providing services to a state agency at a worksite where the state employee is employed.

D. Hearing: The State's hearing care program shall continue to be a benefit under the State Health plan. Such program shall include those benefits currently provided, including audiometric exams, hearing aid evaluation tests, hearing aids and fitting and binaural hearing aids when medically appropriate subject to a \$10 office call fee for the examination and shall be available once every 36 months unless hearing loss changes to the degree determined upon advice by the State Health Plan's medical policy team and audiology professionals. Effective October 1, 2008, the office call fee shall be \$15.

E. Wellness and Preventive Services: Wellness and preventive coverage in accordance with the State Health Plan as outlined in Appendix G will be subject to a maximum plan payment of \$1500 for in-network services per individual per calendar year. There shall be no coverage for wellness and preventive services received out-of-network.

Effective January 1, 2006, the cost for a colonoscopy exam (one every ten years beginning at age 50), and the cost for childhood immunizations will not be applied toward the calendar year maximum. These services will be covered at 100% in-network with no deductible and out-of-network at 90% after the deductible.

F. Weight Loss: Expenses of weight-loss clinic attendance are covered up to a lifetime limit of \$300, if conditions are met as specified in either (1) or (2) below:

(1) The employee or covered dependent is obese (defined as being more than 100 pounds overweight or more than 50% over ideal weight), and weight loss clinic attendance is prescribed by a licensed physician and confirmed by a second opinion; or

(2) The employee or covered dependent is more than 50 pounds overweight or more than 25% over ideal weight, has a diagnosed disease for which excess weight is a complicating factor, and weight-loss clinic attendance is prescribed by a licensed physician and confirmed by a second opinion.

Note: the \$300 amount will not apply to the State Health Plan deductible.

G. Orthopedic Inserts: Medically necessary orthopedic inserts for shoes, when prescribed by a licensed physician are covered under the State Health Plan. This benefit is included under the durable medical equipment benefit in Appendix G.

17 completing, a smoking cessation/abatement program approved by their
18 appointing authority. The following conditions shall apply:
- 19 (1) The reimbursement will be available for the employee's participation only.
20 Expenses incurred by the employee's dependents are not reimbursable,

This limitation does not apply to mental health claims where the claimant is under in-patient care. These changes shall only apply to new claims made on or after October 1, 2005.

The Employer shall continue to provide a rider to the existing LTD insurance program. All employees who are enrolled in the LTD insurance program shall automatically be covered by this rider. The rider shall provide a waiver of 100% of the health insurance (or HMO) premium while the enrolled employee is receiving LTD insurance benefits for a maximum of six (6) months. The Employer shall pay the entire cost of such rider. To thereafter continue health insurance (or HMO) coverage during the LTD-compensable period, the employee shall be responsible for remitting his/her share of the premium (if applicable). If not prohibited by the IRS, an employee whose LTD rider has expired, may transfer immediately to a state-employee spouse's health plan.

The LTD benefit shall be payable twice monthly for the first six months of disability; after six months, benefits shall be paid monthly.

An employee may "freeze" any sick leave accrued during the period when he/she is using up sick leave because of the disability which leads directly to receiving LTD benefits.

Article 26

25 covered lenses shall be 71 millimeters.

27 \$90 and the employee shall pay any additional charge of the provider for
28 such lenses. The co-payment provision under B. is not required.

30 otherwise be corrected to 20/70 in the better eye; or (2) the member has
31 one of the following visual conditions: keratoconus, irregular astigmatism
32 or irregular corneal curvature.

29 **Section 8. Flexible Benefits Plan.**

30 A flexible benefits plan shall be offered to all bargaining unit members during the
31 annual enrollment process and shall be effective the first full pay period in the
32 new fiscal year.

The plan will consist of the group insurance programs with various options available to bargaining unit members. Financial incentives will be paid to employees who select: a catastrophic health plan rather than the standard health plan coverage, a preventive dental coverage rather than the standard state dental plan or reduced life insurance coverage (one times salary or \$50,000 rather than two times salary). In addition, members who elect no health care or dental coverage will receive a financial incentive.

Changes in benefit selections may be made by employees each year during the annual enrollment process or when there is a change in family status as defined by the IRS.

Incentives are paid each year and are the same regardless of an employee's category of coverage. For example, an employee enrolled in employee-only coverage electing the catastrophic health plan for FY05-06 will receive \$1,300 as will an employee enrolled in full-family coverage electing the catastrophic health plan.

Incentives to be paid during each fiscal year will be determined in conjunction with the annual rate setting process. The amount of the incentive to be paid to employees selecting the lower-level life insurance coverage is based on an individual's annual salary and the rate per \$1,000 of coverage, and therefore may differ from employee to employee. Financial incentives under the flexible benefits plan to employees electing catastrophic health, no health care, and/or reduced life plan will be paid on a biweekly basis. Those choosing the preventive dental plan or no dental plan will receive a lump sum payment.

Section 9. Insurance Premiums While On Layoff And Leave Of Absence.

An employee actually separated by reason of layoff from state employment, on an indefinite basis, may elect to prepay the employee's share of premiums for health, dental, vision and life insurance coverage for the two (2) additional pay periods after layoff, by having such premiums deducted from the paycheck covering the final pay period in pay status. The Employer shall pay the Employer's share of premiums for health, dental and life insurance coverage for two (2) pay periods for any employee who elects this option.

Such coverage for health, dental, vision and life insurance shall continue uninterrupted for the two (2) pay periods referred to above. Election of this option shall not affect the eligibility of the employee to thereafter continue insurance coverage for the remaining period of continuation coverage by directly paying the entire premiums therefor in accordance with current practice.

The maximum continuation coverage period for each insurance program shall be as follows: health -- 3 years; dental -- 18 months; vision care -- 18 months; life -- 1 year.

Permanent full-time employees who do not use the entire two (2) pay periods because of recall, or otherwise returning to state employment on a permanent basis, shall retain this option for full use once in a fiscal (contract) year.

Nothing herein diminishes the rights of a laid-off employee under federal "COBRA" legislation.

Section 10. Group Insurance Premiums For Less Than Full-Time Employees.

Premium payment and eligibility for coverage for permanent intermittent employees shall continue in accordance with current practice.

Employees hired on or after January 1, 2000 who are appointed to a position with a regular work schedule consisting of 40 hours or less per biweekly pay period shall pay fifty percent (50%) of the premium for health, dental and vision insurance. This shall not apply to an employee appointed to a permanent-intermittent position. Eligibility for enrollment shall be in accordance with current contractual provisions.

Employees who have a regular work schedule of 40 hours or less per biweekly pay period who are temporarily placed on a regular work schedule of more than 40 hours per biweekly pay period for a period expected to last six months or more, shall be considered as working a regular work schedule of more than 40 hours for the period of the temporary schedule adjustment.

Section 11. Flexible Compensation Plan.

The Employer's pre-tax dollar deduction program is extended to bargaining unit employees. Under such a program, employee contributions for premiums for health insurance and dental insurance shall be made after FICA calculations, but before income tax withholding calculations are made.

Bargaining unit members shall be offered the option to participate in the State of Michigan dependent care and/or medical spending accounts authorized by, and established by the state in accordance with, current section 125 of the U.S. Internal Revenue Service Code.

ARTICLE 27

Miscellaneous Benefits and Expense Reimbursement

Section 1. Retirement Benefits.

By virtue of state employment, bargaining unit employees are members of the State Employee's Retirement System, which the parties recognize is regulated entirely by statute. It is not the intent of the parties to alter retirement regulations or entitlements through this contract.

The Employer agrees to supply unit employees with a current copy of the information booklet published by the State which describes the retirement system, upon individual employee request.

Section 2. Tuition Reimbursement.

Only to the extent that funds have been legislatively appropriated and allocated by the departments, specifically for tuition reimbursement, the Employer agrees to establish a system of tuition reimbursement for employees. The Employer agrees to notify the Union upon request of the amount of money allocated by Department for such purpose and of any changes in such allocation.

Reimbursement shall apply only to the per credit hour cost of tuition and lab fees but shall not apply to miscellaneous fees, books or supplies. Selection among eligible applicants, and proportion of reimbursement shall be determined by the Employer. Employees selected for such tuition reimbursement program shall be reimbursed upon presenting written documentation of successful completion of the course.

Tuition reimbursement shall not be made unless the course pertains to the employee's current occupation. No employee shall receive reimbursement for more than one course in any one semester or term, except that employees in the Department of Transportation shall be reimbursed in accordance with provisions of Guidance Document 10138 Dated 01/01/04.

The procedures to be used for application, approval and verification of successful completion shall be established by Departments. The Employer agrees that any system adopted will attempt to treat similarly situated employees fairly.

The provisions of this Article shall not apply in those cases where the Employer requires employees to take a course(s) as part of their assigned duties.

Section 3. Educational Training Fund.

Effective October 1, 2008, the Employer shall establish a Technical Unit Educational Training Fund in the amount of \$50,000 to be administered jointly by the Union and the Employer. On October 1, 2009, \$50,000 will be added to the fund. On October 1, 2010, \$50,000 will be added to the fund. Money not used carries over to the next fiscal year.

Section 4. Travel and Moving Expense Reimbursement.

A. Those employees covered by the State Standardized Travel Regulations shall be reimbursed for travel expenses for actual expenses incurred, and supported by receipts, up to the maximum amount allowed in accordance with the Standardized Travel Regulations and implementing rules which are in effect on the date(s) of travel.

Departmental exceptions previously granted to the Standardized Travel Regulations shall be applicable, unless expressly altered in this Agreement or

- 1 through secondary negotiations, for actual expenses incurred, as supported
2 by receipts, up to the maximum amount allowed. In those situations where the
3 Employer has not secured the lodging for an employee, employees shall
4 make a reasonable effort to secure lodging at the rates specified below.
5 However, if an employee has not been able to secure lodging at the specified
6 rate, such employee may request reimbursement for the actual amount.
7 Departments shall not unreasonably deny such reimbursement requests nor
8 shall departments unreasonably delay processing the reimbursement.
- 9 B. Relocation expense reimbursement for eligible employees shall be as
10 provided for in Appendix E.
- 11 C. Parking Charges While on State Business: Any employee who must drive
12 their personal vehicle to a State car-pool for the purpose of picking up a State
13 car for official travel shall be reimbursed for the parking of their private
14 vehicles if free parking is not available. Such expense is reimbursable as a
15 regular item of travel expense provided a State vehicle is requisitioned and
16 used on the same day or days. This item is for parking costs that are caused
17 by travel status. There will be no reimbursement for normal everyday parking
18 cost that the employee pays when he/she is not in travel status.
- 19 D. Relocation Expenses MDOT Employees: MDOT employees who accept a
20 promotion and relocate at least 25 miles closer to their official work station
21 shall be eligible for relocation expense reimbursement in accordance with
22 Appendix E of this Agreement.
- 23 E. Eligibility for Subsistence Allowance at Temporary Work Station in the
24 Department of Transportation - Clarification of Distance Requirements:
- 25 In the Michigan Department of Transportation, eligibility for subsistence
26 allowance at a temporary work station shall be as follows unless altered
27 through secondary negotiations:
- 28 (1) "Subsistence" is defined as lodging and meals. Subsistence
29 reimbursement is not authorized at a temporary work station (TWS) within
30 25 regulation miles of the employee's official work station (OWS).
- 31 (2) Transportation's Modified Travel Regulations (Rev. 10/1/86), Schedule II
32 Field Employees shall regain eligibility for travel subsistence expense
33 reimbursement (first 60 day rate) when the cumulative distance from the
34 employee's "new" temporary work station (TWS) to the employees
35 "original" TWS is equal to or greater than 25 regulation miles.
- 36 (3) In the event an employee regains eligibility for travel subsistence expense
37 reimbursement (first 60 day rate) under paragraph #2, the employee's
38 "new" TWS will be considered an "original" TWS for the purposes of
39 eligibility for travel expense reimbursement under the first 60 day rate.

(4) Any point (TWS) at which the employee is eligible for travel subsistence reimbursement (first 60 day rate) is an “original” TWS.

EXAMPLE: Employee’s home and official work station is in Clare:

a. First TWS is 50 regulation miles from OWS. Eligible for travel subsistence reimbursement for the first 60 days at this TWS. This TWS is now an “original” TWS.

b. Employee’s next TWS is 10 miles away from “original” TWS. Does not regain eligibility for travel subsistence reimbursement at this “new” TWS.

c. Employee’s next “new” TWS is 10 miles away from previous TWS (and 20 miles away from “original” TWS). Does not regain eligibility for travel subsistence reimbursement.

d. Employee’s next “new” TWS is 10 miles away from previous TWS (and 30 miles away from “original” TWS). Does regain eligibility for up to 60 days of travel subsistence reimbursement. This TWS is now an “original” TWS from which further moves will be measured for purposes of this policy.

Section 5. MDOT Civil Engineer and Technician Co-op Programs.

The total number of persons hired and working under these programs at any one time may not exceed 450.

A. Employees participating in these programs shall be covered by the following provisions of this Agreement:

Article 1; Article 2 (except as Section 1 is modified in this Section); Articles 3, 4, and 5; Article 8, Section 4; Article 9 (with the same rights as other probationary employees); Articles 10 and 11; Articles 14 and 15; Article 17; Articles 19, 20, 21, 22, 23, 24, and 25; Article 27, Section 4; Articles 28 and 29; and all applicable Letters of Understanding, Agreements, or other documents which are part of or pertain to the Contractual Provisions listed herein.

B. Effective January 1, 1990, the Michigan Department of Transportation will pay a tuition stipend of \$100 for the term or semester that an employee participating in the two year Technician Co-op program is taking classes on a full-time basis. The employee must be enrolled in a program accredited by the Department and maintain a grade point average of 2.0 to participate in the Technician Co-op program. These payments will be made at the conclusion of the school term or semester.

C. Upon employment in permanent positions within the Technical Unit with the Department of Transportation, participants in the Civil Engineer or Technician

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 Co-op programs shall have their previous employment in the Co-op programs
2 credited as continuous service hours under Article 12 of this Agreement.

3 D. These co-op positions shall not be filled at any work site where there are
4 permanent Transportation Technician employees on involuntary layoff or
5 involuntary reduction in hours until and unless such permanent employees
6 have been offered recall.

7 E. No permanent Transportation Technician employee shall be involuntarily laid
8 off at any work site where these co-op employees remain employed.

9 F. If permanent Transportation Technicians employees are placed on involuntary
10 hours reduction at any work site where these co-op employees are employed,
11 such co-op employees shall participate fully and equally in such hours
12 reduction.

13 G. Overtime at a project site shall be first offered to permanent employees
14 before it is offered to co-op employees.

15 **Section 6. VDT/CRT Prescription Lenses/Frames Benefit.**

16 Effective October 1, 1989, VDT/CRT operators who, while operating a VDT/CRT,
17 require prescription corrective lenses which are different than those normally
18 used, shall be eligible for reimbursement for lenses and frames on an annual
19 basis at the rates provided herein. Such reimbursement shall be made by the
20 departmental employer. The lenses and frames are in addition to those provided
21 under the vision care insurance. In order to be eligible for this additional
22 reimbursement, employees must utilize a VDT/CRT more than 50% of the time.

23 **Section 7. Qualified 401(k) Tax-Sheltered Plan.**

24 Employees in this Bargaining Unit shall be eligible to participate in a qualified
25 401(k) tax-sheltered plan.

26 **Section 8. Limited Term Appointments.**

27 When an employee has been in the same limited term appointment for 4,160
28 continuous service hours, the employee shall be made permanent, unless the
29 employee is working in a project which has an established ending date. This
30 provision shall not apply in the case of a continuing state classified employee
31 who accepts an appointment to a limited term position, except as specified in
32 Article 13, Section 1.b.

33 **Section 9. Payroll Deductions and Remittance for Michigan Educational**
34 **Trust.**

35 The parties recognize that the State has offered state employees the opportunity
36 for payroll deduction in conjunction with individual employee's participation in the
37 Michigan Educational Trust (M.E.T.) Program . Members of the Bargaining Unit

1 who are M.E.T. participants will be offered the opportunity to individually initiate
2 enrollment in such state program.

3 It is understood that initiation and continuation of the M.E.T. payroll deduction
4 program is subject to the provisions of applicable statutes and regulations, and
5 will be administered in accordance with such laws and regulations. If either the
6 State or Michigan Education Trust determines to alter, amend, or terminate such
7 M.E.T. payroll deduction program, the State will provide the Technical Unit
8 advance notice and, upon request, meet to review and discuss the reasons for
9 such actions prior to their implementation.

10 For purposes of administering contractual union security provisions and payroll
11 accounting procedures, it is understood and agreed that such M.E.T. deduction,
12 if and when individually authorized by the employee, will be taken only when the
13 employee has sufficient residual earnings to cover it after deductions for any
14 applicable employee organization membership dues or service fees have been
15 made.

16 **Section 10. Pre-Tax Parking/Transportation Benefit.**

17 The parking/transportation benefit authorized by the internal revenue code allows
18 employees to pay parking or transportation expenses out of pre-tax income
19 under certain circumstances. Taking advantage of the parking/transportation
20 benefit reduces an employee's taxable income, and therefore could slightly
21 reduce the amount of the employee's social security benefit.

22 1. For bargaining unit employees who pay for parking through payroll deduction,
23 the employer will implement the pre-tax payroll deduction benefit effective
24 with the August 16, 2001 pay date. Prior to implementation, employees will be
25 offered the opportunity to opt out of the benefit (i.e., to continue payroll
26 deduction from after-tax income).

27 2. As soon as administratively feasible, bargaining unit employees who do not
28 have payroll deduction for parking will be offered the opportunity to establish
29 an account for the purpose of reimbursing out-of-pocket parking expenses.
30 The employee determines the amount of pre-tax income to set aside, and
31 then submits parking receipts for reimbursement from this account.

32 3. If permitted under the IRS code, the employer will offer the opportunity to
33 establish pre-tax reimbursement accounts to bargaining unit employees who
34 use van pools, buses, or other forms of mass transportation to commute to
35 and from work. Additional research is required to determine whether this
36 benefit can be offered.

ARTICLE 28

No Strike -- No Lockout

Section 1. Prohibition.

During the term of this Agreement, neither the Union nor its agents or any employee, for any reason, will authorize, institute, aid, condone or engage in a slowdown, work stoppage, strike, or any other interference with the work and statutory functions or obligations of the Employer.

During the term of this agreement, neither the Employer nor its agents for any reason shall authorize, institute, aid, or promote any lockout of employees covered by this Agreement, unless there is a violation of the no-strike prohibition.

The Union agrees to notify all Union officers, stewards and representatives of their obligation and responsibility for maintaining compliance with this Article, including their responsibility to remain at work during any interruption which may be caused or initiated by others, and to affirmatively encourage employees violating Section 2 to return immediately to the full, faithful performance of duties.

Section 3. Disciplinary Actions.

The Employer retains the right to discharge or otherwise discipline any, all, or particular groups of employees who violate Section 1, and any employee who fails to carry out his/her responsibilities under Section 2, and the Union will not resort to the grievance procedure on such employee's behalf, except as to questions of fact.

Section 4. Remedies.

The Employer retains the right to pursue such remedies as are available to it under law.

- 13 A. Consume alcohol while on duty.
- 14 B. Consume drugs while on duty, except pursuant to a lawful prescription issued
15 to the employee.
- 16 C. Report to duty or be on duty with a prohibited level of alcohol or drugs present
17 in the employee's bodily fluids.
- 18 D. Refuse to submit to a required drug test or alcohol test.
- 19 E. Interfere with any testing procedure or tamper with any test sample.

20 **Section 3. Testing Employees.**

21 The Employer may require an employee, as a condition of continued
22 employment, to submit to a drug test or an alcohol test, as provided in this
23 Article.

24 A. Tests Authorized:

- 25 (1) Reasonable Suspicion Testing. An employee shall be required to submit
26 to a drug test or an alcohol test if there is reasonable suspicion that the
27 employee has violated this Article.
- 28 (2) Preappointment Testing. An employee not occupying a test-designated
29 position shall submit to a drug test if the employee is selected for a test-
30 designated position.
- 31 (3) Follow-up Testing. An employee shall submit to an unscheduled follow-up
32 drug test or alcohol test if, within the previous 24-month period, the
33 employee voluntarily disclosed drug or alcohol problems, entered into or
34 completed a rehabilitation program for drug or alcohol abuse, failed or

1 refused a preappointment drug test, or was disciplined for violating this
2 rule.

3 (4) Random Selection Testing. A test-designated employee shall submit to a
4 drug test and an alcohol test if the employee has been selected for testing
5 on a random selection basis.

6 (5) Post-incident Testing. A test-designated employee shall submit to a drug
7 test or an alcohol test if there is evidence that the test-designated
8 employee may have caused or contributed to an on-duty accident or
9 incident resulting in death, or serious personal injury requiring immediate
10 medical treatment, that arises out of any of the following:

- 11 a. The operation of a motor vehicle.
- 12 b. The discharge of a firearm.
- 13 c. A physical altercation.
- 14 d. The provision of direct health care services.
- 15 e. The handling of dangerous or hazardous materials.

16 **B. Limitations On Certain Tests:**

17 (1) Test Selection. An employee subject to testing under this rule may be
18 required to submit only to a drug test, only to an alcohol test, or to both
19 tests. However, preappointment testing shall be limited to drug testing.

20 (2) Limitations On Follow-up Testing. The Employer may require an employee
21 who is subject to follow-up testing to submit to no more than six
22 unscheduled drug or alcohol tests within any twelve-month period.

23 (3) Limitations On Random Selection Testing. The number of drug tests
24 conducted in any one year on a random selection basis shall not exceed
25 fifteen percent (15%) of the number of all test-designated positions. The
26 number of alcohol tests conducted in any one year on a random selection
27 basis shall not exceed fifteen percent (15%) of the number of all test-
28 designated positions.

29 (4) Limitations On Reasonable Suspicion Testing. Before an employee is
30 subject to reasonable suspicion testing, a trained supervisor must
31 document the basis for the reasonable suspicion. In addition, an employee
32 shall not be subject to a reasonable suspicion test until the Employer-
33 designated drug and alcohol testing coordinator (DATC), or the DATC's
34 designee, has given express, individualized, approval to conduct the test.

35 **Section 4. Drug and Alcohol Testing Protocols.**

36 A. Drug Testing Protocol: The Employer will adopt the current "Mandatory
37 Guidelines for Federal Workplace Drug Testing Programs," as amended,

**Agreement Between
The State of Michigan and SEIU 517M, Technical Unit**

1 issued by the U.S. Department of Health and Human Services (the “HHS
2 Drug Guidelines”) as the protocol for drug testing under this Article.

3 B. Alcohol Testing Protocol: The Employer will adopt the alcohol testing
4 provisions of the current “Procedures for Transportation Workplace Drug and
5 Alcohol Testing Programs,” as amended, issued by the U.S. Department of
6 Transportation (the “DOT Alcohol Guidelines”) as the protocol for alcohol
7 testing under this Article.

8 C. Changes In Protocol: During the term of this Agreement, the parties may
9 agree to amend the protocols without the further approval of the Civil Service
10 Commission to include any final changes to the HHS Drug Guidelines or the
11 DOT Alcohol Guidelines that are published in the Federal Register and
12 become effective. If the parties agree to adopt any such final changes, the
13 parties shall notify the State Personnel Director in writing of the changes and
14 their effective date. Any other change in the protocols requires the approval of
15 the Civil Service Commission.

16 **Section 5. Prohibited Levels of Drugs and Alcohol.**

17 A. Prohibited Levels Of Drugs: It is a violation of this Article for an employee to
18 test positive for any drug under the HHS Drug Guidelines at the time the
19 employee reports to duty or while on duty. A positive test result shall
20 constitute just cause for the Employer to discipline the donor.

21 B. Prohibited Levels Of Alcohol: It is a violation of this Article for an employee to
22 report to duty or to be on duty with a breath alcohol concentration equal to or
23 greater than 0.02. A confirmatory test result equal to or greater than 0.02 shall
24 constitute just cause for the Employer to discipline the employee.

25 **Section 6. Penalties.**

26 A. The parties recognize the authority of the Employer to reprimand in writing,
27 suspend, discharge or take other appropriate disciplinary or corrective action
28 against an employee only for just cause. Discipline, when invoked, will
29 normally be progressive in nature; however, the employer shall have the right
30 to invoke a penalty which is appropriate to the seriousness of an individual
31 incident or situation. The Employer may impose discipline, up to and including
32 dismissal, for violation of this Article. All discipline for violation of any
33 provision of this Article shall be subject to the provisions of Article 10
34 regarding discipline.

35 B. An employee selected for a test-designated position shall not serve in the
36 test-designated position until the employee has submitted to and passed a
37 pre-appointment drug test. If the employee fails or refuses to submit to the
38 drug test, interferes with a test procedure, or tampers with a test sample, the
39 employee shall not be appointed, promoted, reassigned, recalled, transferred,
40 or otherwise placed in the test-designated position. The Department of Civil
41 Service shall also remove the employee from all employment lists for test-

Article 29

designated positions and shall disqualify the employee from any test-designated position for a period of three years. In addition, if the employee interferes with a test procedure or tampers with a test sample, the employee may also be disciplined by the Employer as provided in subsection (a). An employee's qualification for appointment in the classified service is a prohibited subject of bargaining and any complaint regarding action by the Department of Civil Service shall be brought only in a Civil Service technical appeal proceeding.

Section 7. Self-Reporting.

A. Reporting: An employee who voluntarily discloses to the Employer a problem with controlled substances or alcohol shall not be disciplined for such disclosure if, and only if, the problem is disclosed before the occurrence of any of the following:

(1) For reasonable suspicion testing, before the occurrence of an event that gives rise to reasonable suspicion that the employee has violated this rule.

(2) For preappointment testing, follow-up testing, and random selection testing, before the employee is selected to submit to a drug test or alcohol test.

(3) For post-incident testing, before the occurrence of any accident that results in post-accident testing.

B. Employer Action: After receiving notice, the Employer shall permit the employee an immediate leave of absence to obtain medical treatment or to participate in a rehabilitation program. In addition, the Employer shall remove the employee from the duties of a test-designated position until the employee submits to and passes a follow-up drug test or alcohol test. The Employer may require the employee to submit to further follow-up testing as a condition of continuing or returning to work.

C. Limitation: An employee may take advantage of the provisions of Article 29, Section (7) no more often than two times while employed in the classified service. An employee making a report is not excused from any subsequent drug or alcohol test or from otherwise complying in full with this article. An employee making a report remains subject to all drug and alcohol testing requirements after making a report and may be disciplined as the result of any subsequent drug or alcohol test, including a follow-up test.

Section 8. Union Representation.

If an employee is directed to submit to a reasonable suspicion drug or alcohol test, the employee may confer with an available UTEA representative in person (if available on site) or by telephone. However, such contact shall not unreasonably delay the testing process.

Section 9. Identification of Test-designated Positions.

Each appointing authority shall first nominate classes of positions, subclasses of positions, or individual positions to be test-designated. The State Employer shall review the nominations and shall designate as test-designated positions all the classes, subclasses, or individual positions that meet one or more of the requirements of Section 1(H) of this Article. The designation by the State Employer shall not be limited by or to the nominations or recommendations of the appointing authority. The appointing authority shall give written notice of designation to each test-designated employee and to the Union at least fourteen (14) days before implementing the testing provisions of this rule.

The Union may file a grievance contesting the designation of a particular position. However, an employee occupying a position designated as a test-designated position who is given notice of the designation shall be subject to testing as provided in this Article until a final and binding determination is made that the employee is not occupying a test-designated position.

Section 10. Coordination of Rule and Federal Regulations.

The provisions of this Article are also applicable to employees subject to mandatory Federal regulations governing drug or alcohol testing. However, in any circumstance in which (1) it is not possible to comply with both this rule and the Federal regulation or (2) compliance with this rule is an obstacle to the accomplishment and execution of any requirement of the Federal regulation, the employee shall be subject only to the provision of the Federal regulation.

ARTICLE 30

Duration and Termination of Agreement

Section 1.

This Agreement shall be effective following ratification by the members of the SEIU Local 517M Technical Unit and approval by the Civil Service Commission and shall continue in full force and effect from January 1, 2014 until midnight, December 31, 2015.

The effective date of termination shall not be extended except by mutual agreement of the Union and the State Employer and approval of the Civil Service Commission.

7 **Letter of Understanding—Article 26**

8 The attached Rules for Network Use will be used by the parties in determining in-
9 network and out-of-network benefits. In addition, the parties agree to set up a
10 joint committee for the purpose of creating any additional guidelines and
11 reviewing implementation. The committee will also be charged with identifying
12 situations in which access to non-participating providers may be necessary and
13 developing procedures to avoid balance billing in these situations.

14 The parties have also discussed the fact that there are some State employees
15 who do not live in Michigan. The following are procedures in place for persons
16 living or traveling outside Michigan:

17 Members who need medical care when away from Michigan can take
18 advantage of the Third Party Administrator's National PPO program. There is
19 a toll-free number for members to call in order to be directed to the nearest
20 PPO provider. The member is not required to pay the physician or hospital at
21 the time of service if he/she presents the PPO identification card to the
22 network provider.

23 If a member is traveling he/she must seek services from a PPO provider.
24 Failure to seek such services from a PPO provider will result in a member
25 being treated as out-of-network unless the member was seeking services as
26 the result of an emergency.

27 If a member resides out of state and seeks non-emergency services from a
28 non-PPO provider, he/she will be treated as out-of-network. If there is not
29 adequate access to a PPO provider, exceptions will be handled on a per case
30 basis.

31 **RULES FOR NETWORK USE**

32
33 Effective October 12, 2014, see Appendix G-2 for member costs.

34 A member is considered to have access to the network based on the type of
35 services required, if there are:

- 36 • Primary care -two primary care physicians (PCP) within 15 miles;
 - 37 • Specialty care -two specialty care physicians (SCP) within 20 miles; and
 - 38 • Hospital - one hospital within 25 miles.
- 39

- 1 1. If a member has access to the network, the member receives benefits at the
2 in-network level when a network provider is used. The member is responsible
3 for the in-network deductible (if any) and co-payment (if any). If a network
4 provider refers the member to an out-of-network SCP the member continues
5 to pay in-network expenses.
- 6 2. If a member has access to the network, the member receives benefits at the
7 out-of-network level when a non-network provider is used. The member is
8 responsible for the out-of-network deductible (if any), and co-payment (if any).
 - 9 • If the non-network provider is a Blues' participating provider, the provider
10 will accept the Blues' payment as payment in full. The member is
11 responsible for the out-of-network deductible and co-payment. The
12 member will not, however, be balance billed.
 - 13 • If the non-network provider is not a Blues' participating provider, the
14 provider does not accept blues' payment as payment in full. The member
15 is responsible for the out-of-network deductible and co-payment. The
16 member may also be balance billed by the provider for all amounts in
17 excess of the Blues' approved payment amount.
- 18 When a member has access to the network and chooses to use an out-of-
19 network provider, amounts paid toward the out-of-network deductible, co-

Appendix F

1 payment or out-of-pocket maximum cannot be used to satisfy the in-network
2 deductible, co-payments or out-of-pocket maximum.

3 3. If a member does not have access to the network as provided above, the
4 member will be treated as in-network for all benefits. The member will be
5 responsible for the in-network deductible (if any) and co-payment (if any).

6 4. If a member does not have access to the network but then additional
7 providers join the network so that the member would now be considered in-
8 network, the member will be notified and given a reasonable amount of time
9 in which to seek care from an in-network provider. Care received from a non-
10 network provider after that grace period will be considered out-of-network and
11 the out-of-network deductibles, co-payments and out-of-pocket maximums
12 will apply. If a member is undergoing a course of treatment at the time he
13 becomes in-network, the in-network rules will continue for that course of
14 treatment only pursuant to the PPO standard transition policy. Once the
15 course of treatment has been finished, the member must use an in-network
16 provider or be governed by the out-of-network rules.

17 If a member is under a course of treatment on January 1, 2003 when the new
18 State Health Plan is implemented, the member will be treated as in-network
19 until the course of treatment is concluded pursuant to the PPO standard
20 transition policy. After that, the level of benefits will be governed by the in/out-
21 of-network rules of the new State Health Plan.

Human Resources Management Network (HRMN)

During negotiations in 2001 the parties reviewed changes in terminology that resulted from the implementation of the new payroll-personnel system HRMN. The parties have elected to continue to use terminology that existed prior to the implementation of HRMN even though that same terminology is not utilized in HRMN. The parties agree that the HRMN terminology does not alter the meaning of the contract language unless specifically agreed otherwise.

An example of this are the terms “transfer, reassignment, and demotion” which are called “job change” in HRMN. The HRMN history record will show each of these transactions as a job change, however they will continue to have the same contractual meaning they had prior to the implementation of HRMN.

14 rate in effect at the time of the contribution.

15 If the amount of a projected contribution would exceed the maximum amount
16 allowable under section 415 of the internal revenue code (when combined
17 with other projected contributions that count against such limit), the state shall
18 first make a contribution to the employee's account within the State of
19 Michigan 401(k) plan up to the maximum allowed, and then make the

33 6. Relationship To Plan A And Plan C.

34 Before incurring unpaid Plan A or plan C hours all BLT hours must be

During the 2011 negotiations, the parties discussed the role of labor management cooperation and collaboration in providing more efficient delivery of services to the citizens of Michigan. The parties recognize that the efficient delivery of services to the public should be mindful of the cost effectiveness, quality of delivery, accountability and public interest. The discussion encompassed the Unions' New Solutions Report, which encourages all stakeholders to work together in an open dialogue manner to achieve best in class public service.

The parties agreed to approach the New Solutions Report jointly with the goal of facilitating the development of positive programs relative to the effective use of resources. Such effective use of resources may include self-directed work teams or other empowerment initiatives as agreed by the parties to provide front line workers with the support needed to effectively perform their jobs.

The parties recognize that Lean Optimization can be a valuable tool in achieving the effective use of resources. Lean Optimization has the simple goal of helping state government work better for both its customers and its employees. Lean practices rely on joint participation between employees and management at all levels within the State. World class service cannot occur without such employee involvement.

Within sixty (60) days of the effective date of the Collective Bargaining Agreement, a New Solutions Committee will be established to explore innovative solutions to deliver better customer service and pursue better value from those who deliver the services. Each of the Coalition Unions may designate two (2) representatives to meet with the Office of the State Employer. Representatives

LETTER OF INTENT

The Office of the State Employer And SEIU 517M, Technical Unit Article 17, Section 15.B

During negotiations in 2011, the parties discussed the new Transportation Technician classification and the impact on the overtime equalization provision under Article 17, Section 15.B, of the Collective Bargaining Agreement. The parties reached a meeting of the minds regarding overtime equalization for Transportation Technicians; however, that agreement was not included in the final version of Article 17. It was the Intent of the parties that any change in the method of overtime distribution shall begin with the next overtime equalization year. Consequently, the Michigan Department of Transportation began the 2012 overtime equalization year using the existing method of overtime equalization.

It is the intent of the parties to continue the current method of overtime equalization through December 31, 2012 and implement and adhere to the agreed upon changes effective January 1, 2013:

Through December 31, 2012, the method of overtime distribution for Department of Transportation employees is as follows:

(1) Overtime equalization units are:

- a. All Transportation Technicians 12 at a worksite
- b. All permanent Transportation Technicians 8-E11 at a worksite
- c. All temporary Transportation Technicians 8-E11 at a worksite
- d. All Transportation Aides 6-E7 at a worksite
- e. At the MDOT building in Lansing, all Transportation Technicians 11 and below in the same Unit.

Effective January 1, 2013, the method of overtime distribution for Department of Transportation employees shall be as follows:
